Colony Park with Grand Marquis Trim Option

Mercury Colony Park

Colony Park is as distinguished in the smoothness, quiet and comfort of its ride (steel-belted radial tires are standard) as in its notable look of luxury. Luxury not only on the outside, but in the interiors too, as shown on this page in the extra-cost Luxury Trim Option interior with Twin Comfort Lounge Seats in polyknit vinyl. This decor is available in medium blue, medium green and saddle; it is also available with super-soft all-vinyl, in these colors plus black and tan.

Colony Park standard features include: 400-2V V-8 engine • Select-Shift automatic transmission • 3-way doorgate

• Power front disc brakes • LR78 x 15 BSW steel-belted radial tires • Power steering • Power rear window • Impact absorbing bumpers • 3 point restraint system • Concealed windshield wipers • Power ventilation • Deluxe sound insulation • Electric clock • Deluxe steering wheel • Deluxe wheel covers • Automatic parking brake release • 100% nylon carpeting • Simulated woodgrain "Yacht Deck" paneling on bodysides and doorgate • Cargo area light • Ford Motor Company Safety Design Features • Note: Other equipment shown is optional.

Mercury for 1974 – station wagon living at its fullest!

No matter what kind of station wagon life your family leads, you'll find a Mercury wagon ready to go calling or hauling in stride. From versatile 3-way doorgate, standard in all models, to wide-ranging and unique options, Mercury wagons possess great talents for suiting personal needs.

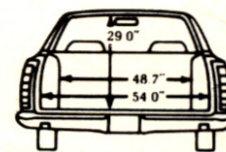

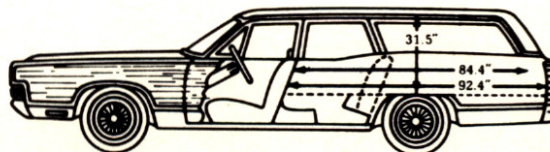

Mercury's 3-way doorgate in its role as a drop gate. Also swings wide away as a door. Standard on all Mercury wagons.

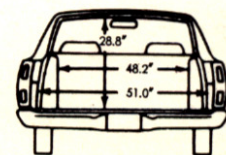

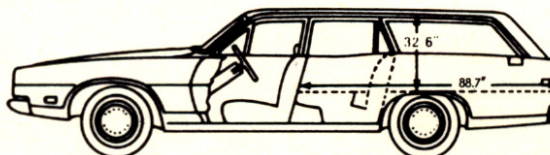

Dual center-facing rear seats are available as an option on Colony Park, Marquis and Meteor wagons. Provides extra room for big families. For easy entry and exit you can swing the doorgate open as a door, with the rear window up or down.

In Montego MX Villager and Montego MX wagons, the optional rear-facing 3rd seat permits you to carry two additional adult passengers. The full-width rear window affords a panoramic view for rear seat passengers—their private "observation platform".

Take on full-size loads—whether people or parcels—and watch how beautifully Colony Park, Marquis or Meteor station wagons measure up to them.

Space projects come easy for the Montego MX Villager and Montego MX wagons—with load area ample enough to let you carry 4' x 8' panels flat, with doorgate down.
