Charger Special Edition

Dodge Charger Special Edition

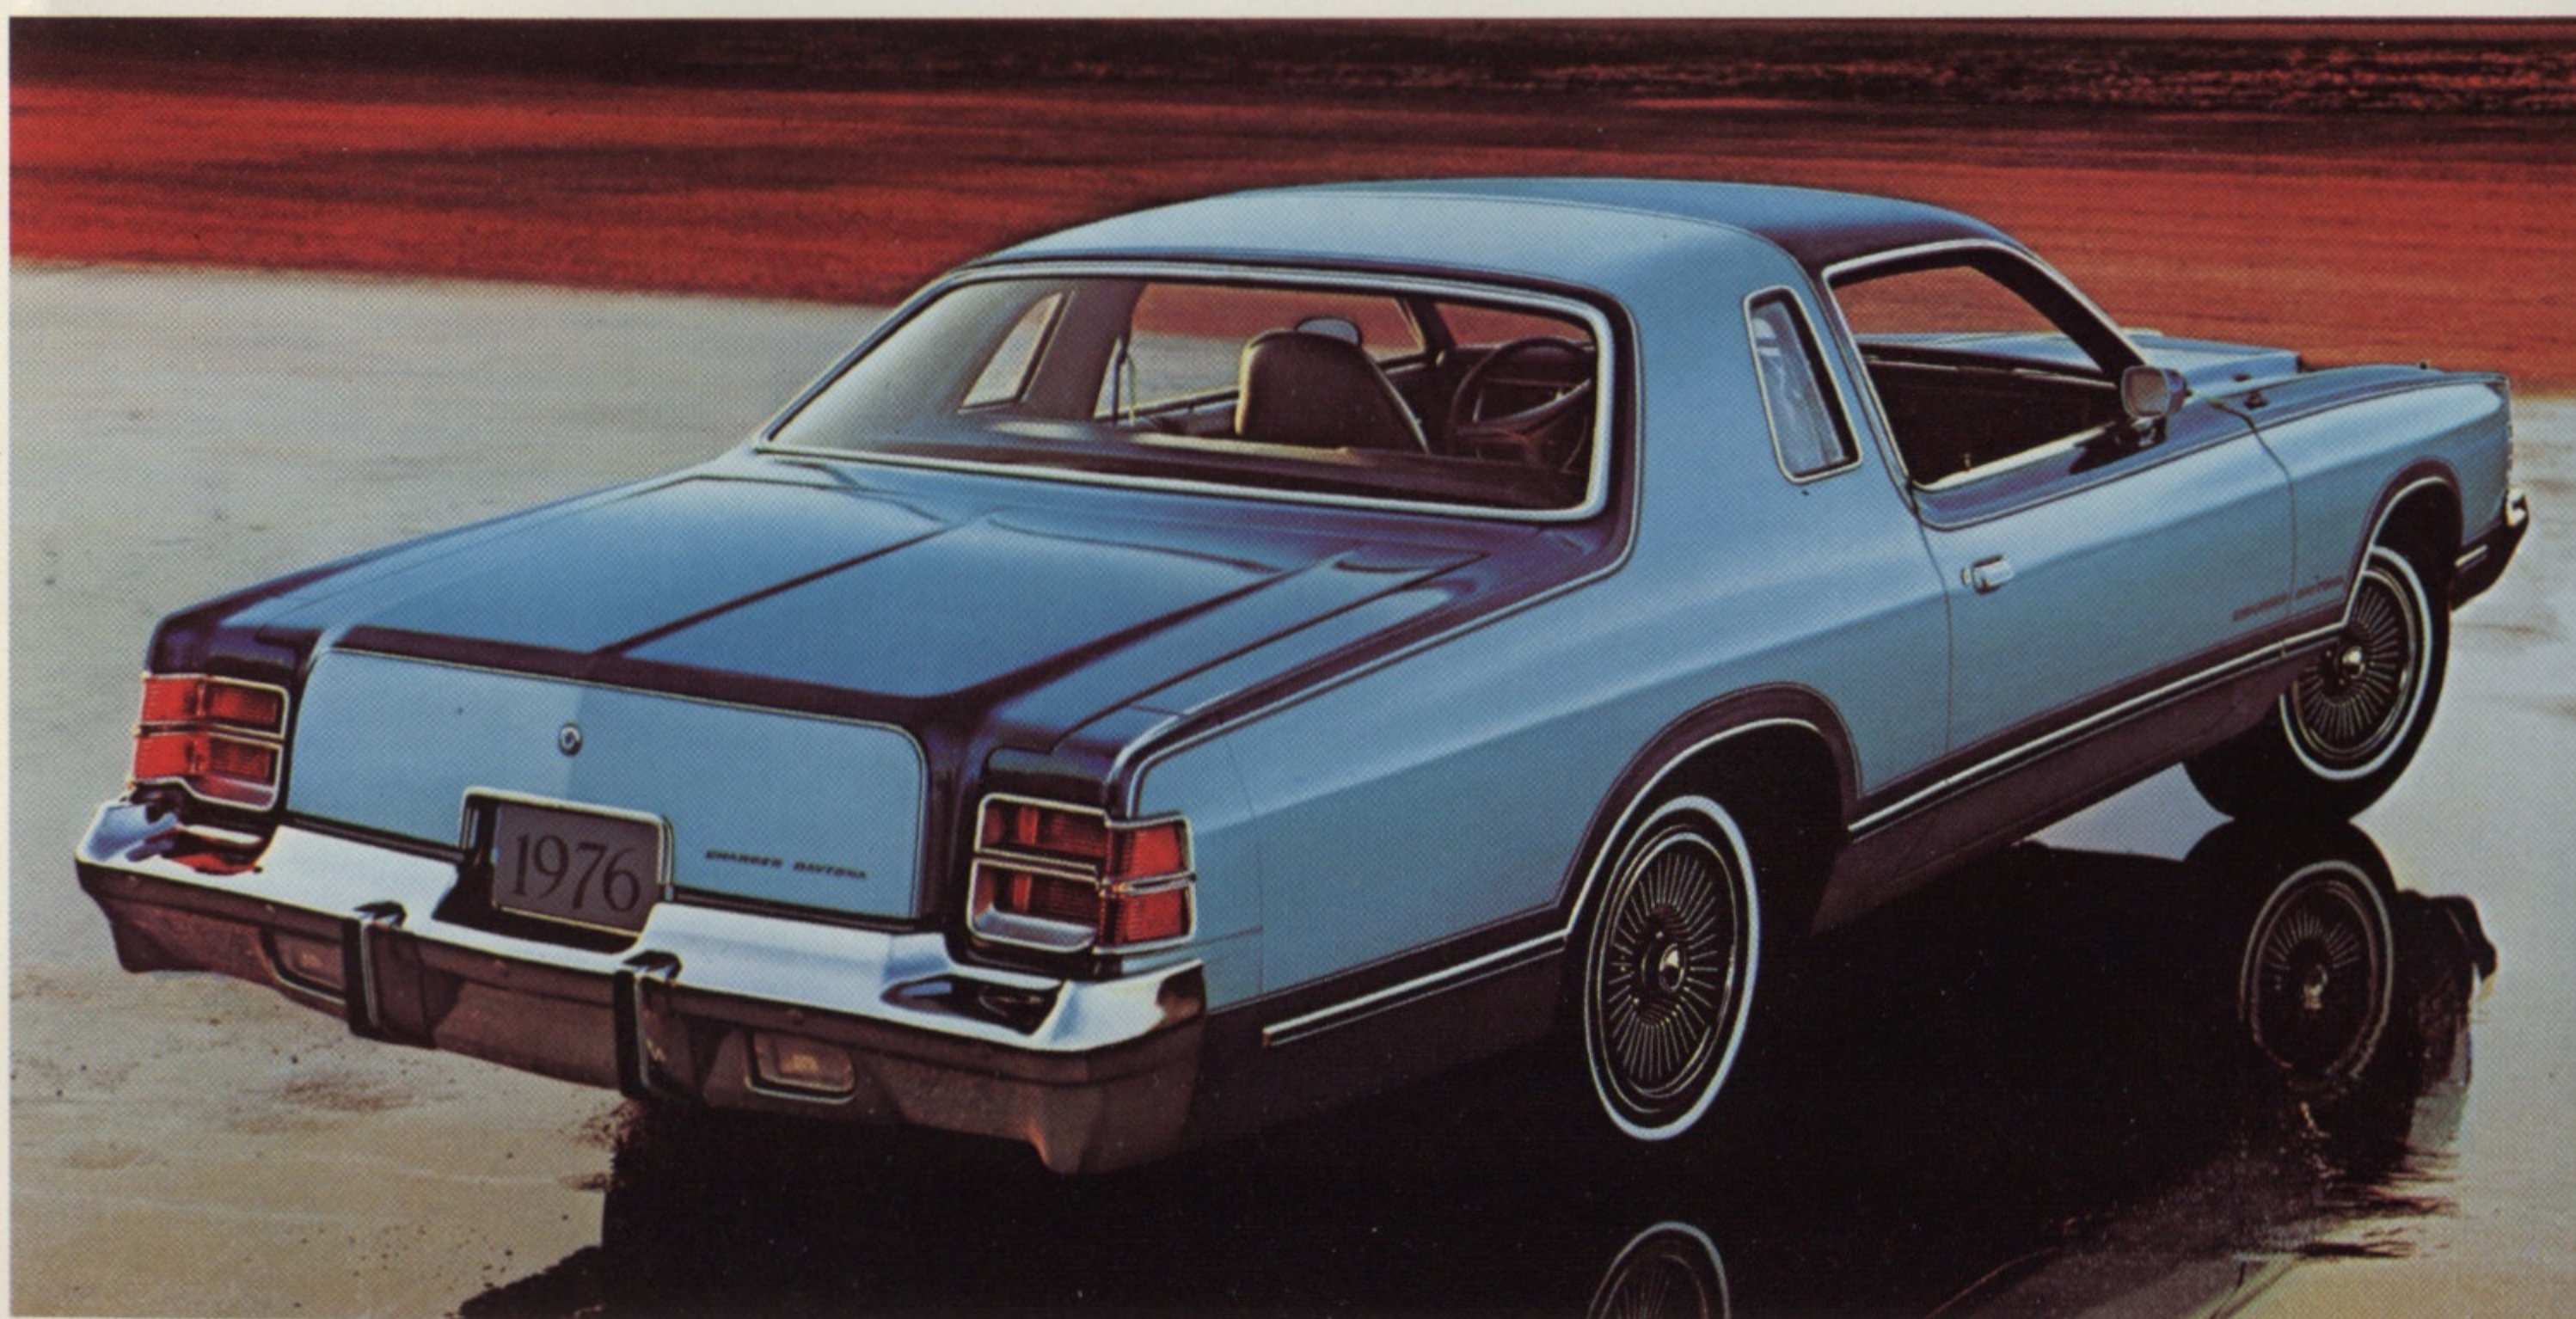

On looks alone Dodge Charger Special Edition has become one of the most popular personal luxury cars in Canada. Of course, there are some other very good reasons, too. Reasons like a comprehensive standard equipment list that leaves little to desire.

All vinyl bucket seats are standard, as is colour-keyed shag carpeting. The economical 318 CID V-8 engine, Torqueflite automatic, power steering, power front disc

brakes and space saver spare tire are also standard equipment, as is a special sound insulation package.

And of course you can tailor your Dodge Charger Special Edition to meet your own personal needs. An optional sun roof, velour upholstery with reclining 60/40 bench seat and tilt steering wheel are just a few of the luxury appointments available to you.

Dodge Charger Special Edition. Very special indeed!
