MARQUIS

FOR 1981 FROM MINISTRATION OF THE PROPERTY OF

ASUPERBRIDE... AND MORE.

Marquis is the most luxurious Mercury you can buy. It has long been known for its classic styling, six-passenger comfort, and superb ride. But the new Mercury Marquis for 1981 offers more. Much more.

Today, when North America needs high-quality, fuel-efficient cars, Mercury is working to meet that need. The 1981 Mercury Marquis has an Optional Automatic Overdrive Transmission that incorporates a fourth forward gear. When your car reaches cruising speed (about 64 k/ph), the transmission automatically moves into the overdrive mode for maximum efficiency. This advanced engineering feature is optional on every 1981 Marquis.

Marquis for '81 is available in both two-door and four-door models. It ranges from the most affordable Marquis Meteor to the handsome Marquis Brougham to the most elegant Grand Marquis. Three station wagon choices round out the Marquis line. Read on, and choose for yourself.

NOTE: Some items pictured in this catalog are optional. Please see pages 12 to 15 for specific information regarding standard and optional equipment.

Mercury Grand Marquis 4-door in Medium Fawn Metallic with Formal Coach Roof option.

The essence of elegance.

The 1981 Grand Marquis combines classic exterior styling with interior opulence... to create an aura of quiet dignity and well-being.

Inside, rich figured mahogany woodtone appliqués accent the instrument panel and luxury steering wheel, shown with optional "Tilt" feature and speed control. Twin Comfort Lounge seats with individual centre armrests are standard. These are independently movable front seats with a bench seat appearance when aligned evenly. Shown at right in luxury cloth, they are also available in soft, supple leather with vinyl trim. The rear seat is also spacious and luxurious. It features centre

armrest, convenient assist straps, and front seatback map pockets.

Power brakes, power steering, and power windows are just a few of the many standard features of Grand Marquis. Plus an AM/FM stereo radio. For richer, fuller sound reproduction, add the Premium Sound System option which includes six speakers and a power amplifier.

Outside, the clean, sculptured lines of Grand Marquis are accentuated by the distinctive optional Formal Coach Roof

(shown above) or the standard Coach

Roof (below). Both elegant

Mercury Grand Marquis 2-door in Dark Cordovan Metallic with vinyl Coach Roof.

MERCURY MARQUIS BROUGHAM Mercury Marguis Brougham 2-door in Dark Pine Met. w/White Coach Roof.

The feeling of comfort.

Marquis Brougham invites you to relax and experience its many comforts.

Standard Twin Comfort Lounge seats are available in luxury cloth (shown right) or optional vinyl. You may add six-way power with individual recliners for even more convenience. And, of course, either interior accommodates six passengers comfortably. Also standard are AM/FM stereo radio, power windows, analog clock, deluxe seat belts, warning chimes, full-length door armrests with woodtone appliqués, door assist straps, and plush carpeting on the floor and lower door panels.

Experience the superb Marquis ride. It results from a combination of luxury sound insulation, low profile radial tires, sturdy full-frame

body construction, and a suspension system designed to keep road noise and vibration to a minimum.

Note the distinctive Marquis Brougham exterior features: vinyl Coach Roof, Coach Lamps, deluxe wheel covers, hood accent stripes, left-hand remote-control mirror, and wide, bright lower bodyside mouldings.

Comfort. Engineering. Style. You'll find them all in Marquis Brougham

Mercury Marguis Brougham 4-door in Light Pewter Metallic with Black Coach Roof.

MERCURY MARQUIS

The standards of Marquis.

Every Marquis sedan comes with an impressive range of standard equipment such as AM radio; power brakes and steering; radial tires; electric rear window defroster; full wheel covers; and bright, white halogen sealed-beam headlamps. Stalk-mounted controls for windshield wipers, turn signals and horn. Dual pod instrument cluster with figured mahogany woodtone appliqués. And more.

Standard Marquis seating is a Flight Bench seat (shown right) in a new sew style with new cloth seat trim. Also available in vinyl. Marquis has plenty of room for six passengers—and their luggage. Its 634 litres (22.4 cu.ft.) trunk allows upright storage of items as large as suitcases.

as large as suitcases.

For 1981, Marquis offers many new options including nine new exterior paint colours, five new Tu-Tone combinations, and three new vinyl roof colours. New illuminated visor vanity mirrors. New door-mounted remote-control mirrors. And new punctureresistant, self-sealing radial tires. For a complete list of standard and optional equipment,

see pages 12-15. Mercury Marquis. It offers more.

MERCURY MARQUIS STATION WAGONS Mercury Marguis Colony Park wagon in Antique Cream.

The luxury of space.

Marquis incorporates the comfort and elegance of its sedans into the special conveniences of its station wagons: the handsome Marquis wagon and the distinctive Marquis Colony Park, both pictured on this page, and the Marquis Meteor wagon not shown.

Standard seating is a plush vinyl Flight Bench seat, or you may prefer the optional Duraweave vinyl Flight Bench seat. Both are shown on page 15. Another interior option, removable dual facing rear seats, can enhance the space and versatility of your wagon.

Marquis wagon's six-passenger roominess is impressive. And so is its cargo space: 2537 litres (89.6 cu. ft.) with rear seat down and 1489 litres (52.6 cu. ft.) with rear seat up. Special touches are a lockable stowage compartment and removable load floor carpet. A 5.0LVV (302 CID) V-8 engine with Automatic Transmission is also standard.

The Marquis Colony Park is the most luxurious Marquis wagon. Outside, it has rich-looking rosewood-tone appliqués on the bodyside and tailgate, with matching bright and woodgrain rails. It also features Coach Lamps, power windows, and an AM/FM stereo radio. For a full list of Colony Park equipment, see page 13. And for even more interior luxury in your Colony Park wagon,

consider ordering the Grand Marquis Decor option described on page 14.

In Marquis wagons, luxury and space go together. Beautifully.

Mercury Marquis wagon in Dark Cordovan Metallic.

OPTIONS

ILLUMINATED ENTRY SYSTEM. When you lift the door handle, a ring of light appears around the keyhole. And, at the same time, the interior lights go on. A great convenience feature.

RADIO. Electronic AM/FM Stereo Search radio with 8-Track Tape (shown above) is one of eight Marquis radio choices, including CB. Add optional Premium Sound System to any of the stereo radios for greatly improved sound quality. This System includes two additional door speakers, high-fidelity rear

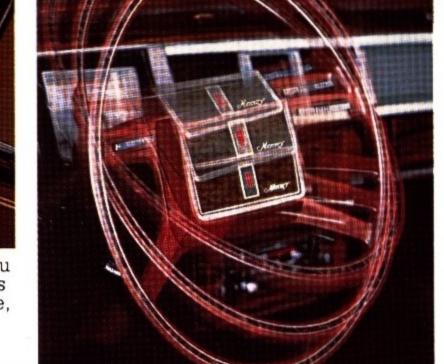

SPEED CONTROL to lessen

RESUME SET ACCEL COAST

fatigue on long trips.
Includes luxury steering

wheel and "resume"

speakers and power amplifier.

LUXURY STEERING WHEEL WITH "TILT" FEATURE. (left) Tilt steering wheel adjusts to five possible positions. Also tilts to allow easy entry and exit from the driver's seat.

AIR CONDITIONING is available with either manual or automatic temperature control.

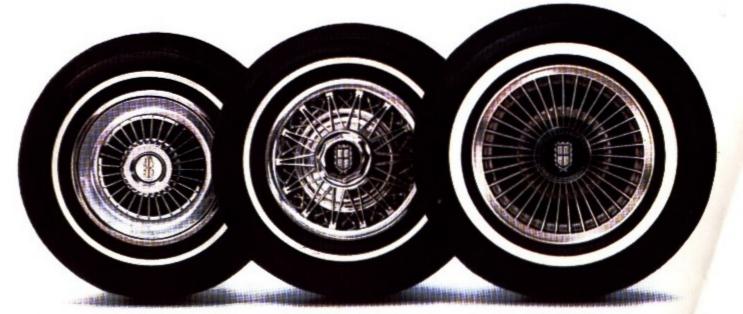

- POWER ANTENNA
- POWER DOOR LOCKS
- POWER SEATS
- POWER WINDOWS*

ELECTRIC DIGITAL CLOCK displays day/date/elapsed time.

*Standard on some models

WHEELS AND WHEEL COVERS. Dress up your car with (left to right) luxury wheel covers, wire wheel covers, turbine-spoke cast aluminum wheels.

THE FORD EXTENDED SERVICE PLAN

When you're choosing options for your Mercury Marquis, consider the merits of ordering the Ford Extended Service Plan. Your dealer has full details. It provides extended repair cost protection, as specified, for parts and labour, for repairs to major components of the mechanical and electrical systems. The plan is offered by Ford Motor Company of Canada, Limited, and is honoured by participating Ford and Mercury dealers throughout Canada and the United States.

QUALITY

Mercury Marquis comes equipped with factory engineered and approved parts, including a dependable Motorcraft battery, Motorcraft spark plugs, Motorcraft shock absorbers, ignition parts and Long Life oil filter. For continued performance be sure to specify genuine Motorcraft parts whenever replacement is necessary.

REPLACE-**MENT** PARTS FROM FORD. FOR SURE

This brochure has been prepared only as a general guide to the customer and every effort has been made to ensure that all information is correct at the time of printing. However, some errors may have been included and some of the information or specifications may have been changed since the time of printing. Your dealer will have full details of any changes and/or corrections and you should ask him to bring you up to date at the time of your purchase. Ford Motor Company of Canada, Limited reserves the right to change prices, colours, materials, specifications and models and to discontinue models without notice and without incurring obligations of any kind. Some features described or shown may be optional at extra cost. Some options are required in combination with other options.

CORROSION PROTECTION

All Marquis cars are protected with the DURAGUARD System, which includes 7 processes built in at the factory as standard equipment, to provide corrosion protection as follows:

- · precoated steel on doors, quarter panels and other selected areas;
- · galvanized steel on rocker panels, selected cowl tops and underbody parts;
- · vinyl sealer on the underside of rear wheelhouses;
- · phosphate coating on the entire car body after a super cleaning process:
- · electrocoat process to apply corrosion resistant primer paint, also on the entire body;
- · aluminized wax sprayed into hard-to-reach lower body areas. the inside surfaces of doors and quarter panels;
- · protective vinyl coating on the lower bodyside for resistance to stone chipping and road abrasion.

The DURAGUARD System is backed by a no-extra charge 36-month unlimited distance manufacturer's warranty against corrosion perforation. This warranty, transferable to succeeding owners during this warranty period, covers the cost of both labour and materials for repair of perforation of parts caused by corrosion. Exhaust system components are excluded. The basic 12-month/ 20,000 kilometre warranty covers corrosion, other than perforations, that are due to defective factory materials or workmanship. Ask your dealer for details.
