Grand Am Occupant Protection and
Crash Avoidance Features

To help contribute to driving safety, each of the following
features is included in the Grand Am line:

Occupant Protection

- ▶ Manual lap/shoulder safety belts for all outboard positions.
- ▶ Driver and right front passenger air bags.
- ▶ Manual lap safety belts, center seating positions.
- ▶ Automatic power door locks.
- ▶ Child comfort guides, rear outboard shoulder belts.
- ▶ Safety belt cinch capability for child seats.
- ▶ Power window lockout (Sedans).
- ▶ Breakaway inside rearview mirror.
- ▶ Child security door locks (Sedans).

A Note on Child Safety

Children generally are safer if they are secured
in a rear seat using the appropriate child safety
seats and restraints, which is why General Motors recom-
mends that child safety seats be properly secured
in a vehicle's rear seat. Never place a rear-facing infant
restraint in the front seat of any vehicle equipped with an
active air bag. See your vehicle Owner's Manual and child
safety seat instructions for more information. Pontiac
supports the National SAFE KIDS Campaign,* a grassroots
program dedicated to promoting child passenger safety.

Crash Avoidance

- ▶ Anti-lock braking system, four-wheel.
- ▶ Enhanced Traction System.
- ▶ Brake/transmission shift interlock.
- ▶ Automatic daytime running lamps.
- ▶ Automatic exterior lamp control.
- ▶ Available steering wheel radio controls.
- ▶ Door warning reflectors.
- ▶ Energy-absorbing front and rear bumper system.
- ▶ Fog lamps.
- ▶ Halogen headlamps.
- ▶ Tinted glass windshield.
- ▶ Windshield defroster, washer and multi-speed wipers.
- ▶ Outside rearview mirrors.
- ▶ Center high-mounted stop lamp.
- ▶ Tires with built-in tread wear indicators.

Security

- ▶ PASSLock theft-deterrent system.
- ▶ Visible vehicle identification number.
- ▶ Laser-etched VIN plate.
- ▶ Marked body parts.
- ▶ Maintenance-free battery with rundown protection.
- ▶ Available remote keyless entry system.
- ▶ Theft-deterrent key locking system.
- ▶ Remote inside hood release.
- ▶ Electric deck lid release.
- ▶ Illuminated entry with "theater" dimming.

And now, a word about...

This Catalog:

We've tried to make this catalog comprehensive and factual.
We must reserve the right, however, to make changes at
any time, without notice, in prices, colors, materials,
equipment, specifications, models and availability. Since
some information may have been updated since the time of
printing, please check with your Pontiac dealer for complete
details. Pontiac reserves the right to lengthen or shorten
the model year for any product for any reason, or to start
and end model years at different times.

Engines:

Grand Am models are equipped with engines produced by
different operating units of GM, its subsidiaries or suppliers
to GM worldwide.

Updated Service Information:

Pontiac regularly sends its dealers useful service bulletins
about Pontiac products. Pontiac monitors product
performance in this field. Then we prepare bulletins for
servicing our products better. Now you can get the bulletins
too. Ask your dealer. To obtain ordering information, call
toll-free 1-800-551-4123.

The Assembly of Grand Am:

Grand Ams and their components are assembled or
produced by different operating units of General Motors, its
subsidiaries or suppliers to GM worldwide. We sometimes
find it necessary to produce Grand Ams with different or
differently sourced components than originally scheduled.

Since some options may be unavailable when your vehicle is
assembled, we suggest you verify that your vehicle includes
the equipment you ordered, or if there are changes, that
they are acceptable to you.

Warranty Protection:

Grand Am's 3-year/36,000-mile (whichever comes first),
no-deductible bumper-to-bumper limited warranty covers
repairs, including labor and parts, to correct any defects in
material or workmanship occurring during the warranty
period. The complete vehicle is covered, except for
adjustments and normal maintenance.

Corrosion Protection:

Grand Am models are designed and built to resist
corrosion. All body sheet-metal components are warranted
against rust-through corrosion for 6 years or 100,000 miles,
whichever comes first. Application of additional rust-
inhibiting materials is not required under the corrosion
coverage and none is recommended. See your Pontiac
dealer for terms of these limited warranties.
