**Grand Prix Occupant Protection and  
Crash Avoidance Features**

To help contribute to driving safety, each of the following features is included in the Grand Prix line:

**Occupant Protection**

- ▶ Manual lap/shoulder safety belts for all outboard positions.
- ▶ Driver and front passenger air bags.
- ▶ Manual lap safety belts, center seating positions.
- ▶ Automatic power door locks.
- ▶ Illuminated entry.
- ▶ Energy-absorbing steering column.
- ▶ Energy-absorbing instrument panel.
- ▶ Folding front seatback locks, inertia type/manual, two-door models.
- ▶ Safety armrests.
- ▶ Breakaway inside rearview mirror.
- ▶ Security door locks and door retention components.
- ▶ Laminated windshield glass, urethane bonded.
- ▶ Head restraints, adjustable, front.
- ▶ Side door beams.
- ▶ Passenger-guard inside door lock handles.

**A Note on Child Safety**

 Children generally are safer if they are secured in a rear seat using the appropriate child safety seats and restraints, which is why General Motors recommends that child safety seats be properly secured in a vehicle's rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your vehicle Owner's Manual and child safety seat instructions for more information. Pontiac supports the National SAFE KIDS Campaign®, a grassroots program dedicated to promoting child passenger safety.

**Crash Avoidance**

- ▶ Anti-lock braking system, four-wheel.
- ▶ Enhanced Traction System.
- ▶ Brake/transmission shift interlock.
- ▶ Automatic daytime running lamps with automatic exterior lamp control.
- ▶ Side marker lamps.
- ▶ Parking lamps.
- ▶ Four-way hazard warning flashers.
- ▶ Backup lamps.
- ▶ Directional signal control.
- ▶ Windshield defroster, washer and multi-speed wipers.
- ▶ Inside day/night rearview mirror.
- ▶ Outside rearview mirrors.

- ▶ Center high-mounted stop lamp.
- ▶ Brake system with dual master cylinder plus warning light.
- ▶ Starter safety switch.
- ▶ Dual-action hood latch (front opening).
- ▶ Low-glare finish – inside windshield moldings, wiper arms and blades, metallic steering wheel surfaces, inside rearview mirror frame and bracket.
- ▶ Illuminated heater and defroster controls.
- ▶ Tires with built-in tread wear indicators.

**Theft Deterrence**

- ▶ Visible vehicle identification number.
- ▶ Laser-etched VIN plate.
- ▶ Marked body parts.
- ▶ Theft-deterrent steering column lock.
- ▶ PASS-Key III theft-deterrent key locking system.
- ▶ Remote inside hood release.

**And now, a word about...**

**This Catalog:**

We have tried to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Pontiac dealer for complete details. Pontiac reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

**Engines:**

Grand Prix models are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

**Updated Service Information:**

Pontiac regularly sends its dealers useful service bulletins about Pontiac products. Pontiac monitors product performance in this field. We then prepare bulletins for servicing our products better. Now you can get these bulletins too. Ask your dealer. To obtain ordering information, call toll-free 1-800-551-4123.

**The Assembly of Grand Prix:**

Grand Prix and its components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Grand Prixes with different or differently sourced components than originally scheduled.

Since some options may be unavailable when your vehicle is assembled, we suggest you verify that your vehicle includes the equipment you ordered or, if there are changes, that they are acceptable to you.

**Warranty Protection:**

Grand Prix's 3-year/36,000-mile (whichever comes first), no-deductible bumper-to-bumper limited warranty covers repairs, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle is covered, except for adjustments and normal maintenance.

**Corrosion Protection:**

Grand Prix is designed and built to resist corrosion. All body and sheet metal components are warranted against rust-through corrosion for 6 years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required under the corrosion coverage and none is recommended. See your Pontiac dealer for terms of these limited warranties.
