ALL ABOUT SUNFIRE

Pontiac backs every 2001 Sunfire with an extensive three-year/36,000-mile bumper-to-bumper limited warranty, free Courtesy Transportation and 24-hour Roadside Assistance that provides free lockout assistance, free dead-battery assistance, free out-of-fuel assistance, free flat-tire change and free towing for warranty repairs in an emergency. Roadside Assistance membership is free, however some services may incur costs.

For even more information on features, pricing and special promotions, go online to pontiac.com/sunfire or call 1-800-2PONTIAC.

SUNFIRE OCCUPANT PROTECTION AND CRASH AVOIDANCE FEATURES

This is the stuff we have to tell each and every person who's even thinking about buying or leasing a new Sunfire: "Drive safely." To help contribute to driving safety, each of the following features is included in the Sunfire line.

occupant protection

- [Manual lap/shoulder safety belts for all outboard positions
- [Driver and front passenger air bags
- [Manual lap safety belt, rear center seating position
- [Power window lockout (Sedans)
- [Safety belt cinch capability for child seats
- [Child comfort guides, rear outboard shoulder belts
- [Child security door locks (Sedans)
- [Security door locks and door retention components
- [Laminated windshield glass, urethane bonded
- [Side door beams

a note on child safety

Always use safety belts and proper child restraints, even in vehicles with air bags. Children are safer when properly secured in a rear seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See your vehicle Owner's Manual and child safety seat instructions for more safety information. Pontiac supports the National SAFE KIDS Campaign®, a grassroots program dedicated to reducing unintentional childhood injuries.

crash avoidance

- [Anti-lock braking system, four-wheel
- [Brake/transmission shift interlock on available automatic transmissions
- [Automatic daytime running lamps
- [Windshield defroster, washer and multi-speed wipers
- [Inside day/night rearview mirror

- [Outside rearview mirrors
- [Center high-mounted stop lamp
- [Tinted glass windshield
- [Side window defogger, front
- [Halogen headlamps
- [Tires with built-in tread wear indicators

security

- [Battery rundown protection
- [Laser-etched VIN plate
- [Theft-deterrent steering column lock
- [PASSLock personal security system
- [Remote inside hood release
- [Maintenance-free battery

(Whew...that's a long list.)

and now, a word (well, more than just one word) about...

...this catalog:

We've tried (really hard) to make this catalog comprehensive and factual. We reserve the right, however, to make changes at any time, without notice, in prices, colors, materials, equipment, specifications, models and availability. Since some information may have been updated since the time of printing, please check with your Pontiac dealer (who else?) for complete details. Pontiac reserves the right to lengthen or shorten the model year for any product for any reason, or to start and end model years at different times.

engines:

Sunfire models are equipped with engines produced by different operating units of GM, its subsidiaries or suppliers to GM worldwide.

updated service information:

Pontiac regularly sends its dealers useful service bulletins about Pontiac products. Pontiac monitors product performance in this field. We then prepare bulletins for servicing our products better. Now you can get these bulletins too. Ask your dealer. To get ordering information, call toll-free 1-800-551-4123.

the assembly of sunfire:

Sunfires and their components are assembled or produced by different operating units of General Motors, its subsidiaries or suppliers to GM worldwide. We sometimes find it necessary to produce Sunfires with different or differently sourced components than originally scheduled. Since some options may be unavailable when your vehicle is assembled, we suggest that you verify that your vehicle includes the equipment you ordered, or if there are changes, that they are acceptable to you.

warranty protection:

Sunfire's three-year/36,000-mile (whichever comes first) no-deductible bumper-to-bumper limited warranty covers repairs, including labor and parts, to correct any defects in material or workmanship occurring during the warranty period. The complete vehicle is covered except for adjustments and normal maintenance.

corrosion protection:

Sunfires are designed and built to resist corrosion. All body and sheet-metal components are warranted against rust-through corrosion for six years or 100,000 miles, whichever comes first. Application of additional rust-inhibiting materials is not required and none is recommended. See your Pontiac dealer for terms of these limited warranties.

Want more information? Call 1-800-2PONTIAC, or visit Sunfire on the Internet at pontiac.com/sunfire.
