# Nubira

2002

( Wheels for the Road Ahead )

In a word, yes. But it's more than a trip to the corner bistro for your morning latte. Beyond this week's dizzying schedule, there's a road ahead that leads to the real you, where you see yourself reflected in the places you go.

# Going places?

*So don't just stand there! Grab your bucket and shovel. Load the cooler and towels and get your wheels turning.*

**A sedan with the soul of a wagon**

The Nubira SE Sedan offers the same versatile 60/40-split fold-down rear seatbacks that are featured in the CDX Wagon—in an elegant 4-door package that moves adults in comfort and style.

- **Get on that road in the Nubira**, a sleek, versatile sedan or wagon that can handle the many facets of your day. Roomy enough for family and gear. Suave enough for a night on the town. Rugged enough to withstand the balancing act of your life.

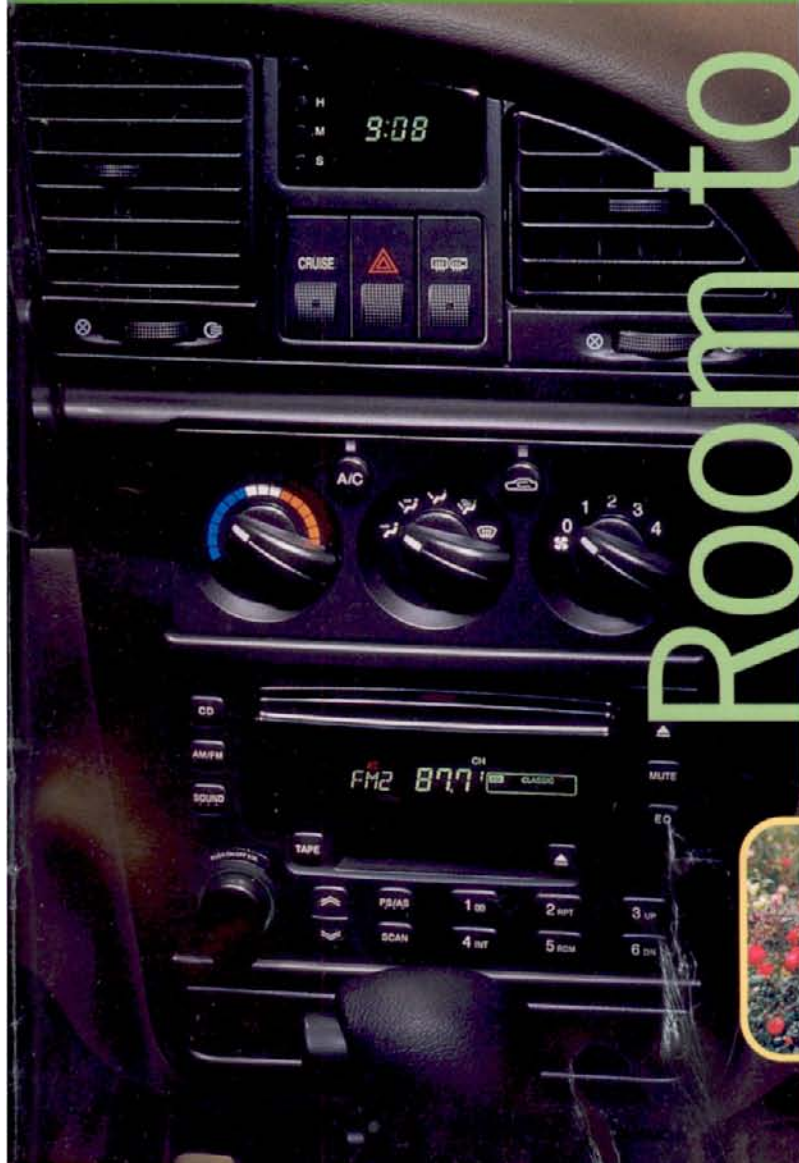

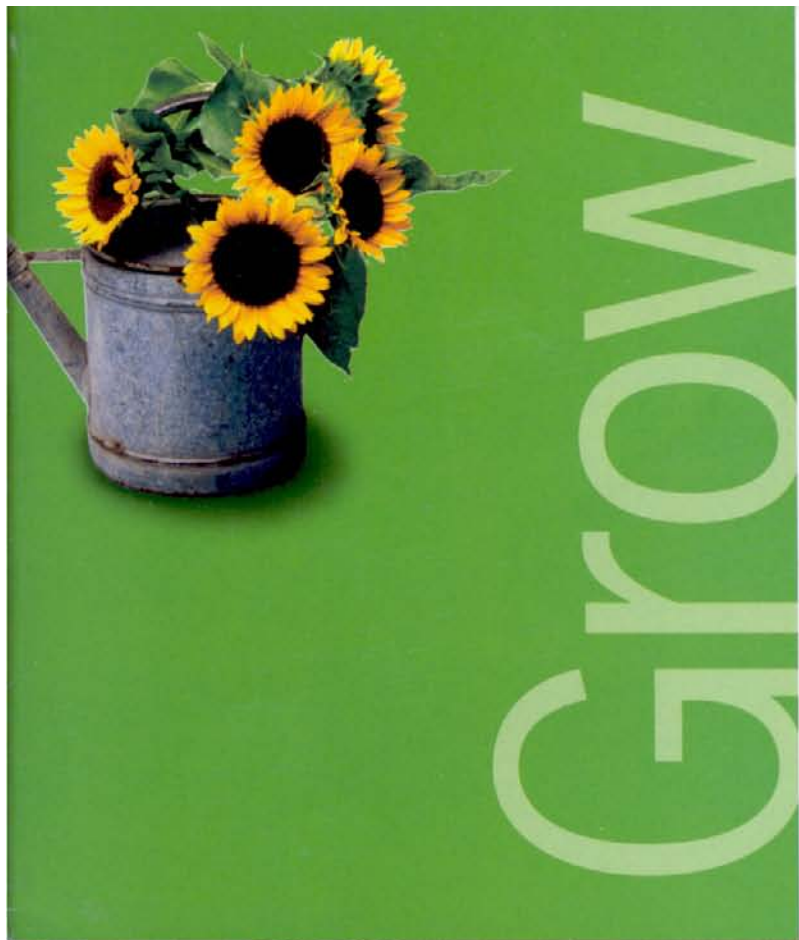

There's no better guide to good design than nature itself. So it's no wonder that Daewoo designers look to the world around us when creating their vehicles.

The result: Easy-to-read gauges tell you at a glance exactly what you need to know. Ergonomically designed controls are instinctive in their use. Smooth, organic shapes radiate calm, while contoured seats relax and comfort you.

**Now you see it.**

Dual cupholders pop out when you need them, disappear into the instrument panel when you don't.

► **Need a little extra cargo space?** Simply touch the button above the center rear seat, and fold down the left, right or both rear seatbacks. The thoughtful 60/40-split fold-down design expands the capacity of both the SE Sedan and CDX Wagon, making room for longer cargo. If only all of life could be this easy . . .

But of course, there's always room for improvement. You can add the **Convenience Package** to the SE Sedan for a cool breath of air conditioning, power windows and door locks, tilt steering, heated power outside rearview mirrors and a pair of door-mounted tweeters for improved high-end sound. Or to either the Sedan or Wagon, complete the effect with the **Premium Package**, which adds a 3-in-1 sound system, cruise control, and an anti-theft alarm system with remote keyless entry.

**Key-integrated remote controls.**

The Nubira's optional anti-theft alarm system is armed and disarmed using either the door-mounted buttons, the key, or the key-integrated remote—no cumbersome fob required. Available as part of the Premium Package.

**So go wild.**

Stock up on perennials. Purchase a young tree or two, plus a couple of bags of compost to make your garden grow. And while you're at it, spring for the rototiller you've always wanted. Load it up and take it all home today!

# everything in

- Hot on the trail of garage sale bargains? While we can't help you find what you're after, once you've scored, there's a good chance you can carry it all home in your Nubira CDX Wagon. Lower both of the rear seatbacks to make a flat-loading floor, for a maximum of 65 cubic feet of fully carpeted cargo space.\* Secure lighter items to the standard roof rack, integrated into the roof for a stable fit.

The Nubira CDX Wagon also comes standard with air conditioning, power windows and door locks, tilt steering, heated power outside rear view mirrors and a pair of door-mounted tweeters. The retractable cargo cover can hide your newfound treasures behind the rear seats.

\* Please secure all cargo safely to minimize the chance of damage or injury.

fit

You know it's out there.  
The priceless jewel hidden  
from the less discerning eye.

► **Clean and clear.** Touch the button on the instrument panel to activate the rear window wiper. A reservoir at the base of the wiper holds fluid to help rinse the window clean.

Specified Components:	7 years/70,000 miles

#### Roadside Assistance

If you have a flat tire, a dead battery or you've simply run out of gas, we'll be there with a jump, a tow, or enough fuel to get you on your way. Brought to you with a smile, courtesy of Daewoo, 24 hours a day, 7 days a week. Daewoo 24-hour Roadside/Priority Assistance is available to you for the entire term of your 3-year/36,000-mile new vehicle limited warranty. Services provided through Cross Country Motor Club, Inc.

#### Financing

Low APR financing may be available on some models, and periodical special programs run throughout the year. For details, see your Authorized Daewoo Dealer, call our Customer Service Center at 1-877-GO DAEWOO, or visit our Web site at [www.DaewooUS.com](http://www.DaewooUS.com).
