

Saturn ASTRA 3-Door XR in Twilight Blue shown with optional equipment.

## 2008 Saturn ASTRA™ Sport Compact

**Rethink Attitude.** What's wrong with having a little attitude? We think it's a good thing. That's why the ASTRA was designed with aggressive styling and dynamic handling. The way it hugs tight corners on a firm European-tuned suspension and responds when you step on the gas during a long straightaway is proof that this car was designed for performance. And there's not a single thing you can do about it.

Preproduction model shown. Actual production model may vary.

<sup>1</sup> Official EPA estimates not yet available. Estimates based on GM testing. <sup>2</sup> Cargo and load capacity limited by weight and distribution. <sup>3</sup> Requires available air conditioning. <sup>4</sup> Requires available Sport Handling Package. <sup>5</sup> Always use safety belts and the correct child restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active air bag. See the Owner's Manual and child safety seat instructions for more safety information. <sup>6</sup> Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for system limitations and details. <sup>7</sup> Requires available Premium Trim Package. <sup>8</sup> Summer-only tires tend to wear faster and are more susceptible to damage from road hazards or curb impact than standard profile tires. This type of damage is not covered by the GM New Vehicle Limited Warranty. You may want to get different tires if you expect to drive in winter conditions. See your retailer for proper tire selection. <sup>9</sup> Some accessories may not be available on all models. See retailer for details. <sup>10</sup> Available February 2008.
