¹ Side-impact crash test rating is for a model tested with standard head curtain side air bags (SABs). Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). ² Cargo and load capacity limited by weight and distribution. ³ Maximum trailer weight ratings are calculated assuming a base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers and cargo will reduce the maximum trailer weight your vehicle can tow. See your Saturn retailer for additional details. ⁴ Always use safety belts and the correct restraint for your child's age and size. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with a passenger air bag. See the Owner's Manual and child safety seat instructions for more safety information. ⁵ Call 1-888-4ONSTAR (1-888-466-7827) or visit onstar.com for details and system limitations. ⁶ Go to gm.com/bluetooth to find out which Bluetooth phones are compatible with the vehicle. ⁷ Available Preferred Package includes floor mats and Flex Net Rear Cargo Organizing System on XE models. ⁸ Requires available Preferred Package. ⁹ RDS functions only where stations broadcast RDS information. ¹⁰ Map coverage not available in Puerto Rico, the Virgin Islands and portions of Canada. ¹¹ Requires available Saturn Advanced Audio System. ¹² XM Radio requires a subscription, sold separately after the first 90 days. Not available in Alaska or Hawaii. For more information, visit gm.xmradio.com. ¹³ Some accessories may not be available on all models. See retailer for details.

Rethink expectations. The VUE Hybrid.

The VUE Hybrid offers the highest highway fuel economy of any compact crossover¹ and a 5-star crash safety rating². This unique hybrid system mates an electric motor/generator to the 172-hp 2.4 Liter four-cylinder engine with a modified automatic transmission. The VUE Hybrid has low-rolling-resistance tires, a rear spoiler and a ride height lowered by one inch. It's hybrid technology without sacrificing style, safety or dynamic performance.

EPA estimated **32** MPG highway³

Saturn VUE Hybrid in Quicksilver.

Rethink.
