Paint Protection Film

Like a clear suit of armor, Genuine Toyota paint protection film¹ helps guard your vehicle from road debris that can chip and scratch the finish. Manufactured from durable, nearly invisible urethane film layers which contain UV protectants to help resist yellowing, the film is designed to help protect portions of the front of the vehicle.

- Paint protection film is available for select areas of the hood/fenders, and front bumper (each set sold separately)

Mudguards

Help protect your paint finish from road debris and the damage it causes.

- Blend seamlessly with exterior styling
- Set includes four mudguards

Body Side Moldings

Help protect against careless door swings, runaway shopping carts and other parking lot mishaps. Streamlined to complement Corolla iM's styling. Exactly matched to the exterior paint finish. Compression-fitted to door edge contours.

Lower Body Graphic

Add some personality and style to your iM with precision-cut graphics. Dynamic, horizontal lower body graphic adds a unique look. Extends along the lower rocker molding from the front door to the rear of the vehicle.
