

TUNDRA

2018 ACCESSORIES

TOYOTA

**Let's
Go
Places**

Before towing, confirm that your vehicle and trailer are compatible and properly hooked up and loaded, and that you have any necessary additional equipment. Do not exceed any Weight Rating and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of your cargo, occupants and available equipment.

EROSYON

Tailgate Insert Badge

Details set you apart from the crowd. These inserts emphasize the Tundra stamp in the tailgate so all the world can take note.

- Attached with strong 3M adhesive backing
- Two colors available: bright chrome and flat black

Bed Extender

Expand your truck's utility even further with the bed extender ; increases bed length by two feet with the tailgate down, or helps contain smaller items with the tailgate up.

- Powder coat finish enhances appearance and durability
- Taillights remain visible when in use, in compliance with DOT lighting requirements
- Bed extender cannot be removed when tailgate is up and locked
- Angle-release mounting brackets enable easy installation or removal
- Adjustable strap latches ensure the bed extender is secured to the tailgate when down

Skid Resistor™ Bedliner

Defend your Tundra's bed from damage incurred by shifting loads with a Skid Resistor™ Bedliner . Made of thick-ribbed, high-density polyethylene, it can withstand a whole lot of abuse, including chemicals and corrosives.

- Premium high-gloss black finish
- Ribbed I-beam floor construction provides superior impact resistance
- Smooth tailgate facilitates easier loading and unloading
- Features a no-drill, no-scuff installation

Spray-On Bedliner

Get the spray-on bedliner that's as tough and durable as your Tundra. Protect your bed from damage with this permanently bonded fixture.

- Toyota quality standards assure uniform thickness and a consistent texture
- Textured surface is designed to prevent cargo from sliding
- No lost cargo space, minimal added weight
- Features a Tundra logo
- Proprietary application method helps to create a straight and crisp edge
- Fully warranted; repairs completed quickly and easily at a Toyota dealership

Bed Mat

Minimize damage to your truck bed and cargo with this heavyweight bed mat. It's made from a high strength, cord-enhanced rubber compound that can withstand abuse without fading, rusting, cracking, or breaking .

- Pebble finish minimizes shifting of cargo
- Raised angled ribs ease cargo loading/unloading
- Knobby underside promotes aeration and drainage that keeps the truck bed dry to help prevent rust and mildew

Bed Lighting Kit

Some of the best spots are lit only by moonlight, but there may be places where a little help is needed when unloading cargo at night. Make the job go easier with the bed lighting kit so you can get back to enjoying the nighttime sky.

- High-performance LED truck bed lighting helps improve cargo management at night or in dark locations
- Two separate light assemblies each including six LEDs—on the inside bed walls and near the rear of the cargo area—provide excellent light distribution while loading and unloading
- Precise placement angles lights toward important cargo locations
- Constructed of high-quality, durable materials

Available January 2018

BedStep®

Get a leg up when loading or unloading the cargo in your truck's bed with a BedStep. It bolts on with no drilling required, and tucks neatly under the rear bumper when not in use.

- Works with tailgate up or down
- Hands-free operation; adjusts easily
- Lightweight, high-strength aluminum die-cast construction features a reinforced nylon step pad with ribbed, nonskid stepping surface
- 300-lb. load capacity
- Weather-resistant black anodized and Teflon® powder-coat finish for long-term durability
- Leaves hitch receiver free for towing

Tonneau Cover

Even the toughest of gear needs a bit of care and protection. Defend your valuables against the elements with the hard, tri-fold, tonneau cover . The low-profile, tri-fold design lets you use it when you need it, and easily store it when you don't.

- Self-latching system allows for easy cover operation and removal
- Helps keep water out of the bed with its advanced seal and channel system with drain hoses at the cab end
- Innovative mounting system allowing for full access to bed rails

Cargo Divider

Keep precious cargo and bulky items from rolling around in your truck bed with this customizable cargo divider .

- Slides along the Tundra's deck rail system to create the space to fit your needs
- Rotates for various configurations including lying flat above cargo
- Made of lightweight, corrosion-resistant, black powder coated aluminum

Cargo Net-Exterior

Don't sweat the small stuff—at least don't let it slide around and get lost or damaged. The envelope-style cargo net is up to the job.

- Elastic mesh netting is durable and stain resistant
- Easy to install and attaches to defined points in the truck bed
- Folds flat for storage when not in use
- Deck Rail System not required

Deck Rail System

The deck rail system works with tie-down cleats and a cargo divider, so you can secure almost anything you need for work or play.

- Galvanized steel construction for superior strength
- Black powder coat ensures excellent corrosion resistance
- Includes four tie-down bed cleats made of sturdy die-cast aluminum, accommodating a maximum load of 880 lb. (220 lb. each)
- Includes locators for bed cleats every four inches
- Mini tie-downs sold separately

Locking Fork Bike Rack

Go hiking with no worries, knowing that your bike is secured in a bike rack that locks down the front forks.

- Custom-designed for the Tundra's deck rail system
- Bike can be positioned along the front bed rail
- Virtually effortless mounting: simply remove the front wheel, position the forks into the skewer, and lock

Cast Aluminum Running Boards

Step up and step in. These sturdy running boards give you easier access to the vehicle .

- Durable aluminum construction with slip-resistant coating
- Sleek design enhances the contours of the vehicle

Brushed Stainless Steel Stepboards

Step into your cab with style and ease when you install these stepboards, composed of corrosion resistant, high-quality stainless steel. They also help reduce dirt and stone chipping of the door and body.

- Features two heavy duty injection-molded step pads providing a skid-resistant tread surface at each door
- 25% lighter than conventional closed-section running boards, while meeting or exceeding load requirements
- Injection-molded end caps help reduce wind noise and offer a more finished appearance

Tube Steps

Whether or not your truck is lifted, tube steps ease entry into the cab while complementing the Tundra's good looks.

- Skid-resistant heavy-duty step pads help to channel water off the steps
- Durable, lightweight aluminum construction is chip and rust-resistant; choose between chrome-plated or a black powder coat finish
- Simple, no-drill installation

Predator Tube Steps

Step up, step in. Tube steps ease entry into your Tundra's cab while complementing its good looks.

- Constructed of 6061 aluminum, with a black powder coating
- Durable, aluminum construction is chip and rust resistant

Fog Lights

Scoff and drive on, comforted in the knowledge that your truck is mounted with wide-angle, high intensity fog lights to help you see the edges of the road in extreme fog, heavy rain, or snow.

- Corrosion- and shock-resistant
- Seamless integration of fog lamps into bumper
- Designed to complement the exterior lines of the Tundra
- Available in black or chrome

Black

Chrome

Door Edge Guards

Sometimes the toughest environment is the local parking lot. Adding door edge guards helps protect your front door edges from nicks and dings.

- Formed from stainless steel, then coated with color-matched thermoplastic
- Tested for temperature, weather and impact to resist cracking, fading and peeling
- Compressed-fit with no need for adhesives or mechanical fasteners

Tie-Down Cleats

Secure the cargo in your truck bed by tying it down with sturdy and fully adjustable tie-down cleats .

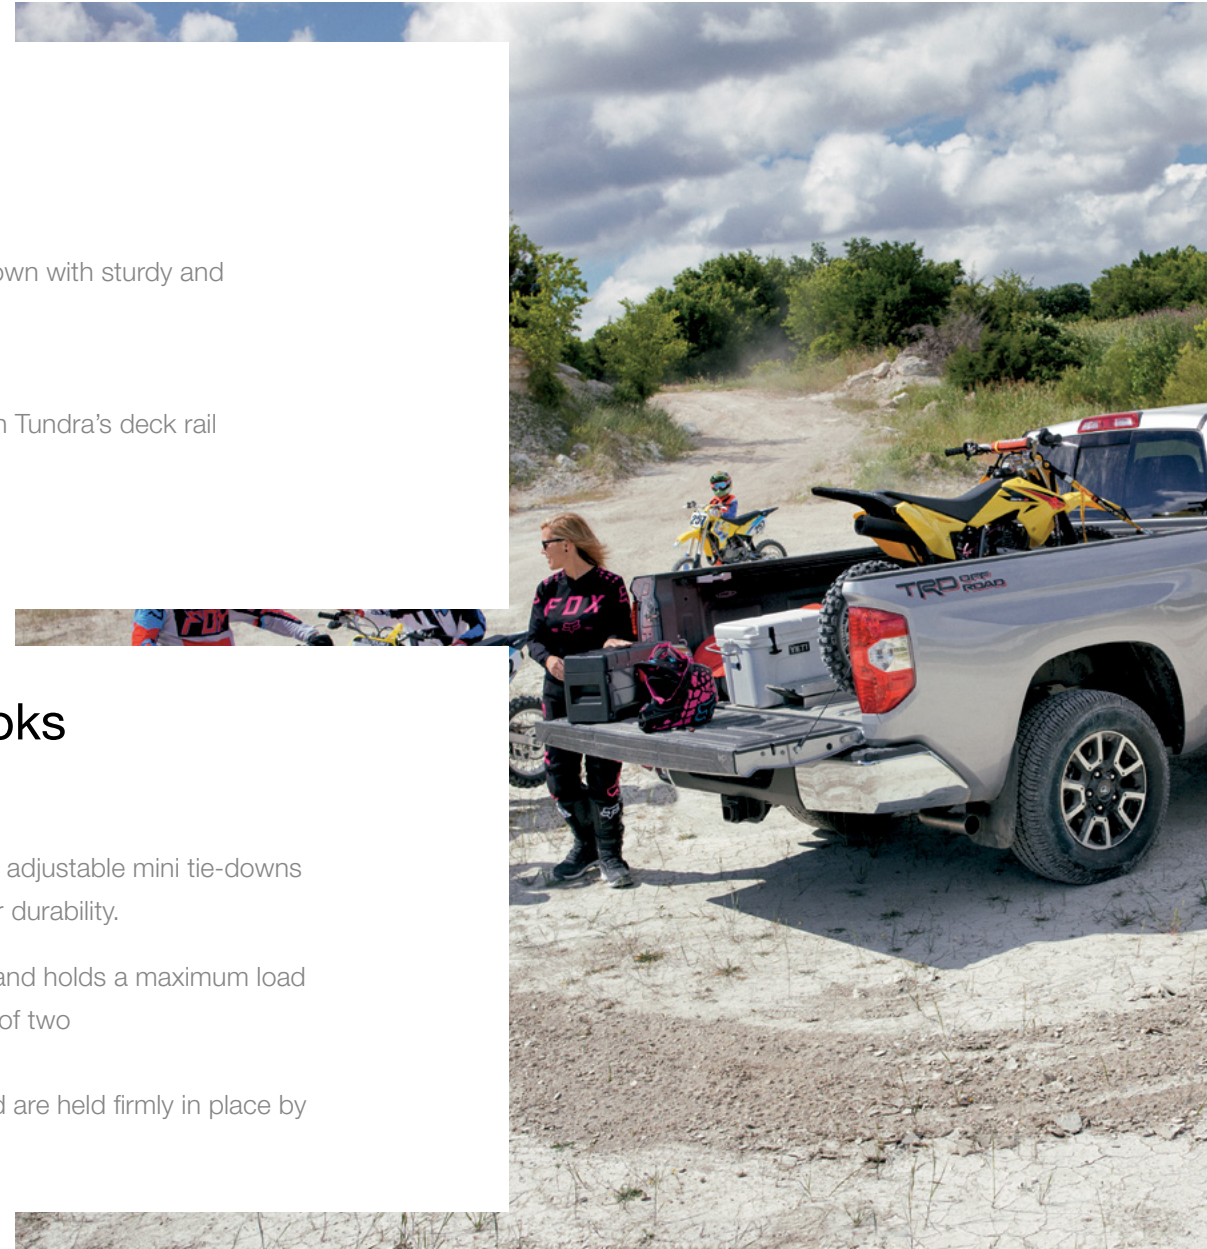

- Composed of strong, die-cast aluminum
- Uses a steel locking plate to slide cleats down Tundra's deck rail system for a tight and secure hold
- Holds a maximum of 220 lbs.

Mini Tie-Downs with Hooks

Organize and secure your equipment with these adjustable mini tie-downs with hooks , composed of sturdy black nylon for durability.

- Each mini tie-down measures 2-by-1 inches and holds a maximum load of 110 lb. each – a total of 220 lb. for the set of two
- Hooks are rated up to 50 lb.
- Tie-downs slide along the bed rail system and are held firmly in place by an inner tension spring

Deck Rail Camera Mount

Pics or it didn't happen. Thanks to the camera mount specifically designed to securely attach your GoPro® to the truck bed, you can easily document all of the adventures with your Tundra .

- Attaches to the factory deck rail
- Made from anodized cast aluminum
- Attachment hardware included, no tools required
- Includes two tethers which attach to the mount and the camera case for added security

Exhaust Tip

Finish off the Tundra's bold style with these shiny exhaust tips.

- Constructed of polished, corrosion-resistant double-walled 304 stainless steel
- Easy bolt-on installation; no cutting, drilling, or welding

Ball Mount

No matter the destination, bring your toys along with the Genuine Toyota ball mount .

- Ball placement provides precise drop/rise to maintain vehicle departure angle
- Black powder coat finish provides protection against UV rays
- Lab and on-road testing ensures the quality of the tow hitch system
- Trailer ball sold separately

Trailer Ball

Crafted of cold-forged steel for superior strength, the trailer ball is designed to work with your Tundra's tow hitch ball mount.

- Available in 2 5/16-in. or 2-in. ball diameters
- Helps complete the connection between the vehicle's tow hitch receiver and trailer
- Includes built-in wrench flats for ease of installation and torquing
- Ball mount sold separately

Spare Tire Lock

Add an extra layer of security for your spare tire with this precision-machined spare tire lock.

- Made from zinc-nickel plated hardened steel for enduring structural integrity

Alloy Wheel Locks

Keep your wheels and tires right where they belong. These durable wheel locks look great as they help protect against theft.

- Triple nickel chrome plating helps ensure superior corrosion protection and enduring shine
- Special key tool and collar guide enable simple, five-minute installation
- Resistant to lock-removal tools; operated by a single unique key

Paint Protection Film

Like a clear suit of armor, Genuine Toyota paint protection film helps guard your vehicle from road debris that can chip and scratch the finish. Manufactured from durable, nearly invisible urethane film layers, which contain UV protectants to help resist yellowing, the film is designed for specific sections of the vehicle prone to chipping.

- Paint protection film is available in kits for select portions of the hood/fenders, and for the front bumper (each sold separately)
- Urethane material provides protection and resists discoloration
- Features multiple layers for strength and durability

Door Sill Protectors

Door sill protectors welcome you every time you step into the cabin while keeping sills scuff-free.

- Skid-resistant surface with the “Tundra” logo molded into the sill

All-Weather Floor Liners

Your Tundra has never been afraid of a little dirt. And now you can really go all out while still keeping the interior like new. Contain the mess with the Genuine Toyota All-Weather Floor Liners ; they're precisely engineered to fit your footwell so your carpet stays protected, no matter what's on your boots.

- “Tub Style” perimeter design provides an ideal fit to help keep liner from shifting
- Protects the original floor carpet from soiling due to dirt, mud, sand, and snow
- Constructed from a durable, lightweight, and completely recyclable TPE material that is easily cleaned with soap and water
- Front mats feature a custom-molded logo that provides a distinctive look

Carpet Floor Mats

Help keep your original carpet clean and neat with these durable, fade-resistant carpet floor mats .

- Made to precisely fit the Tundra floor and match the cabin carpeting for custom detail.
- Nibbed backing and quarter turn fasteners (on the driver's side) help keep mats securely in position.
- Removable and easy to clean

Cargo Tote

Moving vehicles and grocery bags don't always play nice with each other. Keep bags upright and in place with a cargo tote .

- Features carrying handles and removable divider panels
- Soft-sided tote folds flat when not in use and pops up when needed
- Tough outer fabric is durable and water resistant

Under Seat Storage

The Tundra is designed to haul big loads, but sometimes you need to take extra care of small items that can't ride loose in the bed. This covered storage compartment tucks neatly under the rear seats and secures your things, while keeping them safe from prying eyes.

- Designed exclusively for the Tundra Double Cab
- Easily accessed by lifting the rear bench seat
- Lid helps to protect items over bumps
- Molded from durable black ABS plastic

Center Console Tray

A Tundra's cabin can be as useful as its bed with the addition of a custom-designed center console tray. With compartments for phones, tablets, and other objects, everything can be organized and conveniently within reach.

- Neoprene backing prevents tray from sliding around
- Easy slide access to power cords
- Railings to accommodate letter-size hanging file folders

Coin Holder / Ashtray Cup

Keep ashes where they belong. Or, if you don't smoke, works great for loose change and other small items.

- Easily removable ashtray features a UV-protected cup and hinged lid; fits snugly inside vehicle cupholder
- Easy to empty and clean

Glass Breakage Sensor

Enhance the coverage of your security system with the glass breakage sensor that activates the alarm if the glass is broken.

- Glass breakage sensor (GBS) includes a highly sensitive microphone that detects the sound frequency of an object striking on glass or glass breakage
- Warn-away alarm is triggered if an object strikes a window
- Designed to integrate with the keyless entry system—no need for an additional remote

Security System

When it comes to peace of mind, the security system is the ideal addition.

- Integrates with the keyless entry system—no need for an additional remote
- Automatic rearming, door-ajar warning, interior light activation, panic alarm, rolling code technology and disabling of the starter
- Includes glass breakage sensor (GBS) with a highly sensitive microphone that detects the sound frequency of an object striking on glass or glass breakage
- Alarm activates when someone tries to force open a door or glass is broken

Universal Tablet Holder

Help keep passengers entertained with this high quality, universal tablet holder . Compatible with virtually all multimedia devices, it securely holds your tablet, phone, music, or video player.

- Installs and removes in seconds – no tools required
- Durable material with spring loaded arms
- Adjustable pivot/tilt for ultimate viewing experience

First Aid Kit

This compact kit will come in handy to address minor scrapes and scratches, to help you get patched up and on your way. The soft-sided, water-resistant, flame-retardant black PVC zipper case contains:

- Insect-sting relief pads
- Self-adhesive bandages
- Rolled stretch bandage with metal clips
- Two multi-use, waterproof, heat-reflective survival blankets
- Stainless steel scissors capable of cutting through seatbelt strapping

Emergency Assistance Kit

Be prepared for minor emergencies and repairs with the multi-functional emergency assistance kit. The two-tone color, (gray and black), triangle-shaped zipper bag features outer storage pockets and reflective emergency indicators on the kit surface. Contents include:

- Versatile, stainless steel pocket tool with multiple functions including: pliers, wire cutter, two screw drivers
- Heat-reflective emergency blanket
- Flashlight
- Work gloves with textured palm area to optimize grip
- Automotive-grade hose tape
- Booster/jumper cables with multi-lingual instructions
- Tire gauge
- Bungee cord
- Shop towel
- Tether strap

TUNDRA

TRD

2018 ACCESSORIES

TRD Performance Shocks

Improve the on-road driving experience of your Tundra with TRD Performance Shocks. Get less lean during maneuvering and a well-managed ride.

- Includes front and rear TRD tuned shock absorbers
- On-road racing inspired TRD Performance shock absorbers were specifically designed to increase the on-road driving experience focusing on ride, handling, and steering response.
- Enhances steering response and body control
- Reduces vehicle roll, braking dive, and take off acceleration squat
- Compatible with 2WD and 4WD Tundras

TRD Performance Air Filters

You multitask; make sure your parts do too. The TRD air filter helps protect and maintain the life of your engine with enhanced airflow.

- Unique, oiled four-ply cotton gauze in polyurethane body
- Enclosed in durable epoxy coated mesh and an elastomeric seal for a precise, leak-free fit
- Allows the maximum amount of air into the engine with the minimal amount of resistance
- Washable and reusable—regular cleaning and re-oiling ensures free airflow and top performance
- Designed to last the lifetime of the vehicle
- Pre-oiled and ready to install, offers exact drop-in replacement for stock air filter

TRD Rear Sway Bar

Enhanced control, less drama. Rear sway bars give your Tundra flatter cornering and less under steer during maneuvering, helping to deliver greater handling overall.

- Helps preserve the secure handling of the original steering and suspension system
- High-quality spring steel helps ensure strength, stiffness, and durability
- Durable, gloss red powder coat finish resists corrosion and helps protect against damage
- Simple, bolt-on installation, with no modifications required: all hardware included

TRD Oil Cap

Replace the stock oil cap and flaunt the legendary Toyota Racing Development logo with this highly polished, forged billet aluminum TRD Oil Cap.

- High-luster coating ensures long-term appearance
- Maintains high factory quality standards for performance and strength

TRD Radiator Cap

Enhance performance in high-rpm or high-load conditions with the TRD radiator cap.

- Releases at higher cooling system pressures than factory caps, raising the coolant boiling point to protect the engine

TRD Performance Brake Pads

Whether you're boulder bashing or stuck in traffic, you quickly realize the left pedal is just as crucial as the right. The enhanced stopping power from TRD brake pads decreases stopping distance.

- Aramid- and ceramic-strengthened compound helps deliver an optimum combination of cold and hot friction with minimal brake noise
- Reduces fade during repeated stops or extended downhill driving
- Direct replacement for stock pads
- For street and off-road use (not intended for open track sessions)

TRD Performance Oil Filters

Keep your oil pure as long as possible and help enhance the life of your engine with the TRD Oil Filter that keeps out impurities through a 100% synthetic fiber filtration medium.

- Zinc-plated steel end caps help increase structural integrity
- Red silicone gaskets help provide excellent seal characteristics at high temperatures
- Kit includes two replacement high-temperature Viton housing gaskets and drain adapter

TRD Performance Dual Exhaust System

Hear your engine roar with style. The TRD exhaust gives your engine greater power, while bellowing out a deep, throaty tone.

- Made from premium stainless steel and features a cat-back exhaust design with dual TRD logo etched on polished tips
- Engineered for a less restrictive path, to help reduce backpressure for added low-to mid-range torque, along with improved horsepower
- Produces a deep, throaty, award-winning exhaust note while meeting the legal 95-decibel noise limit, as required by law

TRD Front Skid Plate

Help keep the underbelly of your Tundra safe from vengeful boulders with the TRD skid plate.

- Enhances Tundra's tough, capable stance
- Helps protect vehicle underbody from damage that can result from flying stones, branches, ice chunks, and other types of road debris
- Made from stamped and formed 1/4-in. thick silver powder coated aluminum
- Skid plate won't interfere with or block the cooling system, while providing cut outs for unobstructed access to all maintenance points and vehicle tow hooks
- Rigorous computer-aided design (CAD) simulations conducted by Toyota engineers, in addition to real world testing, help to maximize protection and prevent vibration, stress, and noise issues
- Easy, no-drill installation uses vehicle's existing attachment mounts

TRD Shift Knob

Enhance your connection to your Tundra every time you shift with the TRD shift knob.

- Simple remove and replace installation with no drilling or special tools required

ALWAYS GO WITH GENUINE TOYOTA ACCESSORIES

When it comes time to make your Toyota your own, remember only Genuine Toyota Accessories are designed, tested, and approved specifically for your Toyota vehicle. Plus, when you purchase them at the same time as your new vehicle, Genuine Toyota Accessories are backed by Toyota's 3-year / 36,000-mile New Vehicle Limited Warranty, valid at any Toyota dealership nationwide. To learn more about Genuine Toyota Accessories and to see how they'll look on your Tundra with our comprehensive Build Your Toyota feature, please visit toyota.com or to find your local Toyota dealer, please visit toyota.com/dealer.

This brochure is based upon information available at time of publishing, is subject to change without notice, is for mainland U.S.A. vehicles and may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions.

DISCLOSURES

1. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb.

2. Payload includes the weight of occupants, cargo, and options limited by weight distribution. Always properly secure all items.

3. The tonneau cover is weather-resistant, but not weather-proof.

4. Requires Deck Rail System.

5. This part is for Double Cab models only.

6. GoPro® camera accessory not included with purchase. GOPRO, HERO, The GOPRO Logo, and the GoPro be a Hero logo are trademarks or registered trademarks of GoPro Inc.
7. Before towing, confirm your vehicle and trailer are compatible, hooked up, loaded properly, and you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on the total weight of any cargo, occupants, and available equipment.

8. The Toyota Genuine Accessory Warranty will only apply when the installation is performed by a trained Toyota-approved installer. Please see dealer for details.

9. This floor mat/liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat/liner on top of an existing floor mat.
10. Cargo and load capacity are limited by weight and distribution. Always properly secure cargo and cargo area.

11. Available only for vehicles equipped with factory security system.

12. Available only for vehicles equipped with factory remote keyless entry and Smart Key.

13. Universal Tablet Holder intended for passengers only. Drivers should always be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times.
