ABOUT TOYOTA

World-Class Quality

Since the company’s founding over 75 years ago, Toyota has always gone the extra mile to do things differently – embracing change and challenge alike on the road to worldwide success, innovation, and manufacturing excellence.

In 2022, Toyota continues to drive the international automotive industry forward with its commitment to class-leading engineering, groundbreaking design, and game-changing technological advancements.

1957

Toyopet Crown arrives in the U.S.

2000

Prius hits the road in the U.S.

2021

"Fully Electric" concept SUV debuts in the U.S.

The Toyota Difference

Toyota has been part of the cultural fabric of the United States for over 60 years, empowering American businesses by advancing sustainable, next-generation mobility.

Diversity & Inclusion

The future of Toyota depends on the wellbeing of dealership employees and the company's ability to embrace diversity, respect, and inclusivity.

Jobs & Investments

Toyota has fully modernized the manufacturing process – expanding biodiversity efforts and doubling down on electrified vehicles.

Vehicle Production

Toyota is proud to continue production in the States, where assembly is completed on models like Tundra, Corolla, Camry, and Avalon.

Sustainability

Toyota offers more hybrid choices than any other full-line manufacturer, and has sold more than 15 million hybrid vehicles worldwide.¹

Business Continuity

Toyota is dedicated to helping address supply shortages, production obstacles, and even large-scale market fluctuations.

Investing in America

Toyota raised its stake in U.S. operations to increase production and create a wealth of new jobs, with direct investments in the American economy totaling \$30.6 billion.¹⁰⁸

Additionally, Toyota has paid it forward by investing \$1.15 billion in total U.S. donations for non-profits – along with hundreds of millions in dealerships and facilities across the country.

Optimized Productivity

The Toyota Production System is a well-oiled machine, responsible for Toyota's position as one of the most capable, efficient, and productive automotive manufacturers on the planet. In 2021, Toyota has kicked the system into overdrive – increasing its yearly worldwide output to a record high of over 9.2 million vehicles.

To maintain this industry-leading advantage and better serve Fleet customers, Toyota coordinates with manufacturers, suppliers, and customers to minimize costs while maximizing quality, production speed, and vehicle availability.

Innovation Meets Collaboration

Drawing on the diverse backgrounds and perspectives of dedicated employees across the country, Toyota has been able to drive innovation, collaboration, and a refined manufacturing process – creating new jobs and providing a boost to the U.S. economy.¹⁰⁵

Recognized as a
Top 10 diversity leader

Received 13 consecutive

equality

Honored for investments in minority
businesses totaling \$1 billion

Fueling the Future

Toyota fosters a more sustainable society by addressing global environmental issues like climate change, resource depletion, and habitat loss. Recently, Toyota Financial Services issued its fifth Green Bond of \$750 million to fund new vehicle contracts that meet clean air criteria.

Toyota has set its sights on six global challenges that will lead to positive changes in its manufacturing process – and the overall environment – by 2050.

- 1

New Vehicle Zero CO₂ Emissions Challenge
- 2

Life Cycle Zero CO₂ Emissions Challenge
- 3

Plant Zero CO₂ Emissions Challenge
- 4

Challenge of Minimizing and Optimizing Water Usage
- 5

Challenge of Establishing a Recycling-based Society and Systems
- 6

Challenge of Establishing a Future Society in Harmony with Nature

Strategy & Supply

Toyota’s fine-tuned business continuity plan helps to ensure quality and consistency, building toward a sustainable supply chain that cuts down on waste and increases production capacity.

Given the surge of demand for electrified Toyota Fleets, Toyota has combined its highly effective inventory management with a cutting-edge assembly system and a world-class network of suppliers and component manufacturers.¹⁰⁴

14

Build Your Electrified Fleet

Toyota is a leader in electrified mobility – with a diverse lineup of hybrid, plug-in hybrid, fuel cell, and battery electric vehicles. And with electric vehicle emissions dropping by 15% in the last three years, clean energy is getting cleaner all the time.

So it's no surprise that Toyota is committed to a lineup that includes electrified versions of every model by 2025.

Hybrid Electric

Toyota's hybrid electric vehicles have made history, renowned for top notch efficiency and low emissions.

Plug-in Hybrid Electric

PHEVs meet in the middle – using a mix of rechargeable battery power and conventional fueling systems.

Fuel Cell Electric

FCEVs utilize hydrogen to generate their own electric charge. As for their emissions? Nothing but water vapor from the tailpipe.

Battery Electric²

These pure electric vehicles replace combustion engines with electric motors, providing silent, smooth, and clean propulsion.

The Height of High Tech

Every Toyota model on the market delivers state-of-the-art technology that prioritizes safety, convenience, capability, performance, and entertainment.

The goal? Advanced features that can fully unlock a Fleet's potential with effortless, seamless, and intuitive mechanics.

Connectivity

The 2022 Toyota lineup is designed to stay connected to the driver, dealer, and beyond.

Safety

Advanced safety is a core piece of the Toyota formula.

Advanced Powertrains

New powertrain units significantly improve both driving and environmental performance.

It's All Connected

True connectivity is the driving force behind Toyota's achievements in mechanical and software engineering.

With Connected Services,³ Toyota Fleet drivers are instantly plugged into a suite of intuitive convenience features that are available with an active subscription.

Connected Services

Enjoy added convenience, safety, and peace of mind.

Meanwhile, Toyota Data Solutions allows Fleet Managers to monitor the condition and location of their entire fleet – 24 hours a day, 7 days a week – as well as helping with driver safety and vehicle efficiency with on-demand data that includes driver behavior analytics, collision detection warnings, and custom event notifications.

Toyota Data Solutions

Critical telemetry services to help manage fleet vehicles.

Enjoy 24/7 Connectivity

Toyota's available Connected Services*³ help provide Toyota Fleet managers with added convenience, safety, and peace of mind.

Remote Connect⁴

1-Year Trial Period

- ✓ Remote lock/unlock doors, start/stop the engine, and locate the vehicle.
- ✓ Receive alerts when a Guest Driver exceeds the speed limit, curfew, or miles driven.
- ✓ Receive vehicle status alerts.

Safety Connect⁵

1-Year Trial Period

- ✓ Automatic Collision Notifications
- ✓ Enhanced Roadside Assistance⁶
- ✓ Emergency Assistance Button
- ✓ Stolen Vehicle Locator⁷

Service Connect⁸

10-Year Trial Period

- ✓ Receive vehicle alerts from your preferred dealer when maintenance is required.
- ✓ Get updates on fuel level, mileage, applicable recalls and more.

Wi-Fi Connect⁹

3-Month Trial Period/Up to 2GB

- ✓ In-vehicle Wi-Fi hotspot using a 4G LTE cellular network.
 - ✓ Connectivity for up to five devices simultaneously.
- (Trial period information can vary by model.)

Destination Assist¹⁰

1-Year Trial Period

- ✓ Enjoy 24-hour access to a live agent who can give directions to an address via the navigation system.
- Display map data, routes and points of interest on the navigation system

Dynamic Navigation¹¹

Up to 3-years Trial Period

- ✓ Display map data, routes, and points of interest on the navigation system.
- ✓ Access favorite destinations, view recent searches, or choose an address from the Contacts list.

Fleet Management Made Easy

More than 20 Toyota models now offer critical telemetry services to help Fleet Managers stay up to date on their vehicles. By eliminating installation time and providing a built-in OEM hardware solution, keeping track of drivers and vehicles has never been easier. Learn more at toyotadatasolutions.com.

ADVANCED TELEMETRY

-  Location
-  Fuel Levels
-  Odometer

COLLISION DETECTION

-  Location
-  Speed
-  Collision Severity

SERVICE WARNINGS

-  Anti-Lock Brake System (BLVW)
-  Engine Oil Maintenance Required Soon (OMPW)
-  Check Engine (EGF)

Safety Comes Standard

Safety is a key part of the Toyota Fleet formula. Which is why every Fleet vehicle in the 2022 lineup comes standard with a wide range of active and passive safety features, like Toyota Safety Sense™ (TSS)¹² and the Star Safety System™ – as well as comprehensive airbag¹³ arrangements and standout safety tech like an available Blind Spot Monitor (BSM)¹⁴ with Rear Cross-Traffic Alert (RCTA).¹⁵

Toyota Safety Sense™

Pre-Collision System¹⁶

An integrated camera and radar system that helps reduce the likelihood of colliding with a preceding car or pedestrian.

Lane Departure Alert¹⁷

A windshield camera that may help drivers avoid unintended visible lane departures by alerting them when the vehicle veers from its lane.

Automatic High Beams¹⁸

Designed to aid nighttime driving by detecting headlights and taillights of preceding vehicles.

Dynamic Radar Cruise Control¹⁹

This high-tech cruise control uses radar to adjust the vehicle's speed, helping drivers maintain a preset distance from nearby cars.

Lane Tracing Assist^{*20}

**Not on TSS-P.*

Lane Tracing Assist uses the visible lines on the road and preceding vehicles to help keep the vehicle centered and in its lane.

Road Sign Assist^{*21}

**Not on TSS-P.*

Road Sign Assist detects speed limit signs, stop signs, do not enter signs, and yield signs – then shows them on the Multi-Information Display.

Toyota Safety Sense™ : Across the Lineup

The Toyota Safety Sense™ (TSS)¹² suite of active safety systems is currently offered across several bundles – and they all come standard. Here’s how the applicability breaks down.

TSS-P

The Bright Future of Mobility

Mobility as a Service (MaaS) is when a customer pays to access transportation means through a third-party service provider who owns vehicles, like a car or bike. By 2040, Toyota expects to grow its MaaS ecosystem through car sharing, subscription services, and micro-mobility solutions – with the added benefits of reduced accidents, congestion, and pollution.

Rent a Toyota

A dealership-based rental platform that leverages the latest model Toyota vehicles.

KINTO Share

A ride share service connecting drivers to Toyota vehicle rentals on an hourly or weekly basis with unlimited mileage, insurance, maintenance, and customer service.

Ride Hailing

Toyota is teaming up with ride-hailing partners like Aurora to develop driverless mobility services, working to build and deploy self-driving vehicles around the world.

Get What You Pay For, And Then Some

Backed by outstanding sales numbers, automaker accolades, consumer evangelism, and an always growing lineup of technologically advanced and fun-to-drive vehicles, Toyota stands at the top of the industry as one of the most valuable automobile brands in the world.

Total Cost of Ownership

Reliability, durability, and efficiency lead to Toyota models that are built to last and affordable to maintain.

ToyotaCare²⁵

Toyota's complimentary maintenance plan covers factory scheduled service for 2 years or 25,000 miles, along with 24-hour Roadside Assistance for 2 years.

Warranty

Every new Toyota is covered by comprehensive warranty packages, including standard 3-year/36,000-mile coverage and an industry-leading 10-year/150,000-mile hybrid battery warranty.²⁶

Awards & Accolades

Toyota's award-winning vehicles race ahead of the competition – picking up multiple IIHS, NHTSA, and Kelley Blue Book^{® 27} value awards.

Long-Term Payoffs

Toyota takes special care to keep the cost of ownership as low as possible – always striving to maintain quality and affordability. And when measured against the industry's best-selling models, Toyota punches well above its weight.

Toyota models have earned a reputation for efficiency and impressive MPG on highways and city streets, putting in the work to keep fuel costs to a minimum. On top of that, Toyota Fleet vehicles stand apart with the best resale (and lowest depreciation) values in the industry, maintaining high-quality performance year after year after year.

You're Covered

Toyota Fleet is devoted to safety and dependability – and proper vehicle maintenance is important to both. That's why Toyota includes a maintenance plan and roadside assistance with every new Fleet vehicle.

No Cost Maintenance Plan²⁵

*2 Years/25,000 Miles**

Toyota-trained technicians will perform factory recommended maintenance on Toyota Fleet vehicles, including:

- ✓ Replace engine oil and oil filter
- ✓ Rotate tires
- ✓ Multi-point vehicle inspection
- ✓ Inspect and adjust all fluid levels

**Whichever comes first.*

24-Hour Roadside Assistance²⁵

2 Years/Unlimited Miles

24-hour roadside assistance is provided at no cost for 2 years from the effective date, for unlimited miles. Services include:

- ✓ Battery jump start
- ✓ Lockout protection
- ✓ Emergency fuel delivery
- ✓ Tire service
- ✓ Towing
- ✓ Winching

A Worthy Warranty

Every Toyota Fleet vehicle comes standard with a comprehensive warranty package that includes 3 years or 36,000 miles of limited coverage. But the buck doesn't stop there.

Basic

3 years/36,000 miles

Rust-Through

5 years/Unlimited miles

Powertrain

5 years/60,000 miles

Emissions

Coverages vary under Federal and California regulations

Hybrid System

8 years/100,000 miles²⁸

Hybrid Battery

10 years/150,000 miles²⁶

Gold Star Standards

On top of a robust warranty and a low cost of ownership, Toyota has been recognized as an industry leader across the board when it comes to safety, performance, reputation, and value.

2021 IIHS Top Safety Pick²⁹

Six Toyota models awarded Top Safety Pick, and three models awarded Top Safety Pick+.

2020 NHTSA Safety Rating³⁰

10 Toyota models awarded a 5-Star Overall Safety Rating.

2021 Vincentric Best Fleet Value in America³¹

Six models awarded for outstanding value, more than any other manufacturer.

2021 Kelley Blue Book® Best Buy Award²⁷

Tacoma, Sienna, RAV4, and RAV4 Prime awarded "Best Buy" by KBB.

2021 Autotrader Best New Car Award³²

The new-to-market 2021 Venza tops Autotrader's standings.

TOYOTA FLEET INFORMATION

A Custom-Fit Toyota Fleet

Committed to delivering vehicles that meet and exceed the expectations of Fleet customers, Toyota Fleet goes above and beyond to tailor individual vehicles to a client's unique situation. This means partnering with companies that can provide upfitting solutions by adding additional equipment to a new vehicle, along with full-scale mobility conversions that implement holistic removals and replacements.

Auto Truck Group

Auto Truck Group specializes in the design, manufacture, and installation of truck equipment for a wide variety of customers, trades, and industries. They are ready to help pool/dealer customers, fleets, construction, energy and telecommunications, utilities, municipal and state governments, railroads, and many other businesses and industries.

Knapheide

Efficient manufacturing processes and flexible assembly lines enable Knapheide to produce both standard and highly customized truck and van bodies. Their products include service bodies, KUV bodies, platform bodies, gooseneck bodies, dump bodies, forestry bodies, pickup accessories, mechanic's trucks, fuel and lube trucks, and water trucks.

BraunAbility

Voted #1 in overall quality, service, safety, and value, BraunAbility is the most-certified accessible vehicle manufacturer in the industry. Engineering built-to-trust mobility vehicles, BraunAbility converts vehicles by removing ancillary equipment and installing vendor-specific replacements – developing customized mobility solutions for every kind of driver.

Vantage Mobility International (VMI)

A pioneer in the mobility vehicle industry, VMI builds cutting-edge accessibility conversions that are tailored to the needs of disabled drivers. Working arm-in-arm with original equipment manufacturers, VMI's state-of-the-art conversion process features the latest in assembly-line technology and CAD software.

Long Distance? No Problem.

Toyota Fleet can ship its entire line of vehicles to a wide range of delivery and pickup locations, including approved drop-ship locations and Toyota Executive Delivery dealers.

Over 800 Toyota dealerships around the country are enrolled in the Commercial Toyota Executive Delivery (TED) program.

As part of the TED agreement, these dealers will:

- ✓ Perform quality courtesy delivery of vehicles
- ✓ Appoint a dealership contact to coordinate deliveries
- ✓ Negotiate a delivery fee not to exceed \$350/vehicle

A list of TED dealers can be found at fleet.toyota.com.

High Value, Low Cost

Competitive pricing is offered across the entire Toyota lineup. So not only is Toyota Fleet’s trademark value evident in its high-quality, fuel-efficient vehicles, but through available Fleet pricing and discount incentives.

1. For more information, visit <https://newsroom.toyota.eu/toyota-passes-15-million-hybrid-electric-vehicles-global-sales/>. **2.** Production vehicle arriving 2022. **3.** Connected Services depend on factors outside Toyota's control, including an operative telematics device, a cellular connection, GPS signal and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Service may vary by vehicle and region. Apps and services subject to change at any time without notice. Requires app download/registration and subscription after trial (if applicable). Terms of Use apply. Data usage and charges may apply. Trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle and may vary by model, model year or trim. See usage precautions and service limitations in *Owner's Manual* and [Toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. Connected Services trials are at no extra cost. All trials begin on the original date of purchase or lease of a new vehicle, with the exception of Wi-Fi for which the trial begins at the time of activation. Paid subscription required after trial in order to continue accessing the respective services. Terms of Use apply. **4.** Use only if aware of circumstances surrounding vehicle and it is legal and safe to do so (e.g., do not remotely start engine if vehicle is in an enclosed space or vehicle is occupied by a child). Remote Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download and registration/subscription after trial (if applicable). Terms of Use apply. Data charges may apply. Remote start/stop not available on manual transmission-equipped vehicles. Services subject to change at any time without notice. See usage precautions and service limitations in Toyota *Owner's Manual* and <https://www.toyota.com/connected-services/> for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Remote Connect trial period (if applicable) is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Subscription required after trial to access the service. Terms of Use apply. **5.** Safety Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded, including access to response center and emergency support. Stolen vehicle police report required to use Stolen Vehicle Locator. Some features may require the Toyota app. Registration required. Subscription required after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. Service may vary by vehicle and region. See usage precautions and service limitations in *Owner's Manual* and [Toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Safety Connect trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **6.** Requires adequate cellular coverage and GPS signal strength. May not work in all areas. Service may vary by vehicle and region. See Toyota Dealer for details and exclusions. **7.** Building and/or parking structures may limit system effectiveness. Stolen vehicle police report required to use Stolen Vehicle Locator. For additional assistance contact the Toyota Customer Experience Center at 1-800-331-4331. **8.** Information provided is based on the last time data was collected from the vehicle and is not real time data. Service Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Service may vary by vehicle and region. Requires app download/registration and subscription after trial. Service subject to change at any time without notice. Terms of Use apply. Data charges may apply. See usage precautions and service limitations in *Owner's Manual* and [Toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. Service Connect is not renewable as a stand-alone service and requires a subscription to any of Safety Connect, Remote Connect or Drive Connect upon trial expiration. **9.** Eligible vehicle and wireless service required. Wi-Fi Connect depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Wi-Fi Connect coverage and service not available everywhere. Valid in the contiguous U.S. and Alaska. Do not drive distracted. Go to att.com/toyota for terms and conditions. Data usage and charges apply. Up to 5 devices can be supported using in-vehicle connectivity. Apps and services subject to change at any time without notice. The Wi-Fi Connect trial begins at the time of activation and expires when 2GB of data is used or when the 3-month period ends. Subscription required after trial. Terms and conditions apply. **10.** Destination Assist depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Use common sense when relying on this information. Service may vary by vehicle and region. Registration required. Subscription required after trial. Services subject to change at any time without notice. Terms of Use apply. Data charges may apply. See *Owner's Manual* and [Toyota.com/connected-services/](https://www.toyota.com/connected-services/) for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Destination Assist trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **11.** Dynamic Navigation depends on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Use common sense when relying on information provided. Service may vary by vehicle and region. Registration is required. Subscription required after trial. Terms of Use apply. Data charges may apply. See *Owner's Manual* and <https://www.toyota.com/connected-services/> for additional limitations and details. To learn about Toyota's Connected Services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. The Dynamic Navigation trial period is at no extra cost and begins on the original date of purchase or lease of a new vehicle. Paid subscription required after trial to access the service. **12.** Toyota Safety Sense effectiveness is dependent on many factors including road, weather and vehicle conditions. Drivers are responsible for their own safe driving. Always pay attention to your surroundings and drive safely. See *Owner's Manual* for additional limitations and details. **13.** Airbag systems are Supplemental Restraint Systems and are designed to inflate only under certain conditions and in certain types of severe collisions. To decrease the risk of injury from an inflating airbag, always wear seatbelts and sit upright in the middle of the seat as far back as possible. Do not put objects in front of an airbag or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. See *Owner's Manual* for additional limitations and details. **14.** Do not rely exclusively on the Blind Spot Monitor. Always look over your shoulder and use your turn signal. There are limitations to the function, detection and range of the monitor. See *Owner's Manual* for additional limitations and details. **15.** Do not rely exclusively on the Rear Cross-Traffic Alert system. Always look over your shoulder and use your mirrors to confirm rear clearance. There are limitations to the function, detection and range of the system. See *Owner's Manual* for additional limitations and details. **16.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a substitute for safe and attentive driving. System effectiveness is dependent on many factors including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **17.** Lane Departure Alert is designed to read visible lane markers under certain conditions and provide visual and audible alerts when lane departure is detected. It is not a collision avoidance system or a substitute for safe and attentive driving. Effectiveness is dependent on many factors, including road, weather and vehicle conditions. See *Owner's Manual* for additional limitations and details. **18.** Automatic High Beams operate at speeds above 25 mph. Factors such as a dirty windshield, weather, lighting and terrain limit effectiveness requiring the driver to manually operate the high beams. See *Owner's Manual* for additional limitations and details. **19.** Dynamic Radar Cruise Control (DRCC) is designed to assist the driver and is not a substitute for safe and attentive driving practices. System effectiveness is dependent on many factors including road, weather and traffic conditions. See *Owner's Manual* for additional limitations and details. **20.** Lane Tracing Assist (LTA) is designed to read visible lane markers and detect other vehicles under certain conditions. It is only operational when DRCC is engaged. Not available on vehicles with manual transmissions. See *Owner's Manual* for additional limitations and details. **21.** Do not rely exclusively on Road Sign Assist (RSA). RSA is a driver support system that utilizes the vehicle's forward facing camera and navigation system (when data is available) to recognize certain road signs and provide information to the driver via the multi-information display and/or Head-Up Display. Effectiveness is dependent on road, weather, vehicle and sign conditions. Use common sense when using RSA and do not drive distracted. See *Owner's Manual* for additional limitations and details. **22.** Vehicle Stability Control is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe and attentive driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **23.** Smart Stop Technology operates only in the event of certain contemporaneous brake and accelerator pedal applications. When engaged, the system will reduce power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. See *Owner's Manual* for additional limitations and details. **24.** Brake Assist is designed to help the driver take advantage of ABS and is not a substitute for safe driving practices. Braking effectiveness also depends on proper vehicle maintenance, tire and road conditions. See *Owner's Manual* for additional limitations and details. **25.** ToyotaCare covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for two years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S.

Disclosures

26. For Toyota hybrid, plug-in hybrid, and fuel cell and battery electric vehicles beginning with model year 2020, the hybrid (HV) battery is covered for 10 years from original date of first use or 150,000 miles, whichever comes first. Coverage is subject to the terms and conditions of your New Vehicle Limited Warranty. See *Owner's Warranty and Maintenance Guide* for details. **27.** For more information, visit Kelley Blue Book's KBB.com. Kelley Blue Book is a registered trademark of Kelley Blue Book Co., Inc. **28.** Hybrid-related components are covered for 8-years from original date of first use or 100,000 miles, whichever comes first. The HV battery may have longer coverage under emissions warranty. See *Owner's Warranty and Maintenance Guide* for details. **29.** For more details on 2021 IIHS Top Safety Picks, see www.iihs.org. **30.** Government 5-Star Safety Ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). MY20 vehicle tested. **31.** For more information, visit <https://vincentric.com/Home/Best-Value-Awards/2021-Best-Value-in-America/2021-Best-Fleet-Value-in-America-Winners-List>. **32.** For more information, visit <https://www.autotrader.com/best-cars/best-new-cars-for-2021>. **33.** Cargo and load capacity limited by weight and distribution. Always properly secure cargo and cargo area. **34.** EPA-estimated 31city/33hwy/32comb estimates for 2022 Corolla Cross FWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **35.** EPA-estimated 29city/32hwy/30comb estimates for 2022 Corolla Cross AWD. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **36.** At speeds of 9 mph or less, Front and Rear Parking Assist with Automated Braking (PA w/AB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PA w/AB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details. **37.** Qi wireless charging may not be compatible with all mobile phones, MP3/WMA players and like models. When using the wireless charging system avoid placing metal objects between the wireless charger and the mobile device when charging is active. Doing so may cause metal objects to become hot and could cause burns. **38.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your Owner's Manual. The maximum you can tow depends on base curb weight plus the total weight of any cargo, occupants, and added vehicle equipment. "Added vehicle equipment" includes additional standard/optional equipment and accessories added by the manufacturer, dealers, and/or vehicle owners. The only way to be certain of your vehicle's exact curb weight is to weigh your vehicle without passengers or cargo. See *Owner's Manual* for limitations. **39.** May not be compatible with all mobile phones, MP3/WMA players and like models. **40.** The Adaptive Front-Lighting System helps improve night vision. Situations such as a dirty windshield, rapidly changing light conditions or hilly terrain may limit effectiveness requiring the driver to manually turn off the system. See *Owner's Manual* for additional limitations and details. **41.** The Toyota Tundra is designed to meet most off-road driving requirements, but off-roading is inherently dangerous and may result in vehicle damage. Toyota encourages responsible operation to help protect you, your vehicle and the environment. Seatbelts should be worn at all times. Do not allow passengers to ride in cargo area. **42.** EPA-estimated 18city/24hwy/20comb MPG for 2022 Tundra SR 4x2; 18city/23hwy/20comb estimates for all other 2022 Tundra 3.5L T-V6 4x2. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **43.** 437 net combined horsepower. **44.** Projected EPA-estimated range rating xxxcity/xxhwy/23comb estimates for 2022 Tundra Hybrid as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. **45.** The backup camera does not provide a comprehensive view of the rear area of the vehicle/trailer and you should look around the vehicle, and use mirrors to confirm clearance. Additionally, when using straight path assist, the driver is still responsible for safe operation as there are environmental conditions and design limitations to system performance. See *Owner's Manual* for additional limitations and details. **46.** Apps and services are subject to change at any time without notice. Data charges may apply. Apple CarPlay® functionality requires a compatible iPhone® connected with an approved data cable into the USB media port. Apple CarPlay is a registered trademark of Apple Inc. **47.** Android Auto is a trademark of Google LLC. To use Android Auto on your audio display, you'll need an Android Auto compatible vehicle and Android phone. For phone compatibility visit: <https://www.android.com/autof>. Apps and services vary by phone carrier and are subject to change at any time without notice. **48.** Drive Connect availability and accuracy depend on factors outside of Toyota's control, including an operative telematics device, a cellular connection, GPS signal, and the availability of a compatible wireless network, without which system functionality and availability may be limited or precluded. Services not available in every city or roadway. Services subject to change at any time without notice. Requires app download/registration and subscription required after trial (if applicable). Terms of Use apply. See *Owner's Manual* and <https://www.toyota.com/connected-services> for additional limitations and details. To learn about Toyota's connected services data collection, use, sharing and retention practices, please visit <https://www.toyota.com/privacyvts/>. **49.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **50.** Crawl Control is designed for driving on difficult terrain at low speeds and assists driver by controlling acceleration and braking, allowing the driver to focus on steering. See *Owner's Manual* for additional limitations and details. **51.** Projected EPA-estimated range rating 27city/35hwy/30comb estimates for 2022 RAV4 LE FWD & Limited FWD; 27city/34hwy/30comb MPG for 2022 RAV4 LE AWD; 27city/33hwy/29comb MPG for 2022 RAV4 XLE AWD & XLE Premium AWD; 28city/35hwy/30comb MPG for 2022 RAV4 XLE FWD & XLE Premium FWD; 25city/33hwy/28comb MPG for 2022 RAV4 Adventure AWD & Limited AWD; 25city/32hwy/28comb MPG for 2022 RAV4 TRD Off-Road AWD as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. **52.** 219 net combined horsepower. **53.** Projected EPA-estimated range rating 41city/38hwy/40comb estimates for 2022 RAV4 Hybrid as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. **54.** Amazon, Alexa, and all related logos are trademarks of Amazon.com, Inc. or its affiliates. Not all Amazon Alexa functionality is available for in-vehicle use. **55.** Trial length and service availability may vary by model, model year or trim. Service will automatically stop at the end of your trial subscription period unless you decide to continue service. If you do not wish to enjoy your trial, you can cancel by calling the number below. All SiriusXM services require a subscription, each sold separately by SiriusXM after the trial period. **Service subject to the SiriusXM Customer Agreement and Privacy Policy**, visit www.siriusxm.com to see complete terms and how to cancel which includes calling 1-866-635-2349. Some services and features are subject to device capabilities and location availability. All fees, content and features are subject to change. SiriusXM, Pandora and all related logos are trademarks of Sirius XM Radio Inc. and its respective subsidiaries. SiriusXM trial length and service availability may vary by model, model year or trim. **56.** Extra-cost color. **57.** MSRP excludes the Delivery, Processing and Handling Fee of \$995 for Cars (86, Avalon, Avalon HV, Camry, Camry HV, Corolla, Corolla HV, Corolla HB, Mirai, Prius, Prius Prime, Supra), \$1,175 for SUV/Van/Small Truck (4Runner, C-HR, Highlander, Highlander HV, RAV4, RAV4 HV, RAV4 Prime, Sienna, Tacoma, Venza), \$1,365 for Large SUVs (Land Cruiser, Sequoia), and \$1,595 for Large Truck (Tundra). (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure and may be subject to change at any time. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, AR, FL, GA, LA, MS, NC, OK, SC and TX will be higher. The published prices do not apply to Puerto Rico and the U.S. Virgin Islands. Actual dealer price will vary. **58.** 2022 EPA-estimated mileage. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **59.** SofTex is a registered trademark of Toyota Motor Sales, U.S.A., Inc. **60.** EPA-estimated 53city/52hwy/52comb MPG for 2022 Corolla Hybrid LE. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **61.** HomeLink and the HomeLink house icon are registered trademarks of Gentex Corporation. **62.** JBL is a registered trademark of Harman International Industries, Inc. **63.** The Bird's Eye-View Camera does not provide a comprehensive view of the area surrounding the vehicle and you should also look around the vehicle, using mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **64.** EPA-estimated 51city/53hwy/52comb MPG for 2022 Camry LE Hybrid. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **65.** 208 net combined horsepower. **66.** The backup camera does not provide a comprehensive view of the rear area of the vehicle and you should also look around the vehicle, using mirrors to confirm rearward clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **67.** View U.S. News Best Cars at cars.usnews.com. **68.** 215 net combined horsepower. **69.** ToyotaCare for Prius and Prius Prime covers normal factory scheduled maintenance for two years or 25,000 miles, whichever comes first. Certain models require a different maintenance schedule as described in their *Maintenance Guide*. 24-hour Roadside Assistance is also included for three years, unlimited mileage. Roadside Assistance does not include parts and fluids, except emergency fuel delivery. See Toyota dealer for details and exclusions. Valid only in the continental U.S. **70.** Prius AWD-e system operates at speeds up to 43 mph. **71.** The Intelligent Parking Assist System requires driver brake control. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **72.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Functionality, availability and accuracy of information provided by the system depends on many factors and service may not be available in every location. Use common sense when relying on information provided. Services and programming subject to change. Updates may be available from your dealer at an additional cost. See *Owner's Manual* for additional limitations and details. **73.** EPA-estimated 25-mile all electric driving range when fully charged for 2022 Prius Prime. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.com.

Disclosures

74. EPA-estimated 133 comb MPGe rating for 2022 Prius Prime. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric operation. EPA-estimated 54 combined gas-only MPG. Use for comparison purposes only. Your MPGe/MPG will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **75.** Complimentary fuel for three years or \$15,000, whichever comes first. See toyota.com/mirai/complimentaryfuel for fuel plan details. **76.** Projected EPA-estimated 76city/71hwy/74comb MPGe for 2022 Mirai XLE; 67city/64hwy/65comb MPGe for 2022 Mirai Limited as determined by manufacturer. MPGe is the EPA-equivalent of gasoline fuel efficiency for electric-mode operation. Use for comparison purposes only. Your MPGe/miles per kilogram will vary for many reasons, including your vehicle's condition and how/where you drive. **77.** Do not use the lounge chair with ottoman when vehicle is in motion. If the ottoman is in use during an accident, the lap belt may slide past the hips. This could result in restraint forces being applied directly to the abdomen, or your neck may contact the shoulder belt, increasing the risk of death or serious injury. See *Owner's Manual* for additional limitations and details. **78.** EPA-estimated 36 city/36 hwy/36 combined mpg for 2022 Sienna FWD models. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See <https://www.fueleconomy.gov>. **79.** Kick sensor is not compatible with tow hitch and other accessories that mount to or near the rear bumper. **80.** 245 net combined horsepower. **81.** Front and Rear Parking Assist Sonar is designed to warn drivers of potential front and rear collisions at speeds of 6 mph or less. Certain vehicle and environmental factors, including an object's shape and composition, may affect the ability of the Front and Rear Parking Assist Sonar to detect it. Always look around outside the vehicle and use mirrors to confirm clearance. See *Owner's Manual* for additional limitations and details. **82.** Do not overload your vehicle. See *Owner's Manual* for weight limits and restrictions. **83.** Projected EPA-estimated range rating 27city/31hwy/29comb estimates for 2022 C-HR as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. **84.** Trailer Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions, weather and driver steering input can all affect whether TSC will be effective in preventing a loss of control. See *Owner's Manual* for additional limitations and details. **85.** This floor mat/liner was designed specifically for use in your model and model year vehicle and SHOULD NOT be used in any other vehicle. To avoid potential interference with pedal operation, each mat/liner must be secured with its fasteners. Do not install a floor mat on top of an existing floor mat/liner. **86.** Installation of a tow hitch receiver or other accessories located near the rear bumper or side door kick sensors, may require disabling or removing the kick sensor, and the sensor operation setting in your vehicle should be turned off. Water, weather, dirt, and other conditions also may cause the sensor to not operate properly or to operate unintentionally. See *Owner's Manual* for limitations. **87.** 302 net combined horsepower. **88.** Projected EPA-estimated range rating 40city/36hwy/38comb estimates for 2022 RAV4 Prime as determined by manufacturer. EPA estimates not available at time of posting. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. **89.** EPA-estimated 42-mile all electric driving range when fully charged for 2022 RAV4 Prime. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.com. **90.** The engine immobilizer is a state-of-the-art anti-theft system that is initiated when you insert your key into the ignition switch or bring a Smart Key fob into the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. The transponder chip is embedded in the key/fob and can be costly to replace. If you lose a key or fob, your Toyota dealer can help or go to www.aloa.org to find a qualified locksmith in your area who can perform high-security key service. **91.** EPA-estimated 40city/37hwy/39comb MPG for 2022 Venza. Use for comparison purposes only. Your mileage will vary for many reasons, including your vehicle's condition and how/where you drive. See www.fueleconomy.gov. **92.** Do not exceed 120V. See *Owner's Manual* for additional limitations and details. **93.** 243 net combined horsepower. **94.** The Rear Seat Reminder does not sense objects in the rear seat. The Rear Seat Reminder is designed to recognize a unique rear door opening pattern that may be consistent with an object being placed in the rear seating area. See *Owner's Manual* for additional details. **95.** The Multi-Terrain Monitor view is limited and can be affected by environmental conditions. See *Owner's Manual* for additional limitations and details. **96.** The Panoramic View Monitor does not provide a comprehensive view of the area surrounding the vehicle. You should also look around outside your vehicle and use your mirrors to confirm surrounding clearance. Environmental conditions may limit effectiveness and view may become obscured. See *Owner's Manual* for additional limitations and details. **97.** Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb. **98.** Bilstein is a registered trademark of ThyssenKrupp Bilstein GmbH FED REP GERMANY. **99.** Auto LSD is an electronic, brake-actuated limited-slip differential that automatically activates when VSC is disengaged at low speeds. See *Owner's Manual* for additional limitations and details. **100.** Advanced Drive is not an automated driving system. The driver is responsible for safe driving and must not overly rely on the system. Always pay attention to your surroundings and be prepared to take full control at all times. Use this system in accordance with applicable laws. Before operating, refer to *Owner's Manual* for additional instructions and limitations. **101.** Do not overly rely on Advanced Park and use only in accordance with applicable laws. When parking using the hands-free feature, always pay attention to the vehicle's surroundings. Before operating, refer to *Owner's Manual* for additional instructions and limitations. **102.** Based on competitors' CY 2017-2020 sales data. **103.** At speeds of 9 mph or less, Parking Support Brake (PKSB) is designed to assist drivers in avoiding potential collisions with nearby static objects when the vehicle is in Drive or Reverse and approaching crossing vehicles when the vehicle is in Reverse. Do not overly rely on PKSB. Always look around outside the vehicle and use mirrors to confirm clearance. Certain vehicle and environmental factors, including an object or vehicle's shape, size and composition, may affect the system's effectiveness. See *Owner's Manual* for additional limitations and details. **104.** For more information, visit <https://www.toyota.com/usa/pdfs/toyota-operations-map-north-america.pdf>. **105.** For more information, visit <https://pressroom.toyota.com/toyota-financial-services-issues-fifth-green-bond-reinforcing-toyotas-commitment-to-sustainability/>. **106.** For more information, visit <https://www.toyota.com/usa/pdfs/toyota-operations-map-north-america.pdf>. **107.** For more information, visit <https://www.toyota.com/usa/pdfs/toyota-operations-map-north-america.pdf>. **108.** For more information, visit <https://www.toyota.com/usa/pdfs/toyota-operations-map-north-america.pdf>. **109.** For more information, visit <https://pressroom.toyota.com/toyota-to-achieve-its-five-year-u-s-investment-commitment-one-year-early/>. **110.** Including our joint venture plant in Alabama.
