

*In all the world, there are only two motor cars
that carry the name Cartier.*

Cartier

*Introducing Ford LTD Cartier.
An exclusive blend of stylish engineering
and subtle design.*

In Paris on rue de la Paix, in London on New Bond Street, in New York on Fifth Avenue, and in 91 other countries of the world, the Cartier group is truly the international jeweller of renown. From its beginnings in 1847 to its global prominence today its designs have become legendary in the world of luxury and good taste. In all its history, only once has the name Cartier distinguished an exclusive motor car. The prestigious Lincoln Continental Designer Series. Now Ford Australia, in association with Cartier are proud to announce the introduction of the Ford LTD Cartier. *You can have your new Ford LTD Cartier in any colour you like,
as long as it's champagne.*

The colour scheme of the Cartier LTD is exclusive. The exterior is finished in a classic metallic champagne with burgundy pin stripes and accents. The Cartier motif is discreetly displayed on the rear bodyside and there are LTD and Cartier symbols on the glass of the rear quarter windows and a Cartier badge on the rear deck lid. You can choose from two interiors.

Rich crushed velour seats and door facings all in champagne or as illustrated, leather seat facings with additional burgundy accents on the seats and on door-pull straps.

The centre console glove box is lined with burgundy leather and there is a colour keyed steering wheel and dash. The luxury carpet is champagne throughout including the luggage

compartment and rear parcel shelf.
