changes in models, features, specifications, designs, standard, optional and available equipment, accessories and prices, a prospective purchaser should consult an Authorized Ford Dealer for the latest information with respect to such matters and with respect to the availability of the products, optional and other equipment and accessories referred to in this brochure before deciding to place an order.

2. Some optional or other equipment items or accessories may be required to be ordered or used in combination with or without other optional or other equipment items or accessories. Unless otherwise stated optional equipment and accessories are extra cost items. Details with respect to these requirements and costs can be obtained from an Authorized Ford Dealer.

3. Because of the variations which occur in manufactured products all capacities, measurements, dimensions and weights quoted in this brochure should be taken as approximate only.

4. The availability at any particular time of any of the products, items of standard, optional or available equipment or accessories referred to in this brochure will depend on the local and/or overseas supply situation prevailing at that time.

5. Since the delivery of any product, item of optional or other equipment or accessory can be delayed by causes beyond the reasonable control of Ford Motor Company of Australia Limited, Ford Sales Company of Australia Limited or their Dealers, a purchaser is advised, following the placing of an order, to keep in touch with the Dealer to determine the progress of the order.

6. Certain rights are conferred upon purchasers of goods by the laws of Australia and the States and Territories thereof which cannot be excluded from or be restricted, modified or limited by any contract for the sale and purchase of goods.
