[www.renault-5.net](http://www.renault-5.net)

Renault 5 is a superior example of small car engineering, a standard of European automotive technology. It features front wheel drive, rack-and-pinion steering, standard Michelin XZX steel belted radials, powerful, self-adjusting disc brakes up front (power assisted on the 5 GTL), double-leading shoe rear drum brakes, four-wheel independent torsion bar suspension and rear window defogger.

New, biomechanically engineered bucket seats in leatherette are standard on the TL. The low-back front and rear seats were engineered to decrease driving fatigue and maximize driver and passenger comfort.

The front seats lift and tilt forward in one easy motion for convenient rear seat access. Fully reclining bucket seats (in cloth) are standard on the GTL.

The huge rear hatch lifts from the bumper, giving you 9.5 cubic feet of cargo space. Its convenient low liftgate provides easy access for loading and unloading. And by flipping down the rear seat you more than triple its volume to 31.5 cubic feet.

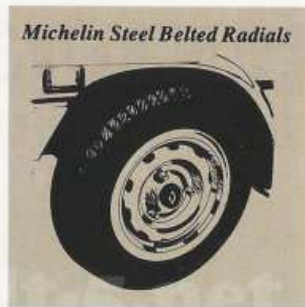

Whether it's cross town to work or cross country to play, the Renault 5 is an immensely practical machine. It amazingly squeezes every last kilometre out of a litre of gas.

Popular options on the GTL include a gigantic sun roof, a rear window washer / wiper and a Sport Package, including:

- Sport Steering Wheel
- Tachometer
- Fog Lights
- Bio-formed Reclining Seats
- Wheel Trim Rings
- Gear-shift Knob & Boot
- Special Silver Striping on Red or Silver paint only.

Finishing touches on the GTL include full carpeting, scuff mouldings, removable rear parcel shelf, swing out rear quarter windows, day / night rear view mirror and extra quiet insulation, to name a few.

The smart new instrument panel conveniently positions all switches and controls within easy access and visibility of the driver.

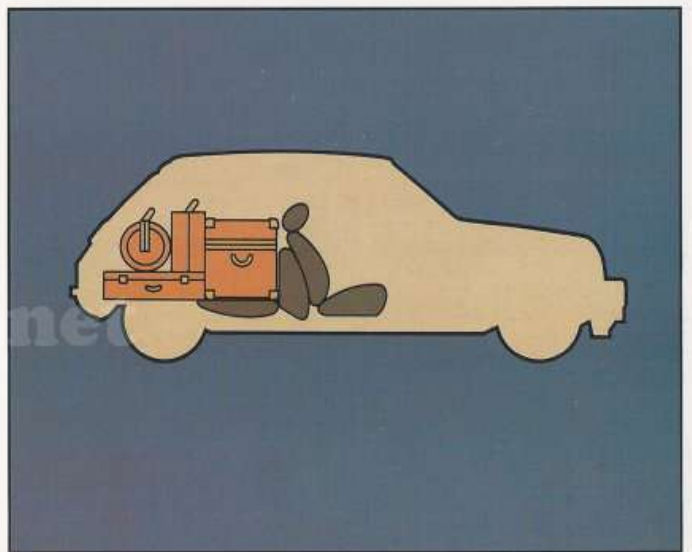

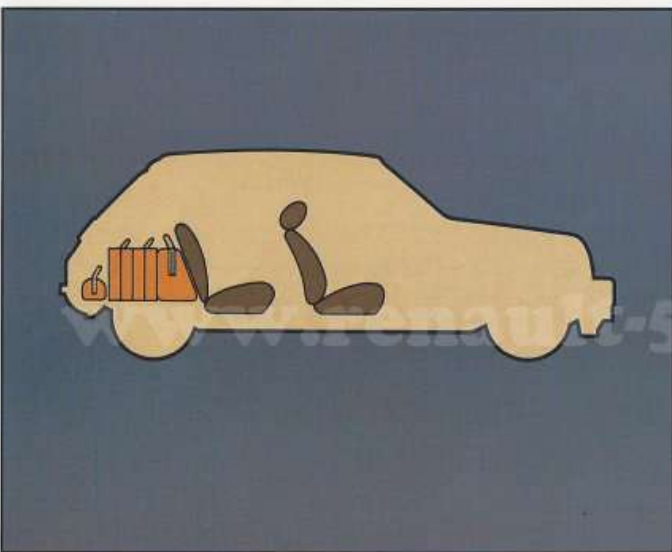

*A few of the standard features on every Renault 5.*

*Some of the available optional extras on the Renault 5.*

*Vehicles illustrated with optional extras. Air conditioning not available in Canada. Bio-formed reclining seats form part of the new, optional Sport Package (GTL only).*

## TECHNICAL DATA

### MODELS, DIMENSIONS, CAPACITIES

Renault 5 is a 3-door hatchback and may be ordered in either a TL or GTL model.

Wheelbase: 95.2 in. (2419 mm)  
Length: 142.5 in. (3621 mm)  
Width: 60.0 in. (1525 mm)  
Height: 55.0 in. (1398 mm)  
Luggage capacity (seat up): 9.1 cu. ft.  
Luggage capacity (seat down): 31.5 cu. ft.  
Fuel capacity: 8.4 Imp. gallons (38 litres)  
Curb weight (3-door): 1820 lbs. (826 kg)

### SPECIFICATIONS

Engine: 1.4 litre, 85.25 CID (1397 cc) cast iron block, aluminum head, overhead valve, 4-cylinder in line  
Compression ratio: 8.8:1  
Electrical system: 12 volt, negative ground  
Battery: 50 amp. hrs. / alternator  
Ignition: Breakerless electronic  
Drivetrain: Front wheel drive  
Transmission: Fully synchronized 4-speed manual  
Final drive ratio: 3.63:1  
Chassis: Unitized monocoque body with undercoating and rust-resistant coating  
Suspension, front: Independent, unequal length control arms, torsion bars, double-acting hydraulic telescopic shocks, stabilizer bar  
Suspension, rear: Independent, pure trailing arms, torsion bars, double-acting hydraulic telescopic shock absorbers, stabilizer bar  
Steering: Rack-and-pinion; 21.75:1 ratio  
Turning circle: 32.0 ft. (9.74 m) curb to curb  
Brakes: Self-adjusting front disc brakes; rear drum brakes with load sensitive pressure limiting valve. GTL features Bendix vacuum power booster, hydraulic front disc brakes  
Tires: 145SR x 13 Michelin steel belted radials.

### EQUIPMENT

#### Standard features on TL and GTL

1.4 litre OHV 4-cylinder engine  
 Electronic ignition  4-speed manual transmission  Front wheel drive  Michelin steel belted radial tires  Front disc / rear drum brakes  Fully independent torsion bar suspension system  Rack-and-pinion steering  Thermostatically controlled electric engine cooling fan  Rear window defogger  New column-mounted controls: 2-speed wipers, washers, "single sweep" wipers, lights, horn and turn indicators  "Tilt-away" bucket seats in leatherette  Flow-through ventilation  Side window defoggers  Unitized monocoque body / chassis construction  Undercoating  Rust-resistant coating  Fold down rear seat  Radio console and mini console  Rally stripes

#### Standard features on GTL

Power front disc / rear drum brakes  Extra quiet insulation package  Reclining bucket seats in cloth upholstery  Full carpeting  Removable carpeted rear parcel shelf  Soft feel steering wheel  Cigar lighter  Bodyside scuff mouldings (N/A with Sport Package)  Deluxe rally stripes  Day / Night mirror  Swing out rear quarter windows.

### OPTIONS AND ACCESSORIES

See your Renault dealer for details on availability of factory installed options as well as dealer installed parts and accessories for your vehicle.

### COLOURS

TL: Red, White  
GTL: Red, White, Silver  
GTL Sport: Red, Silver

## WARRANTY HIGHLIGHTS

All new Renault vehicles are covered by the Renault Full Warranty that provides for 12-months / 20,000 kms of coverage on all components except tires which are covered under a separate tire manufacturer's warranty.

Upon expiration of the new vehicle warranty, a number of specified engine, transmission, transfer case and front-wheel drive components are covered against defects for an additional 12-months / 20,000 kms. This Renault Powertrain Protection Warranty requires the owner to pay the first \$100 per repair visit for the repair or replacement of any covered items.

Certain equipment items and features illustrated or described in this catalogue are optional at extra cost unless otherwise specified. Certain equipment items and features may not be available for all models. This catalogue contains information that is correct at time of printing, however, Renault reserves the right to discontinue or change specifications, models, options, equipment or prices at any time without incurring obligation.
