

NEW CAPRI CLUBSPRINT
OPEN IT UP,
AND SEE WHAT IT'LL DO.

NEW CAPRI CLUBSPRINT AND CLUBSPRINT TURBO THE SPRINTER RUNS THE FASTEST RACE.

Capri Clubspring is about the pleasure of driving. Here are a few things which make it so enjoyable.

- "Soft-look" styling with forward-mounted brake light, front spoiler with integrated driving lights.
- Colour-keyed body-side mouldings.
- Capote lid.
- Choice of black or white top.
- 1.6 litre DOHC 16-valve EFI engine, with the option of an intercooled turbocharger.*
- Sports suspension.
- Power steering.
- 16" alloy road wheels.
- Power side mirrors, power windows and door locks.
- Non-CFC air-conditioning refrigerant with optional air-conditioning. Asbestos-free brake pads.
- Redesigned interior with green sports leather trim and jacquard highlights.
- Three spoke steering wheel. Double vanity mirrors in visors. Map lights in rear-vision mirror.
- Electronic cruise control.
- High series Alpine radio/cassette player with four premium speakers.
- Optional boot-mounted remote control Alpine CD Shuttle.

A more extensive brochure on the Capri range will be available soon. In the meantime, feel free to ask your Ford sales representative for a test drive.

*Clubspring is available with a manual transmission only.

HAVE YOU DRIVEN A FORD...LATELY?
