

# FALCON XR8 SPRINT IS HERE.

*(But not for long.)*

HAVE YOU DRIVEN A FORD...LATELY?

The Falcon XR8 Sprint comes with plenty of stick. Namely, the Ford GT40 5.0 litre Cleveland V8 engine. An engine that has a similar heritage to the one that powers the latest Falcon GT.

It takes the XR8 to another level of performance, luxury and exclusivity. And it has the power to add more pleasure to every second you spend behind the wheel.

Matched to the 5.0 litre V8 engine is a quick-shifting 5-speed manual transmission or optional electronic 4-speed auto, the same transmissions as fitted to Falcon GT.

The modified Tickford sports suspension is complemented by big, wide 16 x 7 inch alloy road wheels and 225 x 50 tyres.

The precise and predictable

handling is aided by rack and pinion power steering and the ABS braking system.

Inside, the Falcon XR8 Sprint offers the luxury of sports seats with genuine leather bolsters, upgraded door trim plus a leather wrapped MOMO steering wheel for the ultimate in comfort and control.

In keeping with the exclusive nature of the XR8 Sprint, body colour choice is limited to a range of 5 colours.

Falcon XR8's features are far too numerous to list here. Nor is there space to describe all the advanced safety and security systems that are included in the vehicle. Your Ford Dealer, however, will be pleased to describe them all.

Take a look, have a drive. We think you'll make a *quick* decision.
