

# FORD AND TVE STYLING AND SUSPENSION OPTIONS.

TICKFORD  
ENGINEERING

**HAVE YOU DRIVEN A FORD...LATELY?**

*Falcon GLi shown equipped with body styling kit, sports suspension and 16" wheels and tyres.*

*Fairmont with body styling kit, sports suspension and 16" wheels and tyres.*

### **SPORTS SUSPENSION.**

Designed to give your Ford razor-sharp handling and a low stance on the road. Stiffer front and rear springs, new sports-tuned shock absorbers and bushes, new front stabiliser bar, revised rear end geometry and front end wheel alignment.

### **SUPER SPORTS SUSPENSION.**

Available on XR6 and XR8 sedans separately, or when you fit 16" wheels and tyres. The XR6 and XR8 are fitted with the sports suspension as standard equipment. Together with an adjustable castor and camber kit, this option makes further refinements to the bushes and steering to optimise the grip and balance of these high performance vehicles.

### **TOURING SUSPENSION.**

Available only on Fairlane Ghia and LTD. You still enjoy a luxuriously comfortable ride, but this option places extra emphasis on the handling characteristics of the suspension. The result is sharper steering, low stance on the road and greater roll control.

Changes include: new front and rear shock absorbers; tuned springs; revised front and rear stabiliser bars; revised rear end geometry; revised front end wheel alignment.

### **SUNROOF.**

Precision crafted electric glass sunroof fully imported from Germany. Versatile operation as a tilted vent to assist ventilation,

and partially or fully open to increase your enjoyment of the great outdoors.

Automatic pop-up wind deflector minimises wind noise and buffeting. The operating switch is fully integrated into the instrument panel. Includes internal sliding cover to shut out the sun on the hottest days. (32" for Falcon and Fairmont, 35" for Fairlane Ghia and LTD.)

### **MOMO STEERING WHEEL.**

"Momo" sports steering wheel features leather covered trim for greater driver comfort, enhanced control and better vehicle "feel".

The ideal choice for vehicles equipped with a sports or touring suspension. Can be integrated with cruise control switches on vehicles equipped with that feature.

### **16" WHEELS & TYRES.**

Aggressive 16" x 7" five spoke alloy wheels fitted with high performance Michelin tyres. Designed to fully utilise the handling capabilities of Sports and Touring Packs, while giving your vehicle a bold appearance and purposeful stance. Only available on vehicles equipped with a sports or touring suspension or on standard XR6 and XR8 sedans.

### **HEAVY DUTY TOW PACK.**

For those who already have a 2100 kg or 2300 kg Load Distributing Hitch and who want a compatible towbar on their new Ford, this option features Hayman

Reese Heavy Duty Towbar (up to 2300 kg rated capacity), trailer wiring kit, revised turn signal flasher, heavy duty brake pads\* and transmission oil cooler.

Also included, a plug-in tow ball mount (up to 1200 kg rated capacity) for towing trailers weighing up to 1200 kg loaded. \*Where not fitted as standard. Towing limits are subject to State and Territory Regulations.

### **2300 KG TOW PACK.**

For those who want everything required to tow trailers weighing up to 2300 kg loaded. This pack comprises all the features specified in the Heavy Duty Tow Pack and has, in addition, a Load Distributing Hitch including heavy duty spring bars to give up to 2300 kg rated towing capacity.

### **BODY STYLING KIT.**

An attractive body styling package which includes side skirts, front and rear aprons for the bumper bars and a raised deck lid spoiler with integrated high mounted stop light.

### **LPG.**

A fully integrated system available on Falcon GLi 4.0 litre automatic sedans and covered by the Ford 24 month/50,000 km Express New Vehicle Warranty.

This digital closed-loop, boot-mounted system complies fully with Australian Design Rules and has passed all standard durability tests, including crashworthiness.

# HAVE ENHANCED PERFORMANCE ENGINEERED INTO YOUR NEW FORD.

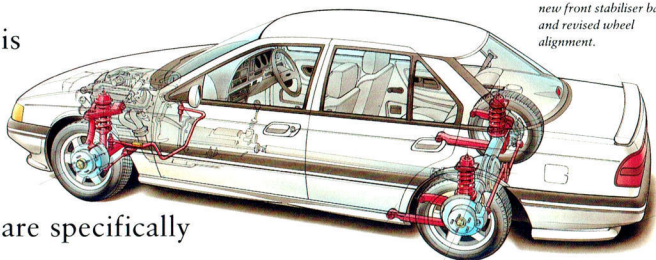

Today's new Falcons, Fairmonts, Fairlane Ghia and LTD have been designed and engineered to exacting standards of ride and handling. In fact, they're the finest handling cars and wagons we've ever produced.

However, for the driver who seeks sports style handling or who has specific touring needs, our designers and engineers in conjunction with Tickford Vehicle Engineering have developed some interesting options. And they can be included in your new Ford while it is being built.

These options fitted by Tickford are specifically designed and made for your Ford. And, because they're installed while your new car is being built, you're assured of correct fit and compatibility.

Plus, of course, they're backed by the Ford 24month/50,000 km Express New Vehicle Warranty.

*Falcon performance handling packages include stiffer front and rear springs, new sports-tuned shock absorbers and bushes, new front stabiliser bar and revised wheel alignment.*

# EXTRA PERFORMANCE EXTRA PLEASURE, EXTRA SECURITY.

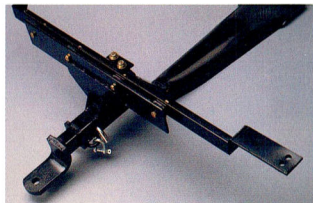

*Precision crafted electric glass sunroof.*

Fitting any of these options to your new Ford will add to the enjoyment of your new car and add to its value.

Whether you choose to specify one of the suspension options, sunroof, a tow pack, body styling kit, LPG or the 16" wheels, the warranty cover of your new Ford is not affected in any way. You'll still receive all the benefits of Fordcare and the options themselves are fully covered by the Ford 24 month/50,000 km Express

New Vehicle Warranty when fitted prior to delivery.

*Renowned Hayman Reese towbar.*

**FORDcare** 

All Ford vehicles sold throughout Australia are backed by Fordcare after sales service. Fordcare comprises a number of individual service products designed exclusively for Ford vehicles and their drivers. These include technical support back-up, diagnostic equipment, approved Ford/Motorcraft replacement parts and parts and service warranties.

This brochure is designed to provide you with a general introduction to the Ford Products (including available optional equipment) referred to, and should be read in conjunction with the latest specification sheet. Because of changes in conditions and circumstances Ford® reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice, to discontinue or change the features, designs, materials, colours and other specifications and the prices of their products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser. The latest specification sheet should be referred to for information on the availability, ordering, and use of optional equipment. Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order. \*FORD MOTOR COMPANY OF AUSTRALIA LIMITED. (A.C.N. 004 116 223) Registered Office: 1735 Sydney Road, Campbellfield, Victoria 3061, Australia. Printed July 1993.
