

# PROBE

**Designed  
with a passion  
for driving.**

*Today's Probe is equipped with a rear spoiler (above) for greater rear wheel traction.*

*Front and rear stabiliser has minimised body roll for flatter cornering. Big, 16 inch 5-spoke alloy wheels complement Probe's wide, low stance on the road.*

**S**hare our passion. For a personal car that stirs the soul. For a car that handles impeccably, devours the kilometres effortlessly and feels so good every time you take the wheel. Share our passion for a car that makes you *want* to drive.

Enter, direct from the USA, today's Ford Probe, with a 24-valve V-6 engine to pump more excitement into every drive. A revised suspension that represents a nigh-on perfect balance of ride and handling. A stylish deck lid spoiler to keep the rear wheels pressed firmly on the road and add even more eye-

catching style. Plus directional five-spoke alloy wheels because they look great. And fresh new colours because, well, this is a fresh new Probe.

Of course, a sports coupe like Probe isn't for everyone. But, would you be reading this brochure if it was?

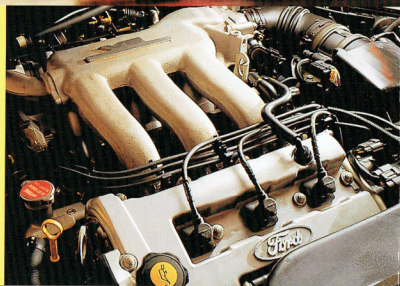

*Sleek, sculpted body styling achieves important aerodynamic objectives.*

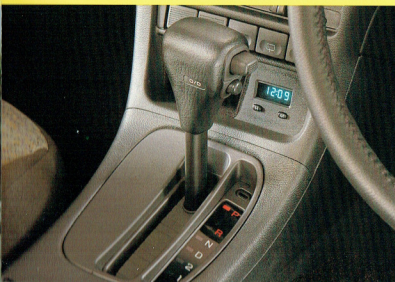

**Engineered  
with a passion  
for the road.**

2.5 litre V-6 engine.  
Bore & Stroke, mm: 84.5 x 74.2  
Cylinder Head: Aluminium alloy.  
Engine Block: Aluminium alloy.  
Displacement, cc: 2497  
Compression Ratio: 9.2:1  
Max. Power output, DIN kW/rpm: 121/5600  
Max. Torque, DIN Nm/rpm: 213/5000  
Cylinders: 60 degree V-6  
Valve Gear: Double overhead cams,  
4 valves per cylinder, hydraulic lifters.

For spirited driving, Probe is equipped with a close-ratio 5-speed manual transmission, 4-speed automatic is available as an option.

Gear ratios:	Manual	Auto.
1st:	3.307	2.800
2nd:	1.833	1.540
3rd:	1.310	1.000
4th:	1.030	0.700
5th:	0.795	-
Reverse:	3.166	2.333
Final Drive:	4.388	4.157

**P**robe's 2.5 litre V-6 engine develops 121 kW of power and 213 Nm of torque. Four valves per cylinder, actuated by dual overhead camshafts to promote rapid-burn combustion, help to generate power smoothly and efficiently. Electronic multi-point fuel injection provides precise fuel metering for efficient fuel usage.

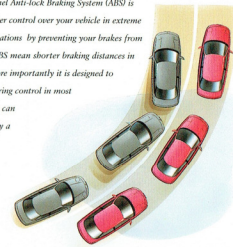

These refinements contribute to the easy revving, free-flowing delivery of power that makes Probe so much fun to drive. It's the kind of performance that teams impressively with Probe's standard 5-speed close-ratio

manual transmission or optional sports-tuned 4-speed automatic.

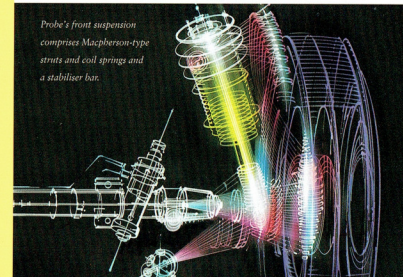

Probe's fully independent suspension, which comprises MacPherson-type struts, adds precision, control and predictable, confident handling to the driving experience. Revised springs and dampers give an even more impressive balance of ride comfort and sporty handling. Front and rear stabiliser bars minimise body roll for flatter cornering. Speed sensitive rack and pinion power steering is quick, precise, accurate.

Four-wheel disc brakes, with Anti-lock Braking System (ABS), match Probe's performance.

*Probe's electronic 4 channel Anti-lock Braking System (ABS) is designed to give you greater control over your vehicle in extreme or emergency braking situations by preventing your brakes from locking. Not only does ABS mean shorter braking distances in certain circumstances, more importantly it is designed to help you to maintain steering control in most circumstances so hazards can be more easily avoided by a combination of braking and steering.*

*Probe's front suspension comprises MacPherson-type struts and coil springs and a stabiliser bar.*

to hand, the cruise control buttons can be operated without taking your eyes from the road, and the centre console armrest provides comfortable support.

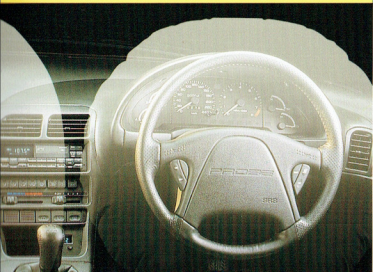

While the Probe interior provides a big picture of luxury and ergonomic efficiency, numerous other features and details will impress and delight you. The Probe is quiet. Effective insulation isolates and suppresses excessive road, wind and mechanical noise.

The more you drive, the more you'll find fully imported Probe holds special pleasures and rewards for all who genuinely enjoy driving.

**As sleek on  
the inside as it is  
on the outside.**

*Climate and entertainment controls are conveniently located and easy to operate. The premium audio system includes stereo AM/FM radio, cassette player, sub-woofer and power antenna.*

*Probe includes the security of dual airbags for the driver and front seat passenger.*

**S**uperbly comfortable. Pleasing to the eye. A pleasure to control. That's Ford Probe, with the safety of standard dual airbags for driver and front seat passenger, and an interior that is fully equipped and ergonomically efficient.

Because this is a sports coupe, the obvious place to conduct a Probe interior assessment is from the driver's seat (which, by the way, has power lumbar/bolster adjustments).

The leather steering wheel feels good, the instrument display is clear and easy to read. All the ergonomics work just right. The audio and climate controls fall easily

*Convenient door-mounted power window controls.*

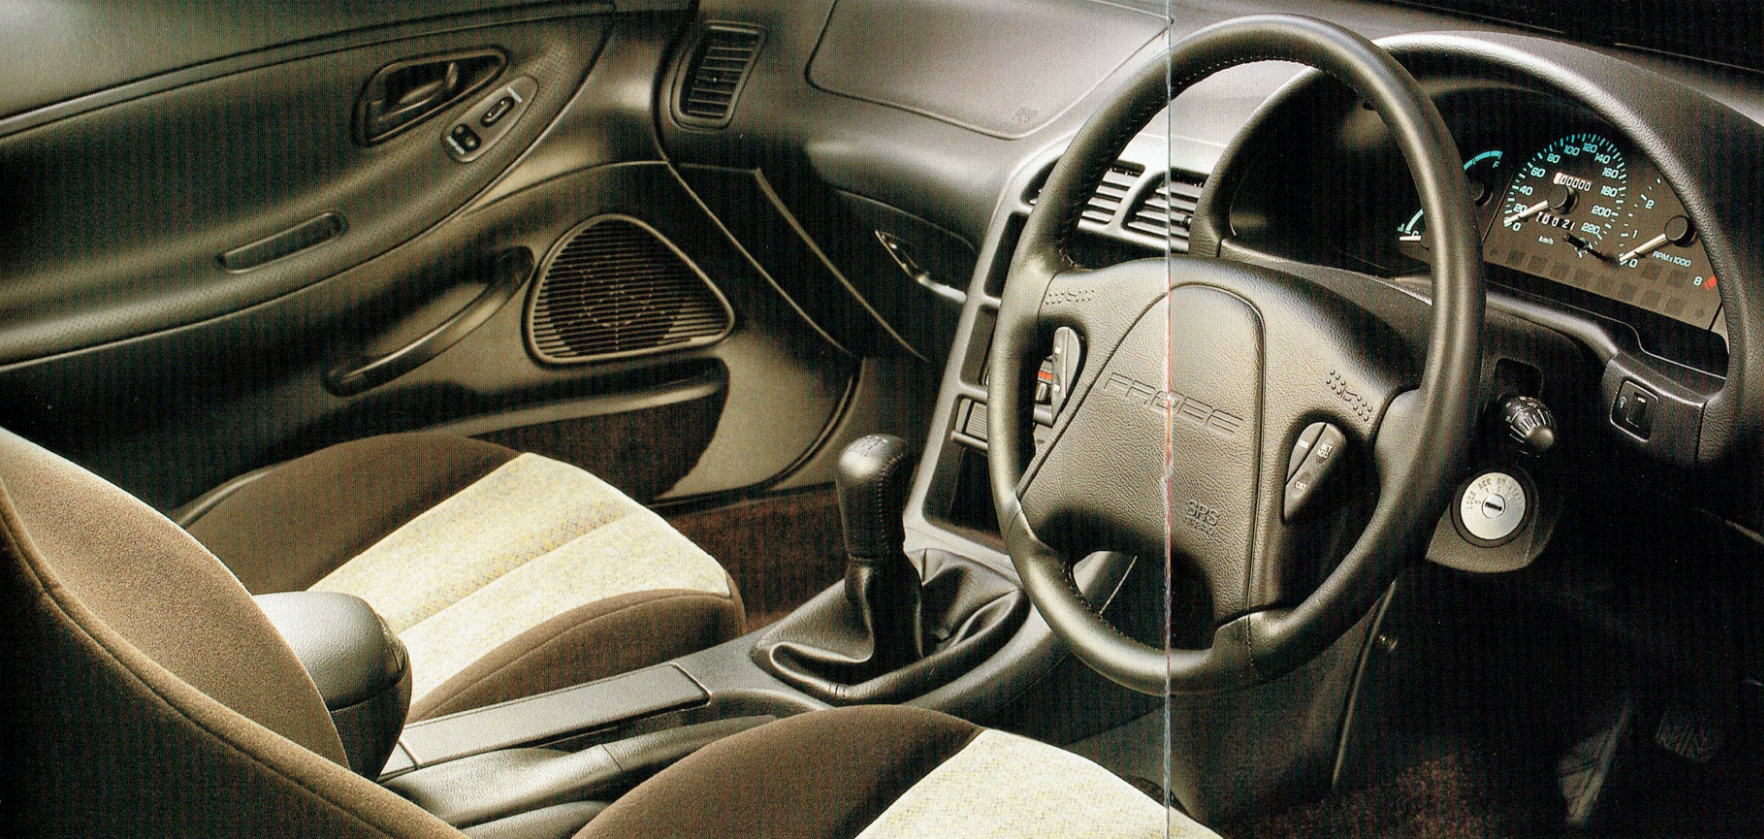

*Seat back angle memory on both front seats.*

*Split-fold rear seat accommodates awkward loads.*

## SPECIFICATIONS

### Mechanical

2.5 L 24 valve DOHC multipoint EFI V-6 engine.

Close-ratio 5-speed manual transmission.

Optional 4-speed electronically controlled automatic transmission with o/d lock-out.

Power assisted 4-wheel disc brakes (front ventilated).

Anti-lock Braking System (ABS).

Variable ratio power rack and pinion steering.

Fully independent suspension.

### Exterior

16 in. x 7 in. 5-spoke alloy wheels.

P225/50VR16 Michelin tyres.

Rear spoiler.

Flush body coloured door handles.

Body coloured, heated, electric ext. mirrors.

Driving lamps.

Rear windscreen wiper/washer.

### Interior

Driver and front passenger airbags.

Plush sports style velour seat fabric.

Power windows with "express down" driver window feature.

Central locking linked with anti-theft car alarm.

Front sports seats: – driver's has electronically adjustable side bolsters and lumbar support, manual height adjustment. Both front seats have mechanical memory on seat back recline angle.

CFC-free air conditioning.

Cruise control.

Premium AM/FM radio with auto reverse cassette deck, 5 speakers and sub-woofer.

Leather bound steering wheel and manual gear shift knob.

Remote tailgate and fuel filler release.

Comprehensive instrumentation inc. tachometer, water temperature and oil pressure gauges.

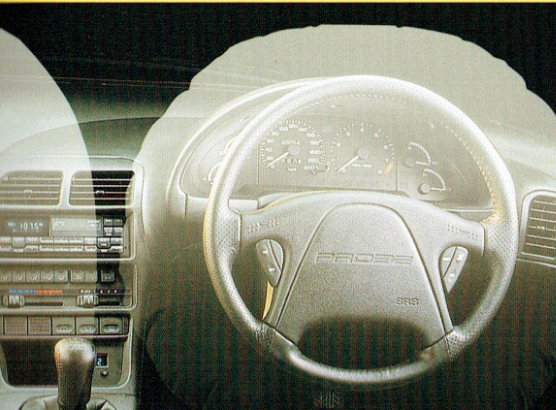

Comprehensive warning light system and audible warning for lights left on, key left in ignition and seat belt reminder.

50/50 split fold rear seat.

**As sleek on  
the inside as it is  
on the outside.**

*Climate and entertainment controls are conveniently located and easy to operate. The premium audio system includes stereo AM/FM radio, cassette player, sub-woofer and power antenna.*

*Probe includes the security of dual airbags for the driver and front seat passenger.*

# Standard Equipment Ford Probe

## MECHANICAL

- 2.5 litre DOHC EFI V6 24 valve engine
- 5 speed manual transmission
- Four-wheel disc brakes (Front — ventilated discs) (Rear — solid discs)
- Electronic four-channel anti-lock brakes (ABS)
- Speed sensitive power steering — rack and pinion
- Independent sports suspension

## EXTERIOR

- 16" x 7" 5-spoke alloy wheels
- P225/50VR16 Michelin tyres
- Twin exhaust
- Anti-theft alarm
- Flush, body coloured door handles
- High strength, tubular steel side door intrusion beams
- Colour-keyed bodyside protection mouldings
- Pop-up headlamps
- Driving lamps
- High mounted rear stop light
- Body coloured, heated, electric exterior mirrors
- Tinted glass
- Windscreen wiper - variable interval with anti-lift spoiler
- Rear windscreen wiper/washer
- Power antenna
- Rear spoiler

## INTERIOR

- Driver and front passenger air bags
- CFC-free air conditioning
- Cruise control
- Power door locks
- Power windows with driver window express down feature
- Tilt adjustable steering column
- Leather bound steering wheel
- Leather bound gearshift knob (Man)
- Sports seats - front bucket seats with dual recliners and velour integral headrests
- Velour seat trim
- Driver seat has electronically adjustable side bolsters and lumbar support, and manual height adjustment
- Driver and passenger seats have seat back recline with mechanical memory
- 50/50 split fold rear seat
- 3-point active seat belts (front and rear)
- Sport door trim with integral armrest and passenger side grab handles
- Remote release for fuel filler
- Remote release for tailgate
- Rear windscreen demister
- Side window demisters vents
- Driver's footrest
- Passenger side seatback map pocket
- Centre console with cup holder
- Locking glove box
- Dual note horn

## INTERIOR (continued)

- Gauges: speedometer, odometer, tachometer, tripmeter, fuel gauge, water temperature gauge, oil pressure gauge, and volt meter
- Warning Lights: parking brake on, ABS, seat belt, air bag, high beam, door and tailgate ajar, low fuel, washer fluid low, anti-theft, rear window and exterior mirror demist, check engine, cruise control, O/D off (for auto trans only)
- Warning Chimes: lights left on, ignition, seat belt
- Lights: map light, illuminated ignition switch and driver's side key lock, fading to off interior dome light, glove box and luggage compartment
- Courtesy 45 minute time delay, switch-off mechanism for interior lights
- Sun visors with dual illuminated mirrors
- Day/Night interior rear view mirror
- Luggage compartment storage net
- Electronic tuned AM/FM radio, auto reverse cassette deck with 5 speakers
- Electronic digital clock integral with cassette storage bin

## OPTIONS AND ACCESSORIES

- 4 speed electronically controlled automatic transmission
- Carpet mats
- Rear sun shade

<b>General</b>		<b>Man</b>	<b>Auto</b>
Kerb weight (kg)	Front axle	825	860
	Rear axle	490	490
	Total	1315	1350
Fuel tank capacity (litres)		59	
Luggage capacity (litres)			
— Seat upright		312	
— Seat folded		354	
— Seat folded & parcel tray removed		572	

### Suspension

Independent sports suspension

#### FRONT

- Independent strut located by control arm
- Coil springs
- 27.7mm diameter anti-roll bar

#### REAR

- Independent strut located by one trailing link and two lateral links
- Coil springs
- 12mm diameter anti-roll bar

### Brakes

- Dual circuit, diagonally split, hydraulically-operated with vacuum servo
- Electronic four-channel anti-lock brakes
- Front Ventilated discs, diameter 258mm
- Rear Solid discs, diameter 261mm

### Transmissions and Ratios

	5 Speed Man	4 Speed Auto
1st gear ratio	3.307	2.800
2nd gear ratio	1.833	1.540
3rd gear ratio	1.310	1.000
4th gear ratio	1.030	0.700
5th gear ratio	0.795	—
Reverse ratio	3.166	2.333
Final drive ratio	4.388	4.157

### Selected Fuel Consumption Data

This data is based on AS2877 Tests conducted for Ford

CITY	L/100km	Manual	10.5
		Auto	11.0
HIGHWAY	L/100km	Manual	8.0
		Auto	8.5

These figures are provided to assist you in comparing the fuel consumption of Probe with other vehicles. The actual fuel consumption you achieve will depend, however, on many factors, including your driving habits, the prevailing conditions and your vehicle's equipment, condition and use.

**About this specification sheet.** This sheet is designed to provide you with selected specification data for the Ford Products which have been described in a general way in the relevant brochure. Because of changes in conditions and circumstances Ford\* reserves the right, subject to all applicable laws, at any time, at its discretion, and without notice to discontinue or change the features, designs, materials, colours and other specifications and the prices of its products, and to either permanently or temporarily withdraw any such products from the market without incurring any liability to any prospective purchaser or purchaser.

Because of variations which occur in manufactured products, all capacities, measurements, dimensions and weights quoted in the relevant brochure and this specification sheet should be taken as approximate only.

Always consult an Authorised Ford Dealer for the latest information with respect to features, specifications, prices, optional equipment and availability before deciding to place an order.
