

Limited in Millennium Silver Metallic with available roof rack.

EQUALLY AT HOME IN BAJA AS IT IS ON THE BOULEVARD.

Today we're headed to a world where only four-footed vehicles like 4Runner dare to tread. It's a brutal stretch of Jurassic-size boulders and steep climbs over slick rock. It's fortunate for us that we're in my 4Runner. With its Multi-Mode 4WD,* available 183-hp V6, class-leading ground clearance and standard front suspension skid plates, it can crawl right over some pretty big stuff. 4Runner is equally at home in this uncharted territory as it is on a winding ribbon of pavement.

STANDARD FEATURES

4RUNNER

- Aerodynamic multi-reflector halogen headlamps with auto-off feature
- Chrome front and rear bumpers and grille
- Dual black outside mirrors
- Intermittent windshield wipers with mist cycle
- UV reduction glass

*The Toyota driver and front passenger air bags are a Supplemental Restraint System (SRS) designed to inflate in a severe frontal collision. In all other accidents, seatbelts offer primary protection, and the air bags will not inflate. Do not sit or place objects close to an air bag. To minimize the risk of severe injury or death in all types of crashes, seatbelts must be worn at all times by all vehicle occupants. Do not use a rearward-facing child seat in any front passenger seat. The force of a deploying air bag SRS may cause serious injury or death. For more information on air bags and instructions on child seat usage, see the Owner's Manual.

**In addition to or in place of.

¹Includes color-keyed cladding on 4Runner Limited.

²Gray interior not available with Leather Trim Package.

³Oak Leather Trim standard on 4Runner Limited.

⁴Not available with Sport Package.

⁵Not available on 4Runner Limited.
