

↗ 2000 CAMRY

Camry LE

HERE'S SOMETHING ELSE TO SMILE ABOUT.

Weekends. Free time. Time to spend with the people you care about. Going places. Enjoying life. This is what it's really all about. And to help you make the most of it, there's the Camry LE. It constantly inspires you with pride as well as a sense of confidence. With its sleek lines enhanced by a fresh new look, it's more stylish than ever before. And just the sound of a door closing speaks volumes about its careful design and quality craftsmanship. Uniquely appealing and undeniably sophisticated, the LE proves over and over again that Camry's reputation as a people-pleaser is well-deserved.

STANDARD FEATURES AND OPTIONS
CE

- Aerodynamic multi-reflector halogen headlamps with auto-off feature
 - P195/70R14 tires on 14" steel wheels with full wheel covers
 - Dual black remote-controlled outside mirrors
 - High Solar Energy-Absorbing (HSEA) glass
 - Washer-linked intermittent windshield wipers
 - On-glass antenna
 - Driver and front passenger air bag Supplemental Restraint System (SRS)¹
 - Tilt steering wheel
 - Fabric seat and door trim with integrated armrests, dual map pockets and cut-pile carpeting with driver-side footrest
 - Multi-adjustable bucket front seats with adjustable headrests
 - 60/40 split/fold-down rear seats with fold-down center armrest, adjustable outboard headrests and security locks
- EXTRA VALUE PACKAGES**
- Air conditioning, Power Package (power windows, door locks and dual color-keyed mirrors), variable intermittent windshield wipers and carpeted floor mats

¹The Toyota driver, front passenger and front seat-mounted, side-impact air bags are Supplemental Restraint Systems (SRS). The driver and front passenger air bags are designed to inflate in a severe frontal collision. The side-impact air bags are designed to inflate in severe side-impact collisions. In all other accidents, the air bags will not inflate. To decrease the risk of injury from a deploying air bag, always wear seatbelts, sit upright in the middle of the seat and do not lean against the door. Do not put objects in front of an air bag or around the seatback.

Do not use rearward-facing child seats in any front passenger seat. The force of a deploying air bag SRS may cause serious injury or death. Please see your Owner's Manual for further instructions.

²133 hp @ 5,200 rpm with California emissions.

³148 lb.-ft. @ 4,400 rpm with California emissions.

⁴192 hp @ 5,200 rpm with California emissions.

⁵207 lb.-ft. @ 4,400 rpm with California emissions.

⁶Automatic transmission model only.

⁷Preliminary mileage estimates determined by Toyota. Final EPA mileage estimates not available at time of printing. See your Toyota dealer for details.

Some vehicles are shown with available equipment. Seatbelts should be worn at all times. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer.

A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of printing, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).
