

PreRunner in Lunar Mist Metallic with available Value Edition Plus Package.

# ↗ 2000 TACOMA

There's so much to see and do out there. Like exploring a mountain range. Or taking the road that's not on any map. If you're up for the challenge, Tacoma is a great place to start.

The challenges of a new century. And the trucks to handle them. The year 2000 marks a new century bursting with possibilities. And while Toyota's forward thinking continues, you can count on Tacoma's legendary quality and reliability to meet your ever changing needs. With class-leading ground clearance, a choice of two powerful engines and "shift-on-the-move" 4WDemand, Tacoma 4x4 is built to take on your toughest off-road challenges. Maybe your challenges don't require 4-wheel drive. Tacoma PreRunner is the 4x2 that stands tall — with the highest ground clearance like its 4x4 brothers — and stands apart from any other 4x2. If your challenges are closer to home, Tacoma 4x2 has the muscle to take on most any job. And Tacoma's comfortable, well-equipped cab won't rough you up in the process. So whether it's the weekend or the workday, take on those challenges with Tacoma.
