APPLY HEAT TO THE STREET

> Introducing the Series III Falcons. A range of cars featuring improvements designed to take driving excitement to another level. Cars like the latest, bitumen-melting Falcon XR sports sedans. Built to ignite your driving passion and deliver extreme exhilaration every time you turn the key. Come and enjoy some of the most exciting cars on the Australian road.

XR8

RACE WINNING LOOKS.

> Falcon XR8's looks have been honed by the heat of the racetrack. Its aggressive stance is made all the more powerful by a new, race-bred body kit featuring mean mesh bumper inserts and a two-tone finish on the side skirts and rear bumper. It's a V8 Supercar look you can take to the road.

XR8

HIGH-POWERED EXCITEMENT.

> Falcon XR8 now delivers even more thrilling performance. The hand built 5.0 litre V8 has been enhanced by Tickford, with modifications including a new camshaft, bigger valves, bigger ports and more. It all adds up to an explosive 220kW, not to mention an exhaust note tougher than hardened steel.

XR6

CREATED FOR THE THRILL OF DRIVING

> Accelerate your driving excitement with Falcon XR6 or Falcon XR6 VCT. They're equipped with Tickford-enhanced sports tuned engines and suspensions. Falcon XR6 VCT delivers 172 kW of power through Variable Cam Timing that adjusts camshaft timing for even greater performance. Falcon XR6 delivers 164 kW of competition beating grunt. All Falcon XR models can also employ the optional 'Adaptive Shift' 4-speed auto transmission with five shift maps to provide gear changes matched to your driving style - from maximum performance changes to more relaxed shifting.

For a surge of adrenalin right now, not to mention a stack of extra information, hop on the Net and visit Ford and the Tickford-enhanced Falcon XR's at www.ford.com.au

Falcon XR instruments include unique 240 km/h speedometer and tachometer set in easy-to-read blue graphic display.

Optional 250-watt Premium audio has 11 speaker elements, separate amplifier, sub-woofer and 6-disc in-dash CD.

FAIRMONT *Ghia*

**FOR THE
LUXURY CAR
ENTHUSIAST.**

> Series III Fairmont Ghia spoils the driver with enhanced levels of comfort and style. More than ever it offers the ultimate driving experience through a skillful combination of advanced technology, quality materials and detailed craftsmanship. Indulge your driving passion and your taste for luxury - it's the reward you richly deserve.

FAIRMONT

**INDULGE
IN SPIRITED
DRIVING.**

> Delivering smooth, free-flowing power, Fairmont Ghia's stirring 5.0 litre V8 engine is a tempting option. But it's not the only way to enjoy this luxury car. The 4.0 litre 6-cylinder VCT engine boasts Variable Cam Timing technology, producing abundant low speed torque and smooth, exhilarating top-end power. Naturally the advanced engineering doesn't end there. Impressive handling and roadholding come from fully independent double wishbone front and rear suspension coupled with stylish new 16-inch alloy wheels.

FAIRMONT

LUXURY POWERS ON.

> Fairmont sedan and wagon offer the performance of Ford's sophisticated 157 kW 4.0 litre Intech OHC 6-cylinder engine. The list of safety features is also high-powered, as both Fairmont and Fairmont Ghia have 4-wheel, 4-channel anti-lock brakes (ABS) and traction control as standard. Inside, automatic climate control,

power windows and cruise control mean relaxed driving over the longest distances. And, as Series III offers a new 6-way power driver's seat, 6-disc in-dash audio system plus the option of leather seats, you may never want to stop. But the luxury isn't all inside, as prestige alloy wheels, chrome side protection mouldings and bumper insert ensure a distinguished appearance.

A COMFORT ZONE.

> A superbly appointed personal space - that's Fairmont Ghia. The Series III Fairmont Ghia indulgence begins with the standard Howe leather interior, perfectly enhanced by elegant wood grain panels. It's the ideal environment in which to enjoy the 250-watt premium audio system that dash-loads up to six CDs. And, with a 10-way driver's seat boasting a memory function linked to the mirrors, you'll always be assured of complete comfort.

Voice Guidance leads you to your destination.
 Satellite Navigation is available as an option on sedans.*

*Ford Navigation system with premium colour display only available as an option on Fairmont and Fairmont Ghia sedans. Not available in New Zealand. When fitted, safety restricted with airbag. Lighter and full height antenna feature deleted. Music splices with optional Premium Sound on Fairmont sedan.

Standard 250-watt premium audio has 11 speaker elements, separate amplifier, sub-woofer and 6-disc in-dash CD. The ultimate in driving entertainment.

Elegant wood grain panel houses the message display centre: permanent ambient temperature, climate control, trip computer and overspeed warning.

FALCON futura

**SAFETY AND
STYLE JOIN
FORCES.**

> Falcon Futura's list of features is stronger than ever before. For starters prestige alloy wheels and side skirts create a powerful stance. Inside you'll enjoy the added comfort of a plush velour

interior and rear power windows. Of course, performance is truly a force to be reckoned with, thanks to Australia's most powerful petrol powered standard 6-cylinder engine (also available as Dedicated LPG). And Falcon Futura's built-in safety is also tough to beat. Standard features include dual airbags, ABS, pyrotechnic seat belt pre-tensioners and much more.

Falcon Futura shown in Monsoon Blue.

**PERFORMANCE
WITH
CONFIDENCE.**

> Falcon Forté matches performance with total peace of mind. That's because standard ABS now joins an impressive list of safety features, including driver and passenger airbags. But the extras don't stop there, as there's also sporty side skirts and colour coded exterior highlights for a more purposeful look. The long list of other standard features includes air-conditioning, CD player and front power windows. And no less impressive is the performance on tap, with Australia's most powerful petrol powered standard 6-cylinder engine (also available as Dedicated LPG) providing class-leading towing capacity.

FALCON

**RELAX,
STRETCH OUT
AND ENJOY.
YOU'RE IN A
FALCON.**

> Ample room and versatile luggage space is a Falcon trademark, as is the host of features included for your convenience and enjoyment. Like a CD player in every model, audio controls on the steering wheel, driver and passenger front airbags, CFC-free air-conditioning, front power windows and a 60/40 split-fold seat that leads to the biggest boot in its class.

Class leading boot space for all your stowage needs.

Convenient steering wheel-mounted controls for audio volume, station, CD track and speed alert settings.

All Falcon models offer the added protection of driver and front seat passenger airbags as standard equipment.
