Footnotes

- (a) These figures are obtained from controlled laboratory tests conducted by Ford Motor Company of Australia Limited to Australian Standard ASSR7 1986 and are provided to assist you in companing the fall consumption of Falcon with other vehicles. The actual fuel companing you achieve will depend, however, or many factors, including your divining habits, the pressing conditions and your vehicle's equipment, condition and use.
- (b) Approximate kerb weight for a Falcon Forte fitted with 4.0 litre intech OHC engine and 4 speed automatic transmission.
- (c) With rear seats upright
- (d) With rear seats folded down.

 (e) With rear seat folded down. Estimate based on SAE Cargo Volume Index (VI) less an allowance of 43 litres for full site spare wheel carried in load area.
- (f) Excludes exterior side mirrors. (g) Forté and Futura sedan.
- Headroom is reduced by approx. 40mm when the optional Ford sunroof is specified. 00
- (i) With space saver tyre.
