

02 LAND CRUISER

Land Cruiser shown in Atlantis blue Mica.

The road may eventually end. But that never stops you. You go deep into a land and a culture. That's where the most amazing experiences lie. The unforgettable sites. The gracious people. The unique way of life. These aren't touristy facades, but genuine constructs. And that's what the 2002 Land Cruiser is all about. It's a vehicle that offers a uniquely rewarding travel experience. Just ask anyone who owns one. If they're ever home.

STANDARD FEATURES

- Full-time 4WD system with locking center differential
- Vehicle Skid Control (VSC)¹ + Brake Assist²
- Traction Control (TRAC)
- Reclining leather-trimmed 60/40 split fold-down second-row bench seat with center and outboard headrests and 3-point seatbelts
- Foldaway/removable leather-trimmed 50/50 split fold-down third-row bench seat with outboard headrests, 3-point seatbelts and 2-point center lap belt
- CFC-free automatic climate control and independent automatic rear climate control system
- Tilt/slide power glass moonroof with sunshade and one-touch open/close operation with pinch protection
- Auto-dimming electrochromic rearview mirror with compass³
- JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with 6-disc in-dash changer, 7 speakers, 300 watts (maximum output), FM diversity reception and adjustable power antenna
- Anti-theft system with engine immobilizer
- Aerodynamic multi-reflector halogen headlamps with Daytime Running Lights (DRL) and auto on/off feature
- Integrated fog lamps

Available 5-spoke aluminum alloy wheel

- Color-coordinated front and rear bumpers and body side moldings
- P275/70R16 tires on 5-spoke aluminum alloy wheels
- Front and rear frame-mounted towing hooks
- Front and rear heavy-duty mudguards
- All-Weather Guard Package — includes heavy-duty battery, starter and windshield washer fluid tank; rear-seat heater ducts
- Dual color-keyed power heated outside mirrors
- Privacy glass with UV reduction
- Leather-wrapped steering wheel and shift lever
- Driver and front passenger dual sun visors with illuminated vanity mirrors
- Tilt steering wheel
- Power door locks and windows including power rear quarter windows
- Driver and front passenger air bag Supplemental Restraint System (SRS)*
- Overhead console with HomeLink^{®4} universaltransceiver
- Dual maplights for front- and second-row seats
- Variable intermittent front and intermittent rear wipers
- 10-way driver and 8-way front passenger power-adjustable heated leather-trimmed seats with armrests and adjustable headrests
- Key-integrated multi-function remote keyless entry system with panic feature
- Cruise control
- Front and rear door and front seatback storage pockets
- 9 cup holders
- Center console storage area
- 3 auxiliary power outlets (center instrument cluster, console storage area and rear cargo area)
- Outside temperature display
- Speedometer, tachometer, coolant temperature, fuel level, oil pressure and voltmeter gauges
- Digital odometer and twin tripmeters
- Air bag, seatbelt, low-fuel level, door-ajar and rear tailgate warning lights

OPTIONS PACKAGE

- Navigation System⁵ — includes touch-screen DVD navigation system with 7-inch display, integrated audio and climate controls, and JBL Premium 3-in-1 AM/FM ETR/Cassette/CD with center console 6-disc CD/DVD changer, 7 speakers, 300 watts (maximum output), FM diversity reception and adjustable power antenna

SPECIFICATIONS
Mechanical/Performance

Engine	4.7-liter DOHC 32-valve EFI V8
230 hp @ 4,800 rpm; 320 lb.-ft. @ 3,400 rpm	
Ignition	Distributorless Toyota Direct Ignition system (TDI)
Transmission	4-speed electronically controlled automatic overdrive (ECT) and second-gear start mode and power mode
Body construction	Unitized steel body on 9-member ladder frame
Drivetrain	Full-time 4-wheel-drive system with locking center differential
Suspension	Independent double-wishbone front suspension with torsion bar springs and stabilizer bar; 4-link rear suspension with coil springs, stabilizer bar and semi-floating axle
Steering	Engine speed-sensing power-assisted rack-and-pinion
Turning circle diameter — curb to curb (ft.)	39.7
Brakes	Power-assisted 4-piston front/2-piston rear ventilated disc brakes with hydraulic brake booster
Anti-lock Brake System (ABS)	Standard, operates in high and low range
Traction Control (TRAC)	Standard
Vehicle Skid Control (VSC) ¹ + Brake Assist ²	Standard

Exterior Dimensions (in.)

Overall height	73.2
Overall width	76.4
Overall length	192.5
Wheelbase	112.2
Track (front/rear)	63.8/63.6

Interior dimensions front/middle/rear (in.)

Head room	39.2/39.1/36.4
Shoulder room	62.4/61.2/61.2
Hip room	58.6/57.9/56.3
Leg room	42.3/34.3/27.3
Seating capacity	8

Off-Highway

Skid plates	Transfer case and fuel tank
Angle of approach/departure/breakover (degrees)	31/24/24
Minimum running ground clearance (in.)	9.8
Rear axle ratio	4.30:1
Transfer case ratios — 2-speed (high/low)	1.0:1/2.488:1

Weights and Capacities

Curb weight (lbs.)	5,115
Gross Vehicle Weight Rating — GVWR (lbs.)	6,860
Payload ⁶ (lbs.)	1,745
Cargo volume (cu. ft.) behind front/middle/rear seats	90.8/39.2/20.8
Towing capacity ⁷ (lbs.)	6,500
Fuel tank (gals.)	25.4

Tires

Size	P275/70R16
Type	Mud-and-Snow-rated steel-belted radial blackwall
Spare	Full-size with alloy wheel

Mileage Estimates (MPG City/Highway)⁸

13/16

¹Toyota Vehicle Skid Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your Owner's Manual for further details.

²Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

³Without compass on models with navigation system.

⁴HomeLink® is a registered trademark of Johnson Controls, Inc.

⁵The touch-screen DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. See your navigation Owner's Manual and your Toyota dealer for further details.

⁶Including weight of occupants, equipment and cargo.

⁷Do not exceed the Gross Combined Weight Rating for your vehicle. For each model, a Class III or IV receiver hitch and sway control device are either required or recommended additional equipment. See your Toyota dealer for GCWR limits, additional required equipment and a copy of the Toyota Trailing Guide.

⁸Preliminary mileage estimates determined by Toyota. Final EPA mileage estimates not available at time of printing. See your Toyota dealer for details. *The Toyota driver and front passenger air bags are Supplemental Restraint Systems (SRS). The driver and front passenger air bags are designed to inflate in a severe frontal collision. In all other accidents, the air bags will not inflate. To decrease the risk of injury from a deploying air bag, always wear seatbelts and sit upright in the middle of the seat as far back as possible from the air bag modules. Do not put objects in front of an air bag. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying air bag SRS may cause serious injury or death. Please see your Owner's Manual for further instructions.

Some vehicles are shown with available equipment.

Toyota Land Cruisers are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment.

Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle. Specifications, standard features and available equipment are based upon information available at the time of printing, are subject to change without notice, are for mainland U.S.A. vehicles only and may differ in the state of Hawaii and in other regions.
