MAKING THE SMART MOVE

## Suzuki XL-7

Those days when you were footloose and fancy-free, devil-may-care, having a ball, ready for anything... remember that? If you'd like to be right there again, but be able to take the kids along for the ride, size up the XL-7. It's a real family trip.

[suzuki.com](http://suzuki.com)

MSRP STARTING AT **\$20,399\***

\*XL-7 2WD LX. MSRP does not include freight, government fees or dealer charges.  
XL-7 4WD EX shown in Silky Silver Metallic, MSRP \$25,799.

# Styling

## 16 "aluminum-alloy wheels.

Few things are as important to the look of a vehicle as its wheels. The standard 16 "aluminum-alloy wheels on the XL-7 are a very nice addition.

## Let there be light.

Fog lamps come standard on the XL-7 EX, which greatly improves visibility in inclement weather conditions.

## Let the sunshine in.

It's nice to have the sun shining down on you. It's even nicer when you can make it happen simply with the power tilt-and-slide sunroof, standard on EX.

# Comfort

## Comfortable all over.

When you specify third-row seating, XL-7 will come with rear air conditioning as well. And that's good news for all your back-seat passengers.

## Keep your hands on the wheel.

It's important to keep your focus on the drive at hand at all times, which is why the XL-7 has a standard tilt steering wheel with integrated audio controls.

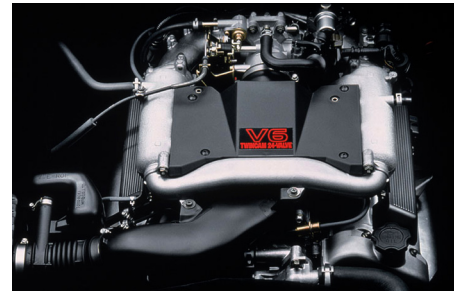

## Here's music to your ears.

The XL-7 comes with a CD player with 7 speakers, including subwoofer. The EX model features a 6-disc in-dash CD changer.

## Fresh air, anyone?

The XL-7 not only features standard automatic climate control, there's even a micron air-filtration system that cuts down on airborne pollen and dust.

# Performance

## Under the hood? A standard V6.

Part of what the XL-7 has over the competition is what's under the hood: a 185-hp, 2.7-liter, 24-valve, DOHC V6 engine with a towing capability of up to 3,000 lb.

## 4WD at the push of a button.

Switching to 4-wheel drive couldn't be easier on 4WD models, thanks to a DriveSelect Push-button 4WD System located on the center console.

## 5-speed automatic transmission.

The electronically controlled automatic transmission has five speeds, as well as a Power-mode selector switch. (Standard on EX, optional on LX)

# Safety

## Tire-pressure monitoring system.

Improperly inflated tires not only have a shorter life expectancy, they can also affect your overall safety. The XL-7's tire-pressure monitoring system alerts the driver when tire pressure becomes critically low. Please see Specification Page for more information.

## Put on the brakes.

The XL-7 features an antilock brake system with Electronic Brake-force Distribution (EBD). It improves braking in slippery conditions while enhancing your ability to avoid an obstacle or sudden hazard. (Optional on XL-7 LX 2WD)

## "Kids will be kids."

Since they all will, Suzuki vehicles have rear-door child-safety locks. You already have a lot of things on your mind; this doesn't need to be one of them.

## AMERICA'S #1 WARRANTY

100,000 MILES • NO DEDUCTIBLE • FULLY TRANSFERABLE

See your local dealer for full details.

**Suzuki's 100,000-mile/7-year Powertrain Limited Warranty:** Every 2005 Suzuki comes standard with **America's #1 Warranty**, a fully transferable, \$0-deductible, 100,000-mile/7-year powertrain limited warranty. **Duration:** Covers 100,000 miles or 7 years, whichever comes first. This provides owners over 14,000 miles of coverage per year. Most competitive warranties cover only 10,000–12,000 miles per year. **Fully Transferable:** Can be transferred from owner to owner, adding value at the time of resale or trade-in. **No Deductible:** If any repairs to covered components are necessary within 100,000 miles or 7 years, there is zero charge for parts and labor.

**Suzuki's New Vehicle Limited Warranty:** Covers all components of the vehicles as supplied by Suzuki for 36 months or 36,000 miles, whichever comes first. The battery is covered for 24,000 miles. There is no deductible. Any repairs to correct defects in materials will be made with no charge for parts or labor. Should original body sheet-metal panels develop perforation due to corrosion, they're covered for 36 months, with no limit on mileage. Tires are covered by a separate warranty from the tire manufacturer. **Roadside Assistance Program:** Covers any new Suzuki vehicle during the 36,000-mile/3-year New Vehicle Limited Warranty period. Roadside Assistance is available 24 hours a day, 365 days a year, in the U.S. and Canada. **Courtesy Vehicle Program:** The Warranty Repair Courtesy Vehicle Program is administered through Suzuki dealers and Enterprise Rent-A-Car. If a Suzuki vehicle is rendered inoperable, unsafe or illegal to operate due to a defect in materials or workmanship, and is required to stay overnight at a Suzuki dealer to complete a warranty repair during the 36,000-mile/3-year New Vehicle Limited Warranty period, your Suzuki dealer will provide a courtesy rental vehicle for up to five days through Enterprise Rent-A-Car.

Drive responsibly: Buckle up for safety—don't drink and drive. **WARNING:** Sport Utility Vehicles handle differently from ordinary passenger cars. Avoid sharp turns and abrupt maneuvers. Always wear your seatbelt. For specific details, please read your owner's manual for on- and off-road driving tips. To avoid injury from an airbag, always place children twelve years old and under in the rear seat; always move both driver and passenger seats as far back from airbag as practical; never transport a child in a rear-facing child seat in the front seat; and always use the seatbelts and buckle up properly. Always keep cargo loads within specified weight limits, distribute cargo evenly and secure it from shifting. Pricing, specifications and equipment based on information available at the time of file posting, subject to change without notice and may differ in each sales area. Some vehicles shown with optional equipment. For more details on 2005 options, accessories, specifications and prices, contact your local Suzuki dealer. "Tread Lightly®" on public and private land. Along with concerned conservationists everywhere, Suzuki urges you to preserve your future off-road driving opportunities by showing respect for the environment, local laws and the rights of others.
