

05 MODEL GRADES

FINALLY SEE THE APPEAL IN A COBBLESTONE STREET.

Highlander shown in Millennium Silver Metallic with available color-keyed front and rear mudguards and privacy glass

Highlander Limited shown in Bluestone Metallic with available moonroof

05 INTERIOR

ENGINEERED BY THOSE WHO BELIEVE "GOOD VIBRATIONS" IS AN OXYMORON.

Highlander Limited shown in Ivory with available Leather Seat Package, driver and front passenger seat-mounted side airbags and front- and second-row roll-sensing side curtain airbags.¹ JBL 3-in-1 AM/FM Cassette/6-disc in-dash CD changer with eight speakers in six locations, heated front seats and floor mats

Available JBL 3-in-1 AM/FM Cassette/6-disc in-dash CD changer with eight speakers in six locations.

Driver and front passenger Advanced Airbag System. Available driver and front passenger seat-mounted side airbags and front- and second-row roll-sensing side curtain airbags.¹

Available rear-seat DVD entertainment system.

Available fold-flat-into-floor third-row seat.

1. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in certain types of severe side-impact collisions. The front and rear side curtain airbags are also roll-sensing side curtain airbags (RSCA) and are designed to deploy at a severe tilt degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

\$ = Standard 0 = Optional – = Not Available
P = Feature available only as part of an option package.

1. Standard on models with third-row seats.

2. Standard on 4WD models, not available on 2WD models.

3. Requires 16-in. alloy wheels or Appearance Package on Highlander.

4. Requires either urethane steering wheel with audio controls, privacy glass, Appearance Package or Leather Seat Package.

5. The Toyota DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your *Navigation System Owner’s Manual* and your Toyota dealer for further details.

6. Requires JBL 3-in-1 AM/FM Cassette/6-disc in-dash CD changer, eight speakers in six locations and in-glass antenna with FM diversity reception on Value Package.

7. Requires JBL audio, power moonroof or Value Package (Limited only).

8. 8-way driver and 4-way passenger.

9. Middle on third-row models.

10. Two-row models recline eight steps, three-row models recline seven steps.

11. Available on 4-cylinder 2WD and V6 2WD models. Standard on V6 4WD models.

12. Requires JBL audio.

13. Toyota’s Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner’s Manual* for details.

14. Included with available driver and front passenger seat-mounted side and front- and second-row roll-sensing side curtain airbags, Preferred Package and Leather Seat Package.

15. Compass deleted from auto-dimming rearview mirror on Highlander Limited models equipped with navigation.

Options

- JBL 3-in-1 AM/FM Cassette/6-disc in-dash CD changer, eight speakers in six locations and in-glass antenna with FM diversity reception
- Touch-screen DVD navigation system^{15, 16}

1. Toyota Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details.

2. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions.

3. Toyota's Tire Pressure Monitor System alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the Monitor System. See your *Owner's Manual* for details.

4. The Toyota driver, front passenger, front seat-mounted side airbags and side curtain airbags are Supplemental Restraint Systems (SRS). The driver and front passenger airbags are designed to deploy in severe (usually frontal) collisions where the magnitude and duration of the forward deceleration of the vehicle exceed the design threshold. The side airbags and side curtain airbags are designed to deploy in certain types of severe side-impact collisions. The front and rear side curtain airbags are also roll-sensing curtain airbags (RSCA) and are designed to deploy at a severe tilt degree, roll or lateral G-force. In all other accidents, the airbags will not deploy. To decrease the risk of injury from a deploying airbag, always wear seatbelts, sit upright in the middle of the seat as far back as possible from the airbag modules and do not lean against the door. Do not put objects in front of an airbag or around the seatback. Do not use rearward-facing child seats in any front passenger seat. The force of a deploying SRS airbag may cause serious injury or death. Please see your *Owner's Manual* for further instructions.

5. HomeLink® is a registered trademark of Johnson Controls, Inc.

6. Rear seat on two-row models, middle seat on three-row models.

7. Requires aluminum alloy wheels or Appearance Package on Highlander V6.

8. Requires Leather Seat Package.

9. Requires JBL audio, power moonroof or Value Package (Limited only).

10. V6 models only.

11. Standard on three-row models.

12. Requires JBL audio.

13. Before towing, confirm your vehicle and trailer are compatible, hooked up properly and you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions and cautions from your trailer hitch manufacturer and Toyota vehicle *Owner's Manual*. The maximum amount you can tow depends on the total weight of any cargo, occupants and optional equipment.

14. Requires either urethane steering wheel with audio controls, privacy glass, Appearance Package or Leather Seat Package.

15. The Toyota DVD navigation system is designed to assist in locating an address or point of interest. Discrepancies may be encountered between the system and your actual location. Changes in street names, road closures, traffic flow or other road system changes may affect the accuracy of the mapping software. Rely upon your common sense to decide whether or not to follow a specified route. Detailed coverage not available in every city. Optional periodic geographic updates available at an additional cost. See your *Navigation System Owner's Manual* and your Toyota dealer for further details.

16. Requires JBL 3-in-1 AM/FM Cassette/6-disc in-dash CD changer, eight speakers in six locations and in-glass antenna with FM diversity reception on Value Package.

Highlander MSRP Starting At²
4x2 (4-cylinder) \$24,280

Standard 16-in. 5-spoke styled steel wheel
Available 16-in. 6-spoke aluminum alloy wheel with high-gloss finish

HIGHLANDER LIMITED

4x2 (V6) Limited with 3rd row \$30,180

Standard 17-in. 5-spoke aluminum alloy wheel

1. Vehicle shown with available color-keyed front and rear mudguards and privacy glass.
2. 2005 Manufacturer's Suggested Retail Price, excludes the Delivery, Processing and Handling Fee of \$540 for Cars and \$565 for Trucks, Vans and SUVs. (Historically, vehicle manufacturers and distributors have charged a separate fee for processing, handling and delivering vehicles to dealerships. Toyota's charge for these services is called the "Delivery, Processing and Handling Fee" and is based on the value of the processing, handling and delivery services Toyota provides as well as Toyota's overall pricing structure. Toyota may make a profit on the Delivery, Processing and Handling Fee.) Excludes taxes, license, title and available or regionally required equipment. The Delivery, Processing and Handling Fee in AL, FL, GA, NC and SC is \$35 higher for Trucks, Sienna and SUVs, and \$50 higher for all other Toyota vehicles. The Delivery, Processing and Handling Fee in AR, LA, MS, OK and TX is \$35 higher for all Toyota vehicles. Actual dealer price may vary. Pricing, specifications, standard features and available equipment are based on information available when this page was produced and are subject to change without notice.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, front-wheel drive, rear-wheel drive, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Owner's Warranty Information* booklet for details.

Accessories: Accessories installed at the time of the new vehicle purchase are covered for 36 months/36,000 miles from the vehicle's in-service date, whichever occurs first, under the New Vehicle Limited Warranty.

Accessories installed by the dealer after the new vehicle purchase are covered for 12 months, regardless of mileage, from the accessory installation date, or the remainder of the New Vehicle Limited Warranty, whichever provides greater coverage.

Accessories purchased over the counter are covered for 12 months from the date of purchase. Car covers are warranted for 12 months from the purchase date and are not covered by the New Vehicle Limited Warranty.

TOYOTA FINANCIAL SERVICES*

Now that you're thinking about purchasing or leasing a Toyota, you may also want to consider leasing or financing the purchase of your new vehicle through your participating dealer and Toyota Financial Services (TFS). TFS offers a variety of high-quality finance and lease products to complement your lifestyle. At TFS we realize that purchasing or leasing a vehicle is a major commitment and we have developed some of the finest customer-focused finance and insurance solutions to help protect your interests over time. And in most cases, you may include the charge for these products in your finance or lease contract.

Few companies can match the expertise, quality customer care and total value of TFS. Ask your Toyota dealer or go to www.toyotafinancial.com for details.

*Toyota Financial Services is a service mark of Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc. Products are available to qualified customers through your participating Toyota dealer and Toyota Financial Services.

Toyota Highlanders are designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Some vehicles are shown with available equipment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing hitch receivers/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only (may differ in the state of Hawaii, Puerto Rico, the U.S. Virgin Islands and in other regions).

For Toyota Mobility program details, go to www.toyota.com/mobility or call the Toyota Customer Assistance Center at 1-800-331-4331.

J

05 ACCESSORIES

F Molded Dash Applique by Superior Dash®

An elegant dash enhances the look of your Highlander's interior. A special UV coating protects the dash from cracking and fading.

G All-Weather Floor Mats

Made with heavy-gauge rubber, these floor mats are easy to rinse clean and provide the ultimate protection for your original carpet. All-Weather Floor Mats handle all types of weather.

H Carpeted Floor Mats

Color-coordinated Floor Mats protect your original carpeting while adding some flair with an embroidered Highlander logo. The non-skid backing and positive retention clip help prevent them from sliding.

I Auto-Dimming Mirror

Improve your driving safety with an Auto-Dimming Mirror. Its built-in sensors detect headlight glare and automatically dim the mirror to reduce eyestrain. The digital compass provides directional information at your fingertips.

J Rear Seat Entertainment System

In-console DVD entertainment system, with auto-start. Features wireless headphones and a 6.5-in. LCD high-resolution flat screen. Includes full-function remote control.
