2009 Tribute

Options & Packages

standard option not available

	<i>i</i>			<i>s</i>		
2009 Tribute	Sport	Touring	Grand Touring	Sport	Touring	Grand Touring
Options & Packages						
Towing package <ul style="list-style-type: none"> • Class II towing preparation • Frame-mounted trailer hitch with 3,500-lb capacity • Wiring harness and hitch plug • Trailer sway control (beginning with 12/01/08 production) 						
Note: available only on the V6 s trim						

* MSRP includes destination charges but excludes tax, title and license fees. Destination charges may vary in Alaska and Hawaii. Vehicles displayed may contain optional equipment at additional costs. Actual dealer price may vary.

† Trailer weights shown are maximums and must be reduced by the weight of any passengers, cargo, hitch or optional equipment in the towing vehicle. The following equipment may also be required: load-carrying hitch for trailers under 2000 lb and load-equalizing hitch for trailers over 2000 lb. Towing a trailer will have an effect on the vehicle's handling, braking, durability, performance and driving economy. For specific information on recommended or required equipment, see your Mazda dealer. Hitches are available through manufacturers other than Mazda.

‡ EPA-estimated mileage. Actual results may vary.

** SIRIUS Satellite Radio-compatible audio system requires additional dealer-installed hardware and subscription.

†† Dynamic Stability Control (DSC) is an electronic system to help the driver maintain control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether DSC will be effective in preventing loss of control. Please see the Owner's Manual for further details.

‡‡ Always wear your seat belt and secure children in the rear seats in appropriate child restraints.

*** Government star ratings are part of the National Highway Traffic Safety Administration's (NHTSA's) New Car Assessment Program (www.safercar.gov). Vehicle tested with standard side-impact air bags (SABs).
