Exterior Dimensions

Overall length	178.2 in	Wheelbase	108.5 in
Overall height	66.9 in	Coefficient of drag	0.35 cd
Overall Width (mirrors extended)	79.4 in	Curb weight	4,036 lbs (3,926 lbs 2WD)

Interior Dimensions

Front		Rear	
Headroom	39.0 in	Headroom	39.7 in
Shoulder room	55.2 in	Legroom	35.1 in
Legroom	41.4 in	Shoulder room	55.4 in
		Cargo volume (all seats up)	23.3 cu ft
		Cargo volume, (2nd row down)	54.7 cu. ft

Engine, Drivetrain, and Performance

Engine	Drivetrain
Net power 268 hp @ 6,000 rpm	Automatic transmission • 7-speed

Fuel and ignition system	Integrated sequential multipoint fuel injection and ignition includes individual cylinder control of fuel spray, spark timing, and antiknock. Electronic throttle. Two high-energy ignition coils and two spark plugs per cylinder. 100,000-mile spark-plug intervals	<ul style="list-style-type: none"> • Driver-adaptive programming adjusts shift points to the drivers current driving style.
Fuel tank capacity	17.4 gal	
Net torque	258 lb-ft @ 2,400-5,000 rpm	
Compression ratio	10.7:1	
Construction	3,498-cc 24-valve V-6	
Fuel requirement	Premium unleaded gasoline	
Performance		
Acceleration	0 - 60 in 6.5 sec (est.) (3)	
Fuel economy		
City estimate	16 mpg	
Towing capacity	3,500 lbs. (1)	
Highway estimate	21 mpg	
Hill-start Assist		<ul style="list-style-type: none"> • Helps prevent unwanted vehicle rollback when taking off from a stop on an incline • Automatically maintains brake pressure for approximately one second after the driver releases the brake pedal • System is automatically deactivated when the vehicle is level, the gear selector is in park or neutral, or the parking brake is set
Drive configuration	4MATIC 4-wheel drive	
Front and rear axle ratios	3.67:1	

Emission certification	TBA		
<input type="checkbox"/> Chassis and Traction Control/Stability Systems			
Chassis		Traction Control & Stability	
Front Suspension	3-link McPherson struts with two-piece lower control arm	Electronic Stability Program (ESP)	ESP compares the drivers intended course, via steering and braking inputs, to the vehicles response, via lateral acceleration, rotation (yaw) and individual wheel speeds. ESP then brakes individual front or rear wheels and/or reduces excess engine power as needed to help correct understeer (plowing) or oversteer (fishtailing). ESP also
Steering-wheel turns	2.8 turns lock-to-lock		
Turning radius	37.7 ft. curb-to-curb.		
Rear Suspension	Independent multilink		

Steering	Rack-and-pinion, speed-sensitive hydraulic power assist with variable centering	<p>integrates all-speed traction control, which senses drive-wheel slip under acceleration and individually brakes the slipping wheel or wheels, and/or reduces excess engine power, until control is regained. (4)</p> <hr/> <p>4-Wheel electronic traction system (4-ETS) (Standard only on the GLK350 4MATIC)</p> <p>4-ETS monitors the speed of all four wheels to detect wheel slip, then applies individual brakes as needed (to provide the effect of locking the front, rear and/or center differentials) and/or reduce excess engine power. 4-ETS continually balances the torque split to help ensure that power is permitted to flow to the wheel or wheels with traction.</p>
----------	---	---

▾ Brakes, Wheels, and Tires

Brakes		Wheels/Tires	
Brakes	Dual-circuit hydraulic braking system	Wheels	19-inch 10-spoke light alloy wheel
Antilock Braking System (ABS)	Antilock braking system (ABS) senses impending wheel lockup under heavy braking and pumps the front brakes individually or the rear brakes together (to help maintain stability) as needed up to 30 times per second, to prevent lockup and maintain steering ability. (5) With off-road driving program selected, automatic loose surface program helps shorten stopping distances from speeds under 18 mph.	Tires	235/50 R19 (all season H)
Brake Assist (BAS)	Brake Assist (BAS) senses emergency braking via the speed at which the driver presses the brake pedal and immediately applies maximum available power boost, potentially reducing the overall stopping distance by eliminating the delay caused by a common human tendency not to brake hard enough, soon enough. Letting up on the brake pedal releases Brake Assist. (5)		

Exterior and Interior Features

Exterior Features

19" aluminum wheels with all-season tires

Chrome accents

Dual chrome exhaust

Privacy glass

Adaptive brakes

7-speed automatic transmission

Panorama sunroof (Part of Premium 1 Package)

Electrically heated rear window with auto-shutoff

Instrumentation

Tire-pressure monitoring system

Multifunction display in instrument cluster

Interior Features

Dual-zone automatic climate control

Antitheft alarm system

6-air bag system (7)

Tire pressure monitoring system

Active Front Head Restraints

Central Controller with 5" display

Bluetooth connectivity for hands-free calling (6)

Multifunction steering wheel with display in instrument cluster

Safety and Security Systems

Safety Features

Active Front Head Restraints

6 air bags

Adaptive brakes

Locking & Security

SmartKey

- SmartKey remote control integrates Remote Door Lock/Unlock buttons, liftgate, removable valet key and panic alarm.
- Driver may selectively unlock only the drivers door and fuel filler, or all doors plus the liftgate and fuel filler
- Offers infrared-remote opening/closing of window and panorama roof

Mercedes-Benz mbrace (8)

- Anti-theft alarm system with remote panic feature
- Remote window opening and closing

☐ **Comfort and Convenience Features**

Seating & Trim

8-way power driver and passenger seat

Burl Walnut wood trim (Black MB Tex only available with Brushed aluminum)

MB-TEX front and rear upholstery

Audio, Navigation, and Communication

Bluetooth interface for hands-free calling (6)

Central controller with 5-inch color display

Optional COMAND system with hard-drive navigation (9)

In-dash 6-disc DVD/CD changer (optional)

☐ **Options & Packages**

Individual Options

Individual Options

- Universal media interface
- iPod Integration Kit (10)
- Illuminated door sills
- Parktronic
- Mercedes-Benz mbrace (8)
- In-dash 6-disc DVD/CD changer
- iPod/MP3 media interface (10)
- Trailer hitch
- Brushed aluminum running boards
- Rear seat entertainment system (11)
- Rear seat entertainment pre-wiring
- Heated front seats

Optional Packages

Premium 1 Package

- Panorama Roof
- Homelink(R) Garage Door Opener
- Rearview mirror with integrated compass
- Auto-dimming driver side and rearview mirrors
- Memory Package for driver seat, exterior mirrors, and steering column
- Rain sensor
- SIRIUS Satellite Radio (12)
- Power liftgate
- 115V AC power outlet

Full Leather Seating Package

- Full leather seating
- Premium interior lighting
- Burl walnut trim

Lighting Package

- Bi-Xenon headlamps

- Headlamp washing system
- Corner-illuminating lamps
- LED taillamps

Multimedia Package

- COMAND system with hard-drive navigation system (9)
- Rear view camera (10)
- harman/kardon LOGIC7 surround-sound system with Dolby digital 5.1 (14)
- 11 speakers with 600 watts of power
- 7-inch color display
- In-dash 6-disc DVD/CD changer
- 6GB hard drive with Music Register for download of MP3 files
- Enhanced voice control for audio, telephone, and navigation
- Gracenote media database

Appearance Package

- 20" 7-spoke light alloy wheels
 - Aluminum roof rails
 - All-season tires
-

MSRP for a 2010 GLK350 2-wheel drive, available approximately in Spring 2009. Excludes all options, taxes, title registration, \$875 transportation charge and dealer prep fee.

GLK350 4-wheel drive is currently available starting at MSRP of \$36,600. Excludes all options, taxes, title registration, \$875 transportation charge and dealer prep fee.

1. Read Operator's Manual before towing. In some states, after market trailer brakes are required. See dealer for details.
2. With 2nd-row seats folded. Unsecured cargo can become hazardous in a collision. Always secure cargo using floor-mounted tie-downs.
3. Stated rates of acceleration are based upon manufacturer's track results and may vary depending on model, environmental and road surface conditions, driving style, elevation, and vehicle load.
4. No system, regardless of how advanced, can overcome the laws of physics or correct careless driving. Please always wear your seat belt. Performance is limited by available traction, which snow, ice and other conditions can affect. Always drive carefully, consistent with conditions. Best performance in snow is obtained with winter tires.
5. Braking effectiveness also depends on proper brake system maintenance, and tire and road conditions.
6. Bluetooth interface does not provide phone charging or external antenna. Phone book download and voice interactivity features are dependent on selected handset.
7. WARNING: The forces of a deploying air bag can cause serious or fatal injuries to a child under age 13. The safest seating position for your child is in the rear seat, belted into an appropriate, properly installed child seat, or correctly wearing a seat belt if too large for a child seat. See Operator's Manual for additional warnings and information on air bags, seat belts and child seats.
8. Mercedes-Benz mbrace equipment is optional on all GLK-Class models. When equipped with mbrace, there is a 6 month trial period of the mbrace Package on new vehicles and an optional 3 month PLUS Package trial. Three month mbrace Package trial period is offered on Certified Pre-Owned and pre-owned sales at an authorized Mercedes-Benz dealer. Subscriber Agreement required for service to be active. Service operates only where cellular and Global Positioning Satellite signals are available and requires adequate power supply. In order to activate Stolen Vehicle Location Assistance, you must provide your mbrace Personal Identification Number (PIN) and valid stolen vehicle police case number. PIN is additionally required for Remote Door Unlock.
9. While the Navigation System provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the systems audio cues while driving and should only consult the map or visual displays once the vehicle has been stopped in a safe place. Maps do not cover all areas or all routes within an area.
10. iPod is a registered trademark of Apple Computer, Inc. All iPod devices are sold separately. Feature not compatible with iPod Shuffle. Charging function not compatible with iPhone 3G. See dealer for details.
11. Rear Seat Entertainment System prevents access to the auxiliary port for other uses and cannot be combined with accessory iPod Integration Kit. Mercedes-Benz recommends that children be supervised while using the system.
12. SIRIUS and the SIRIUS dog logo are registered trademarks of SIRIUS Satellite Radio Inc. NFL is a registered trademark of the National Football League. NASCAR is a registered trademark of the National Association for Stock Car Auto Racing, Inc. NBA is a registered trademark of the NBA Properties, Inc. All rights reserved. For full Terms; Conditions, visit sirius.com. Pricing and programming are subject to change. Not available in Alaska, Hawaii, or Puerto Rico. Six-month service subscription included with purchase.
13. Rear View Camera does not audibly notify driver of objects outside the system's field of vision, which includes nearby objects, and is not a substitute for actively checking around the vehicle for any obstacles.
14. 2008 Dolby Laboratories, Inc. All rights reserved. Dolby and the double-D symbol are registered trademarks of Dolby Laboratories. All other trademarks remain the property of their respective owners. DTS is a registered trademark of DTS, Inc. Copyright 2008 DTS, Inc. All rights reserved.
