06-10 Wheel Hub Inserts

Add an attractive finishing touch to your wheels with these inserts. Various styles available:

06 Sterling silver with chrome Three-Pointed Star

07 Titanium silver with chrome Three-Pointed Star

08 Classic Star & Laurel design in blue

09 Classic Star & Laurel design in black

10 Black with chrome Three Pointed Star

11 Wheel Locks

Wheel locks can provide a subtle yet effective security touch to your CLS, helping to protect your light-alloy wheels and tires from theft. One set secures four wheels. Includes coded key.

12 Tire Valve Stem Caps

A perfect finishing touch, these chrome plated valve stem caps dress-up any wheel. Each a set of four. Available in black, silver or AMG designs.

Appearance

Light-Alloy Wheels

04 Rear Spoiler

Add this rear spoiler for a more athletic look for your CLS-Class, and watch as it subtly accentuates the trunk lines of your vehicle. Tailor-made of high-quality material for quick installation and a perfect fit. Comes primed, ready for painting.

05 Trunk Handle

Made of stainless steel in polished or satin finish, this handle attaches to the license plate and trunk lid to help prevent fingerprints and reduce the possibility of scratching the finish on your CLS. It perfectly complements our wide assortment of genuine License Plate Frames. Also available with elegantly laser-etched Mercedes-Benz name.

01-03 License Plate Frames

Choose from several quality stainless steel designs in an assortment of durable finishes to enhance the appearance of your license plates without blocking registration tags. Design styles include: Mercedes-Benz frame, Slimline frame, AMG Logo frame, and Star Marque solid plate. Please see INDEX for finish options for each design.

- 01 Marque Plate with star logo
- 02 Nameplate Frames Mercedes-Benz (Polished, Black Powder Coat) and AMG (Carbon Fiber)
- 03 Slimline Frame (Black Pearl)

06 AMG Door Pin

In high-quality stainless steel.

07 Illuminated Door Sills

Light-up your CLS in eye-catching style each time you open the front door with luminous white-colored “Mercedes-Benz” stainless steel door sills.

08 Wood & Leather Steering Wheel

Add a touch of distinctive elegance to your CLS with this steering wheel, made from durable richly-grained leather and hand-burnished burl walnut (shown in image). Available with black or beige leather.

Not compatible with AMG models, vehicles with heated steering wheel or vehicles with Lane Keeping Assist.

MERCEDES-BENZ IN-VEHICLE HOTSPOT

Take the Internet Anywhere on the Road

01 Mercedes-Benz In-Vehicle Hotspot

Checking your email and browsing the web is not a problem when you're in the office or from the convenience of your home. However, this is a different story when you're traveling on the road.

With the Mercedes-Benz In-Vehicle Hotspot you can add internet connectivity to your vehicle. The In-Vehicle Hotspot allows you to connect up to four wireless end devices such as a laptop, tablet PC, or mobile device at the same time for a fast and secure internet connection. The router is securely installed and not visible for people looking into the vehicle. An encrypted password ensures limited access to your wireless connection.

May require an initial activation fee and monthly service subscription.

REAR-SEAT ENTERTAINMENT

Being a passenger has never been so entertaining.

02 Rear-Seat Entertainment System

This high-performance entertainment system allows the rear passengers to watch DVDs, look at their favorite pictures and even play video games. Two superb 7" LCD color screens are mounted to the back of the seat just behind the headrest to eliminate driver distraction, function independently with integrated DVD players and are able to play two different movies or music choices simultaneously, allowing each rear passenger to select their own individual entertainment. Wireless noise-reduction headphones allow for tangle-free operation, easy storage and less noise distraction for the driver. A wide range of popular media formats are supported for image, music and video files. The USB and SD card interfaces allow further storage media to be connected with the Rear-Seat Entertainment System.

No factory-fitted pre-installation required.

A range of multimedia connections, two sets of infrared headphones and a remote control included - the Rear-Seat Entertainment System offers everything you need for in-car entertainment

Entertainment & Communication

In-Vehicle Hotspot
Rear-Seat Entertainment

MEDIA INTEGRATION

Your music. Your Mercedes-Benz.

01 Media Interface (Consumer Cables)

The Media Interface allows you to connect your audio devices to the interface located in the vehicle's center console. The Media Interface comes standard with two cables, an iPod/iPhone* connector [A] and a universal AUX input connector. A non-iPod/iPhone USB cable [B] is available at your Mercedes-Benz dealer, which will connect select USB sticks or media players with a USB port.

The audio output can be selected and controlled through the existing audio system in your vehicle. The current status of your audio device will also be displayed in the vehicle instrument cluster allowing you to keep your attention on the road.

Media Interface is a factory option. Control of devices connected via AUX is limited to volume control. For a list of compatible USB devices, please visit www.mbusa-mobile.com

* iPod and iPhone are registered products of Apple Computer. All iPod and iPhone devices are sold separately. iPod Integration Kit also charges iPod/iPhone devices which support USB charging only (e.g. iPhone 3G).

02 SD Memory Card

The COMAND system in your CLS-Class features a slot for SD memory cards. Use the SD memory card as a convenient way to play music. Can also be used in other compatible devices such as digital cameras.

Card capacity: 2 GB | Read speed: 12.5 MB/s | Write speed: 5.5 MB/s

03 PCMCIA Multi-Card Reader

Listen comfortably to your music with the PCMCIA Adapter of your COMAND system. The Plug & Play system in the COMAND immediately recognizes your PCMCIA Multi-Card Reader. A Memory Card (sold separately) is required to utilize the PCMCIA Multi-Card Reader. MP3-, WMA-, and ACC-Files are supported.

Available with COMAND only. Supported Memory Cards: SD, MMC, HS-MMC, DV-RS-MMC, C-Flash*, T-Flash*, Mini-SD*, RS-MMC*, MS, MS-Pro, HS-MS-MG-Pro, HS-MS-Pro, MS-Select, MS-Duo, MS-MG*, MS-MG Pro*, MS-Duo-MG*, MS-Pro Duo, MS-ROM*, X-card.

*Requires adapter (not included).

MERCEDES-BENZ NAVIGATION MAP UPDATE

More than a Map™

04 Navigation Map Update

The Mercedes-Benz COMAND Navigation System is a fully integrated system that combines Global Positioning System (GPS) technology with electronic mapping software to help you plan trips, navigate detours and avoid getting lost. Global Positioning System (GPS) satellites continuously track your vehicle's location and the system relies on mapping information in order to give you the most accurate and efficient routes. Notice however, how quickly the surroundings change: roads are added or diverted, restaurants open and close, hotels and hospitals are built, ATMs move. In fact, as much as 20 percent of the navigation data the system relies on changes every year. That is why Mercedes-Benz offers reliable, and updated navigation data to help get you where you need to go effortlessly.

The Navigation Map Updates are available for purchase from your authorized Mercedes-Benz dealer. The system can route you through more than 6.1 million miles of navigable roads in the United States and Canada. Just enter the address on the intelligent destination input screen, and the system takes over, guiding you audibly and with a clear and detailed 7" LCD map display. Do you need an idea of where to go? The Navigation System also offers 1.7 million Points of Interest in 40 categories including ATMs, restaurants, hotels, airports, museums and more.

Navigation system data includes the United States, Canada, Puerto Rico, Hawaii and Virgin Islands. Directional assistance provided only when GPS coverage is available. Maps do not cover all areas nor all routes within an area. While the navigation system provides directional assistance, the driver must remain focused on safe driving behavior, including paying attention to traffic and street signs. The driver should utilize the system's audio cues while driving and should only consult the map or verbal displays once the vehicle has been stopped in a safe place. See your authorized Mercedes-Benz dealer for availability and details.

01 Roof Rack Basic Carrier

Our basic carrier is an essential component for attaching a wide assortment of items to the top of your CLS-Class. After easy installation, you can securely attach bicycles, ski and snowboard racks, or a cargo container. (Racks and containers sold separately.)

02 Basic Carrier Storage Bag

Protect your Roof Rack Basic Carrier in this nylon bag when not attached to your CLS-Class.

03 Roof Cargo Containers

Create additional space for sports equipment and luggage with one of our aerodynamic, high-quality roof containers designed to nicely complement your CLS-Class. Constructed of lightweight, yet exceptionally durable, impact-tested thermoplastic material. Features pressurized struts for easy lid operation and a security lock.

Large model holds 16 cubic feet. Available in black metallic [A] and silver metallic [B].

Small model holds 11.5 cubic feet. Available in titanium metallic [C] and matte silver [D].

All models have a maximum load capacity of 110 lbs. Requires Roof Rack Basic Carrier (sold separately).

04 Luggage Set for Roof Cargo Container

This set of four sporty and functional bags is designed to fit inside our Small Roof Cargo Containers. The Luggage Set for the Large Roof Cargo Container additionally includes two bags for two pairs of skis each. Made from durable, weather resistant materials. Shoulder straps included (Luggage Set and Roof Cargo Container sold separately).

05 Bicycle Rack | for Roof Rack Basic Carrier

This rack securely holds your bicycles and attaches to the Roof Rack Basic Carrier (sold separately). Up to 3 racks can be mounted simultaneously. Spiral Lock set available to help secure your bicycle (sold separately).

Utility & Care

Carrier Systems

04

Boxes open on both sides for convenient loading and unloading.

05

06

06 Ski & Snowboard Rack, Standard

This rack is made to tote up to four pairs of skis or two snowboards atop your CLS-Class. Requires Roof Rack Basic Carrier (sold separately).

07 Ski & Snowboard Rack, Deluxe

This rack holds up to six pairs of skis or four snowboards and features a pull-out function that makes it easier for loading and unloading without the need to reach across the roof of the car. Requires Roof Rack Basic Carrier (sold separately).

07

01 Load Sill Protector

Protects bumper and load sill from scratches.

02 Cargo Area Tray

Protect the cargo area of your CLS-Class with this large tray with 2" sides. Formed from durable, easy-to-clean plastic to fit your vehicle.

03 Comfort Box

Our new Comfort Box provides a practical and isolated storage area for your personal items while in trunk. While not in use, the Comfort Box easily folds up to give you maximum space of the trunk.

04 Flexible Cargo Stabilizer

This durable nylon and velcroclad piece of foam offers firm lateral hold and helps protect objects from sliding around under normal driving conditions. Measures 36" x 2" x 2".

05 Reversible Cargo Mat

This mat performs two functions: to protect the interior carpet of your CLS-Class with a smooth soft fabric side or to prevent cargo from sliding with the rubberized side.

06 Cargo Nets, Floor, Loading Sill/Rear

Versatile and convenient, strong and durable nylon nets help you secure objects in the back of your CLS-Class. Rear net may be attached to the loading sill. Each net is sold separately.

07 Collapsible Shopping Crate

Make your next trip to the market more convenient with this collapsible shopping crate. To save space, it folds flat when not in use. Dimensions folded: 2" x 13" x 18".

08 Car Cover

This UV-resistant 3-layer cover helps protect the finish of your CLS-Class from the elements. Made from breathable Noah® fabric, it combines an excellent fit with durable construction. (Lock and cable available separately.)

08

09 UVS-100™ Sunshade

Keeps the inside of your CLS-Class cool, while protecting the interior all year long from harmful UV rays. Practical and durable. Made of reflective fabric laminated to a foam core.

09

10 Battery Trickle Charger

For those extended periods when your CLS-Class will not be used, this charging device will help ensure that your battery is fully energized when you need it.

10

11 Car Care Kit Interior

Keep the interior of your Mercedes-Benz looking its best with the superior, specially formulated products in our exclusive Interior Car Care Kit. Includes Cabin Care Spray, Glass Cleaner, Auto Glass Sponge and a Car Care Cloth, all neatly packed into a Mercedes-Benz Leisure Bag.

11

12 Car Care Kit Exterior

Clean and protect your Mercedes-Benz with the superior, specially formulated products in our exclusive Exterior Car Care Kit. Includes Car Shampoo, Light-Alloy Wheel Cleaner with brush, Car Sponge and a Car Care Cloth, all neatly packed into a Mercedes-Benz Leisure Bag.

12

01 BabySafe Plus Infant Seat (up to 29 lbs.)

Deep, molded rear-facing seat design provides extra protection and padding designed to help protect very young children up to 29 lbs. or 31 in. long. Features integrated head support, adjustable sun/wind canopy, comfortable 3-position carry handle, and variable recline angle adjustments. Light grey fabric cover is removable for washing. Can be used in the vehicle with or without the base. Approved for use in commercial aircrafts. Weighs less than 8 lbs. This seat is BabySmart* compatible and LATCH* compatible with provided LATCH belt*.

02 DUO Plus Toddler Seat (20 to 40 lbs.)

Designed to afford excellent protection for children approximately 1 to 4 years of age. Features include single-handed adjustment to change from the upright position to the reclined and sleeping positions, height-adjustable shoulder belt, back area ventilation channels, and an additional tether for securing the top section. Fabric cover is removable for washing. This seat is LATCH* and BabySmart* compatible.

03 KidFix Child Seat (33 to 79 lbs.)

Booster seat for optimum side-impact protection, with height-adjustable backrest. The “KidFix” seat is secured using the 3-point seat belt and ISOFIX attachment points. Available with automatic child seat recognition as an option. For children between the ages of around 3 and a half and 12.

*Please consult your owner’s manual or dealer for proper installation of your child seat.

BabySmart/OCS Safety Information: Most Mercedes-Benz vehicles from MY 1998 through 2003, select models from 2004 through 2006, and current G-Class vehicles are equipped with BabySmart™. Mercedes-Benz vehicles equipped with BabySmart™ have a device that recognizes the presence of BabySmart™-equipped child seat when properly installed in the front passenger seat and deactivates the passenger front air bag (check your vehicle’s Operator’s Manual or labels located on the sides of your dashboard to verify).

All current Mercedes-Benz models are equipped with the Occupant Classification System (OCS) (with exception of the G-Class) which is designed to turn off the front passenger’s front airbag when the system senses the weight of a typical child 12 months old or less plus the weight of a standard child restraint. See vehicle’s operators manual for important additional information on this system and further information regarding the transportation of children heavier than a typical 12 month old.

All Mercedes-Benz child safety seats meet or exceed U.S. Department of Transportation standards. They are also suitable for use in older vehicles that do not have integrated LATCH (Lower Anchors and Tethers for Children) attachment points. Visit the National Highway Traffic Safety Administration’s website at <http://www.NHTSA.gov> for additional information about child safety seat laws and proper use.

03

05

04 Coat Hanger

Robust coat hanger made from chromed metal. Easy to attach to front headrests. The ideal way to transport clothing without creasing them. (For safety, please remove when passenger in rear seat.)

05 All-Season Floor Mats

These custom designed rubber floor mats are a great way to keep the carpet in your CLS-Class in top condition. The honeycomb design helps trap water, mud, snow and salt. Easy to clean. Four mats per set. Available in black, grey or beige.

Genuine Mercedes-Benz Accessories for the CLS-Class Coupe.

Light-alloy wheels are supplied without tires, wheel bolts or hub caps.

All illustrations and specifications contained in this brochure are based on the latest product information available at the time of publication. Actual product offerings may vary from those shown or may be subject to availability delays or discontinuance. Mercedes-Benz reserves the right to make changes at any time, without notice, in colors, materials, equipment, specifications and models. Any variations in colors shown are due to reproduction variations of the printing process. Illustrations may include test situations. Some vehicles may be shown with non-U.S. equipment. Vehicles are shown with optional equipment.

Unsecured cargo can become hazardous in a collision. Always secure cargo using the floor-mounted tie-down hooks. Cargo nets and organizers are not intended to prevent objects of excessive weight and bulk from sliding or rolling in the event of a collision or sudden stop. Always drive with caution when driving with cargo.

Certain accessories may require professional installation and/or additional components to complete the installation in your vehicle. Please consult your authorized Mercedes-Benz dealer for specific information about automotive accessories. Speak with a representative at your local authorized Mercedes-Benz dealership for current pricing on Genuine Mercedes-Benz Accessories. Visit accessories.mbusa.com to shop online or call 1-800-FOR-MERCEDES (367-6372) to obtain the Lifestyle Collection catalog.
