*A DIFFERENT CATEGORY OF OWNERSHIP.
THE SAME PREMIUM EXPERIENCE.*

A Certified Pre-Owned Lexus goes beyond the confines of new or used, offering exceptional vehicles and all the benefits new Lexus buyers enjoy. The high level of courtesy and respect people have come to expect from Lexus helps ensure a premium experience.

Choosing a Certified Pre-Owned Lexus also means choosing a rigorous certification process, a comprehensive three-year/100,000 total vehicle mile warranty, 24-hour Roadside Assistance, generous financing and leasing rates, and the exclusive rewards of ownership. All of which puts a Certified Pre-Owned Lexus in a category by itself.

A CERTIFICATION PROCESS LIKE NO OTHER.

Every Certified Pre-Owned Lexus begins as a late-model, low mileage vehicle in outstanding overall condition. Specially trained Lexus technicians put each vehicle through an exhaustive series of examinations, helping assure reliability, quality and customer confidence. A 161-point checklist is strictly followed to determine if the vehicle meets Certified Pre-Owned Lexus qualifications. In addition, technicians consult a CARFAX® Vehicle History Report to verify vehicle history and check for potential problems. Then, and only then, does a Lexus qualify for Pre-Owned Certification.

CERTIFIED PRE-OWNED FINANCING AND LEASING.

Most lending institutions offer higher rates and shorter terms on pre-owned vehicles. However, Lexus offers lower rates and longer terms. How? Confidence. Specifically the confidence that comes from a stringent certification process. Exceptional financing and leasing rates are no exception with a Pre-Owned Lexus.
