MASTER MASERATI
Driving Courses

THE EXTRAORDINARY *DRIVING EXPERIENCE*

EXCELLENCE *AT ITS BEST*

Master Maserati is dedicated to those who like to experience the finer things in life.

Experiences of the highest class, exquisitely exclusive, with all the genuine Italian style and elegance

Maserati is famous for. Experiences that thrill body and soul, right and left hemispheres, circuit and

road, and above all the heart.

MORE *THAN* JUST DRIVING

Pursuers of the finer things in life know that ordinary experiences are not enough and perfection lies in the tiniest details. The finer things in life are appreciated more when they are truly experienced.

WHEN PERFORMANCE *MEETS EMOTIONS*

Master Maserati courses are based on a simple truth. To truly enjoy every minute at the wheel, drivers must know their cars, learn to handle them in all situations, squeeze out every drop of adrenalin they can offer.

And equally important: to become one with them and the style essential to their character.

Driving exclusive, high-performance cars and have fun doing so, with the guidance and skill of a **professional driver**. This is the aim behind **Master Maserati**: safe/ sporty driving courses specifically tailored to give participants the opportunity to try out **the performance of the car models** in depth and in total safety.

The program, **structured for various levels of driving experience**, under **the supervision of expert Maserati instructors** is the opportunity for participants to test their skills on the highly technical Varano de' Melegari (Parma) circuit and learn to handle their cars **to professional levels**.

Advanced driving techniques, on track with telemetry analysis, dynamic handling on the circuit and exercises in low friction surfaces are just some of the aspects covered on the courses to achieve an absolute fluid relationship between car and driver, leading to more enjoyment at the wheel.

Master Maserati courses are held at the **Varano de' Melegari (Parma) Autodrome**, unrivalled for the excellence of its technical features, its high safety standards and its special facilities for teaching on the circuit.

SPECIFIC DRIVING TEACHING FACILITIES

Exclusive use of the circuit, areas specially equipped for training exercises, data acquisition systems on board for detailed personalized telemetry data, electronic timing to record each driver's performance, theory classroom with computerized image transmission.

TEAM

Professional drivers/instructors from the world of racing, all with a wealth of instructor experience with GT cars.

DEDICATED FLEET

GranTurismo Sport, GranTurismo MC Stradale, GranCabrio Sport, GranCabrio MC, Quattroporte, Ghibli (15 cars), each equipped with on-board audio/video recording system.
