

MASTER MASERATI

DRIVING COURSES

EXCELLENCE AT ITS BEST

Master Maserati is dedicated to those who like to have the most exclusive experiences in life. Experiences that thrill the body and soul, the right and the left hemispheres, and above all the heart, always with a genuine Italian style and the reknown elegance of Maserati.

WHEN PERFORMANCE MEETS EMOTIONS

Master Maserati courses are based on a simple truth. To truly enjoy every minute at the wheel, drivers must know their cars, learn to handle them in all situations, squeeze out every drop of adrenalin they can offer.

Driving exclusive, high-performance cars and have fun doing so, with the guidance and skill of a professional driver. This is the aim behind Master Maserati: safe/sporty driving courses specifically tailored to give participants the opportunity to try out the performance of the entire Maserati model range in depth and in total safety.

The program, structured for various levels of driving experience, under the supervision of expert Maserati instructors is the opportunity for participants to test their skills on a highly technical circuit and learn to handle the cars to professional levels.

Advanced driving techniques, telemetry data analysis, dynamic handling on the circuit and exercises in low friction surfaces are just some of the aspects covered on the courses to achieve an absolute fluid relationship between car and driver, leading to more enjoyment at the wheel.

Master Maserati courses are held at the Varano de' Melegari (Parma) circuit, a very technical track with high safety standards and excellent facilities for training on and off road.

SPECIFIC DRIVING TEACHING FACILITIES

Exclusive use of the circuit, areas specially equipped for training exercises, data acquisition systems on board for detailed personalized telemetry data analysis, on board video recording system, electronic timing to record each driver's performance, theory classroom.

TEAM

Professional drivers/instructors from the motorsport world, all with a long instructor experience on GT cars.

DEDICATED FLEET

GranTurismo Sport, GranTurismo MC Stradale, Quattroporte, Ghibli, Levante, each equipped with on-board audio/video recording system.
