### CHILD SEATS

No passenger is more precious than a child. Which is why we've teamed with Peg Pérego to design a range of three exceptional child seats. Italian to the core, every Peg Pérego product invokes the national qualities of style, design and loving care.

The child seats are created to sit seamlessly within your Maserati, matching the design and decor. Upholstered in dark-grey fabric and black eco-leather they feature a highlight of light-grey stitching. The headrest bears the Trident logo while the Maserati name is emblazoned on the seat belt buckle.

Within the range there is a seat for every age of child:

- Group 0+, from 0 to 13 kg
- Group 1, from 9 to 18 kg
- Group 2/3, from 15 to 36 kg

Safety is, of course, a priority and this is reflected in the simple yet secure fitting. Group 0+ and Group 1 attach to an ISOFIX base available separately. Group 2/3 attaches using the vehicle seat belt and the two anchors in place at the rear. For your complete peace of mind each seat is fully safety tested and type-approved according to the European ECE R44/04 standard.
