¹Intelligent All-Wheel Drive cannot prevent collisions or provide enhanced traction in all conditions. Always monitor traffic and weather conditions. ²Feature availability is dependent on vehicle model, trim level, packaging and options. Compatible connected device may be required and feature availability may be dependent on device's capability. Refer to connected device's Owner's Manual for details. Late availability for some features. Driving is serious business and requires your full attention. Only use features and connected devices when safe and legal to do so. Some features, including automatic crash notification and SOS, are dependent upon the telematics device being in operative condition, its ability to connect to a wireless network, compatible wireless network availability, navigation map data and GPS satellite signal receptions, the absence of which can limit or prevent the ability to reach Customer Care or receive support. GPS mapping may not be detailed in all areas or reflect current road status. Never program GPS while driving. Only use Remote Engine Start and Remote Horn features in accordance with any laws, rules or ordinances in effect in your vehicle's location. Some services and features are provided by independent companies not within Nissan's control. **Should service provider terminate or restrict service or features, service or features may be suspended or terminated without notice or with no liability to Nissan or its partners or agents.** Services and features may require compatible cellular network provided by independent companies not within Nissan or its partners' or agents' control. Cellular network signal strength may vary and may not be available in all areas or at all times. Services and features may not function if cellular network is unavailable, restricted, or terminated. Nissan and its partners or agents are not responsible for associated costs or other third party changes that may be required for continued operation due to cellular network unavailability, restriction, or termination (including equipment replacements/upgrades, if available, or roaming charges on alternative networks). Technology is evolving, and changes by independent companies are not within Nissan's or its partners' or agents' control. Enrollment, owner consent, personal identification number (PIN), and subscription agreement may be required to receive full suite of features and services. Trial periods (if applicable) begin on the date of vehicle purchase or lease of a new Nissan. Trial periods may be subject to change at any time and may be subject to early termination without notice. Required subscriptions may be sold separately for each available feature or service after trial period ends, and may continue until you call service provider to cancel. Installation costs, one-time activation fee, other fees and taxes may apply. Fees and programming subject to change. Feature may be subject to age restrictions in some areas. Subscriptions governed by service provider's subscription agreement, terms and conditions and privacy statements available at service provider's website. Text rates or data usage may apply. The Nissan names, logos and slogans are trademarks owned by or licenced to Nissan Motor Co. Ltd. or its North American subsidiaries. Other trademarks and trade names are those of their respective owners. **For important safety information, system limitations, and additional operating and feature information, see Dealer or Owner's Manual.** ³Driving is serious business and requires your full attention. If you have to use the connected device while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ⁴Available feature. ⁵Remote Engine Start System to be used only in accordance with any laws or rules in effect in your vehicle's location. ⁶Front seats and rear outboard seats only. ⁷Leather appointments. ⁸Information displayed is dependent on how vehicle is equipped. If you have to use the feature while driving, exercise extreme caution at all times so full attention may be given to vehicle operation. ¹¹Availability of features vary by vehicle model year, model, trim level, packaging, and options. Please see Owner's Manual for important feature information. ¹²Nissan advanced safety technologies can't prevent all collisions or warn in all situations. See Owner's Manual for important safety information. ¹³Intelligent Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁴Rear Automatic Braking cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should always turn and check surroundings before driving and brake as needed to prevent collisions. See Owner's Manual for safety information. ¹⁵Rear Cross Traffic Alert may not detect all vehicles. See Owner's Manual for safety information. ¹⁶Blind Spot Warning cannot prevent collisions and may not detect every object or warn in all situations. Driver should always turn and look before changing lanes. See Owner's Manual for safety information. ¹⁷Lane Departure Warning only operates when lane markings are able to be detected. See Owner's Manual for safety information. ¹⁸Intelligent Around View® Monitor cannot eliminate blind spots and may not detect every object. Driver should always turn and check surroundings before driving. See Owner's Manual for safety information. ¹⁹Virtual composite 360° view. ²⁰Intelligent Forward Collision Warning cannot prevent collisions. See Owner's Manual for safety information. ²¹Intelligent Cruise Control uses limited braking and is not a collision avoidance or warning system. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information. ²²Horsepower and torque figures based on premium fuel only. ²³2022 Fuel Consumption Estimates L/100 km (MPG) — 12.0 (24) City / 8.5 (33) Highway / 10.4 (27) Combined. Actual Mileage may vary with driving conditions. Use for comparison only. ²⁴Cargo shown for display purposes only. Cargo and load capacity limited by weight and distribution. Always secure cargo. Heavy loading of the vehicle with cargo, especially on the roof, will affect the handling and stability of the vehicle. ²⁵Extra cost option. ²⁶Please follow Towing Guidelines. Towing capability varies by configuration. See Nissan Towing Guide and Owner's Manual for additional information. ²⁷Whichever occurs first. ²⁸Intelligent Lane Intervention only operates when lane markings are detectable. See Owner's Manual for safety information. ²⁹Sonar System may not detect every object. Driver should always check surroundings before driving. See Owner's Manual for safety information. ³⁰Vehicle Dynamic Control cannot prevent collisions due to abrupt steering, carelessness, or dangerous driving techniques. It should remain on when driving, except when freeing the vehicle from mud or snow. See Owner's Manual for safety information. ³¹Availability of specific features is dependent upon the phone's Bluetooth® support. Please refer to your phone Owner's Manual for details. Your life deserves a better crossover. Ever wonder what the difference is between good and great? Good is fitting in. Great is standing out. Like the 2022 Nissan Murano,[®] a 5-passenger premium crossover you can't take your eyes off of. But greatness is more than stylish looks. It's the confidence of Intelligent All-Wheel Drive¹ and the connectivity of Apple CarPlay^{®2,3} for your compatible iPhone.[®] This is technology that moves you like never before. This is the 2022 Nissan Murano.

Enter your preferred setting

Stay cozy thanks to the Remote Engine Start System with Intelligent Climate Control that helps cool off on hot days or warm up and defrost on cold days — before you even step inside.^{4,5} You'll appreciate a heated steering wheel and Zero Gravity climate-controlled front seats that help reduce fatigue.^{4,6} Rear passengers can recline and activate their own Quick Comfort® heating.⁴ It's a premium experience all around, topped off by adjustable mood lighting, touches of chrome, and accents in Dark Wood.⁴

You're not just driving, you're hosting

Murano® offers a unique social space designed to let everyone connect in an airy, premium leather-appointed interior.⁴ The wide centre console allows everyone to mingle without leaning or straining. At the wheel, you have enhanced visibility, thanks to a higher seating position and slimmer side pillars that give way to larger windows. Meanwhile, above you, the expanded Dual Panel Panoramic Moonroof stretches from front to back, breathing in light.⁴ An atmosphere this open makes it easy for everyone to enjoy the journey — and might make your destination seem beside the point.

Climate-controlled front seats

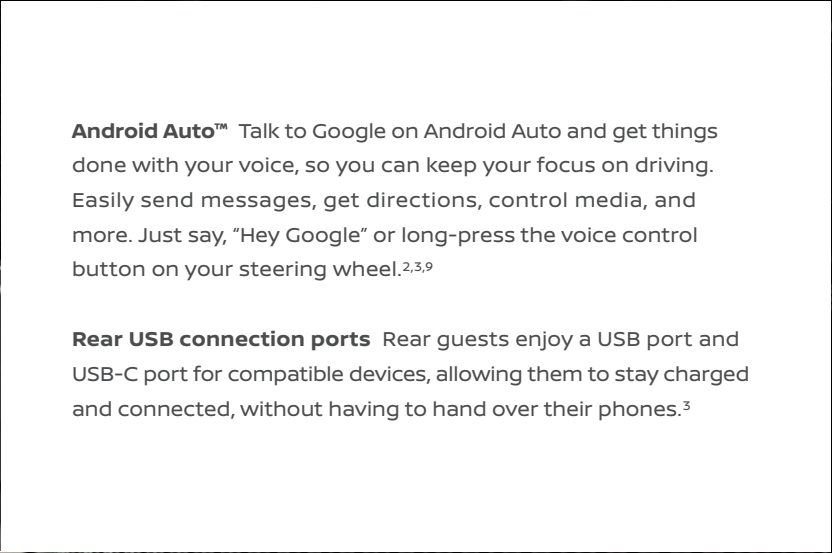

You like it cold, your front passenger likes it warm. Keep everyone happy with climate-controlled front seats that let each of you dial in comfort just as you like it.⁴

Seamless connectivity

Access the things you want to do on your phone, directly on Murano®'s 203 mm (8") touch-screen display. Just plug in a compatible smartphone and you'll stay connected.^{3,10}

Apple CarPlay® integration Equipped with Siri® voice control, Apple CarPlay® brings on board to your Murano your contacts, favourite messaging apps, Apple Music® playlists, Apple Maps, and more. Simply plug in your compatible iPhone® and go.^{2,3,9}

Android Auto™ Talk to Google on Android Auto and get things done with your voice, so you can keep your focus on driving. Easily send messages, get directions, control media, and more. Just say, "Hey Google" or long-press the voice control button on your steering wheel.^{2,3,9}

Rear USB connection ports Rear guests enjoy a USB port and USB-C port for compatible devices, allowing them to stay charged and connected, without having to hand over their phones.³

NissanConnect®

Remote start and more from your phone

With NissanConnect® Services, you can remotely start your vehicle from nearly anywhere your smartphone works. Need to unlock your vehicle for a friend? Just tap the unlock button on your phone. You can even find your parked vehicle's location. Now that's cool.²

What would you like to know?

Turn-by-turn directions,⁴ caller ID, safety features? Or maybe it's something else. Simple controls let you display what's important to you — right in front of you — on the 178 mm (7") Advanced Drive-Assist® Display.^{2,8,9}

Bose Premium Audio System The lights flash on, the first notes of the song begin to fill the air, and the crowd goes wild. This is the best concert ever, and you haven't even left the driveway. With 11 speakers, including dual subwoofers, strategically placed throughout the cabin, the Bose Premium Audio System provides the richness and detail of a live performance. Each speaker has been custom-tuned by Bose engineers to take advantage of the unique interior acoustics of Murano, so every instrument seems to hit you from a different angle. It's front-row sound so good, it might even be better than being there.⁴

A more confident, exciting, and connected ride

Nissan Intelligent Mobility is forever changing how you move. You'll drive with greater awareness and can even get an assist when you need it. Everything gets easier too, as you seamlessly sync your compatible smartphone to your Murano® and the world around you. This is the future of driving, and it's here for everyone right now.¹¹

Standard Nissan Safety Shield® 360

Imagine feeling confident in most any situation. With a suite of six standard Safety Shield 360 technologies, the Nissan Murano is looking out for you all around. This is additional peace of mind you can enjoy with every 2022 Murano.¹²

Intelligent Around View® Monitor Keep your pride and rims intact. Intelligent Around View Monitor makes parking easy with a virtual composite 360° bird's-eye view of your Murano.® You can select from split-screen close-ups of the front, rear, and curbside views for a better look. It also gives you an on-screen alert when it detects moving objects near your vehicle. We're looking at you, shopping cart.^{4,18,19}

Get a hand when you want it

Intelligent Forward Collision Warning What's up ahead? Murano knows. Intelligent Forward Collision Warning watches up to two cars ahead, and when it detects sudden deceleration in front of you, it gives you a warning to slow down.²⁰

Intelligent Cruise Control Go with the flow. Intelligent Cruise Control watches the flow of traffic to take the tedium out of your commute. The system helps maintain an adjustable speed and set distance between you and the car ahead.^{4,21}

Because you like your power polished

Power, courtesy of a 3.5-L V6 engine. Murano®'s 260-horsepower 3.5-litre V6 engine keeps you ahead of the pack when you need to be.²² And efficient fuel economy on the highway keeps it practical. Of course, it doesn't hurt to have aerodynamics that give you a drag coefficient of 0.31 — comparable to sports cars.

Efficiency, brought to you by the Xtronic CVT.® Unlike conventional automatic transmissions, the virtually "gearless" Xtronic CVT (Continuously Variable Transmission) makes gear-hunting a thing of the past. Fully variable gear ratios mean it can hold the engine at the ideal rpm, giving you a wave of power when you need it and achieving quiet, efficient cruising when you don't.
