

LIMITED EDITION GALANT 2-DOOR HARDTOP

The Galant Hardtop is a limited edition motor car. Only a limited number will be fully imported from Japan in the whole year.

The performing parts

The award winning 1600 Hemi-Saturn engine is a proven performer.

A zippy little powerhouse that won the 1972, 1973 and 1974 Southern Cross Rally. Then made a repeat performance in 1975.

That's not a standard sort of experience.

But a lot of engineering experience has gone into Galant's standard equipment.

Closer observation reveals precise variable ratio steering to give you instant response in tight spaces or at high speeds.

A 4-on-the-floor manual shift so you can move quickly through the gears.

Woodgrain dash, deep set instrumentation includes; tachometer, speedometer, petrol and temperature gauges.

A hazard warning light system flashes all turn indicator lights together. There's even small warning lights that go on the instant something's not quite right with battery or oil. And if doors are not closed properly, or the handbrake is on, lights flash on to let you know.

Power boosted disc-brakes give you stopping ability that's sure, straight and quick. Plus being twice as safe because of a tandem master cylinder. Radial ply tyres add further safety.

Dual headlamps brighten up night driving and safely let you know where you're going.

And the heated rear window keeps it clear and lets you see how far you've come in the world.

Keeping a clear road ahead will be easy with a large laminated windscreen.

And a multi-use lever on the steering column for anti-lift wipers, washers, dip switch, indicators and headlamp flashers will give you safety out in front.

Some comforting thoughts

The 3-spoke, soft grip, steering wheel has an adjustable tilt so it adjusts to you and not you to it.

Reclining front bucket seats (with integral head restraints) are another nice feature that won't be hard to adjust to.

Bucket seats are heavily contoured in the lumbar area to back you up on those long distance drives.

The floor console houses an electric clock with sweep second hand.

And to make any journey more comfortable, cigar lighter, parcel shelf and push button radio are standard.

Multi-use lever for fingertip operation of indicators, twin-jet electric windscreen washers, 2-speed wipers and dip switch.

Woodgrain instrument panel contains heater control, face level air vent, tachometer in instrument cluster and radio.

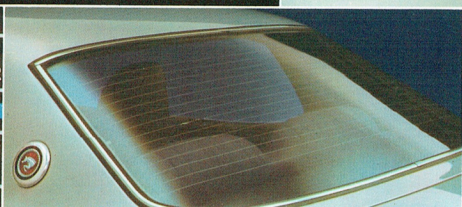

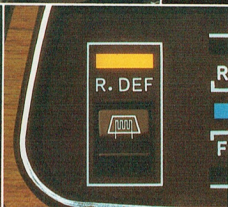

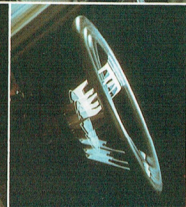

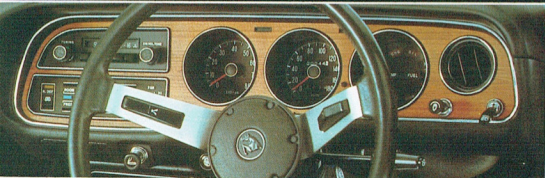

Adjustable tilt three-spoke padded steering wheel.

Rear window demister switch with yellow "on" light.

Woodgrain floor console with electric clock and 4 speed manual shift.

Unique emblem flow-through air vent.

Clearview heated rear window.

SPECIFICATIONS:

Engine: 4 cylinder, in line, 4 cycle, O.H.C.; Bore and Stroke, 76.9 mm x 86.0 mm; Capacity, 1597 cc; Compression Ratio, 8.5:1; Carburettor, Single downdraught, two barrel with automatic choke; Ignition System, mechanical; Fuel, 50% standard, 50% premium or higher premium blend.

Transmission: 4-speed manual floor shift transmission (standard); Synchromesh, all forward gears, Ratios — 1st, 3.525:1, 2nd, 2.193:1, 3rd, 1.442:1, 4th, 1.000:1, Reverse, 3.867:1.

Rear Axle: Semi-floating, hypoid bevel gear drive, Ratio, 3.889:1.

Suspension: Front — Independent, McPherson strut type with dual acting hydraulic shock absorbers and anti-sway bar. Rear — Leaf springs with dual acting hydraulic shock absorbers.

Steering: Recirculating ball with variable gear ratio; Ratio, 15.58 to 18.18.

Brakes: Hydraulic with tandem master cylinder; Front — disc, Rear — drum. Power boosted.

Electrical System: Battery — 12V, 40Ah, Alternator — 40 Amp.

Wheels & Tyres: Wheels — 13" x 4.5" JJ; Tyres — 165SR 13 x 4 ply BSW Radials.

Dimensions, Weights & Capacities:
 Overall Length, 4200 mm (165.4"); Overall Width, 1600 mm (63.0"); Overall Height, 1380 mm (54.3"); Wheel Base, 2420 mm (95.3"); Track — Front, 1315 mm (51.8"); Rear, 1300 mm (51.2"); Turning Circle, 9.4 metres (30.8"); Trunk Capacity, 0.30 m³ (10.5 cu. ft.); Fuel Tank Capacity, 51.0 litres; Kerb Weight (approx.) 930 kg.

WARRANTY

Chrysler Australia Limited offers a warranty on these Galant models of 12 months/unlimited kilometres.

Nationwide Parts and Service

Finding service and spare parts for your Galant is a simple matter. It's as near as your nearest Chrysler dealer.

There are more than 340 of them across the nation, with factory-trained technicians to take care of your car, and a complete stock of genuine Chrysler replacement parts and panels on hand.

So no matter where you go in your Galant, you can always be sure of finding friendly, capable service.

Just look for the Chrysler sign.

The policy of Chrysler Australia Limited is one of continual improvement in design and manufacture wherever possible to assure a still finer car. Hence specifications, equipment and prices are subject to change.

Chrysler go one better.
