

# CHRYSLER SIGMA GALANT

# THE SENSATIONAL SIGMA GALANT

Our basic Chrysler Sigma Galant is anything but basic.

It has the same sensational body style with dual headlights, the same front air dam, the same anti-lift wipers and the same locking fuel cap as all the other Sigmas.

The same energy absorbing safety steering column with adjustable tilt control, the same intermittent wipers, stalk controls, and 3-speed heater. Courtesy lights on all doors and even the ashtray and the cigar lighter.

You get front reclining seats, arm rests on all doors, full height door trim and comprehensive instrumentation including a clock.

The one major difference is under the bonnet. Sigma Galant's standard power unit is the reliable, proven four cylinder 1600 overhead cam Saturn engine, with a four speed transmission.

Or we can supply this sensational car with the optional four cylinder Astron 2000 Silent Shaft engine and automatic transmission.

## SPECIFICATIONS

Saturn 1600 overhead cam 4 cylinder engine with single two barrel carburettor with automatic choke. 4-speed manual transmission. Optional: Astron 2000 Silent Shaft engine with 3-speed automatic transmission.

### Suspension

## OUR UNLIMITED KILOMETRES WARRANTY.

Chrysler are always out to build better cars. And now there's further proof.

Every Sigma is covered by a 12 months/unlimited kilometres warranty.

So you can drive as far as you want in the first year with full warranty protection.

We're the first Australian car manufacturer to show this kind of confidence in its products.

It just goes to show how deeply Chrysler are committed to your driving pleasure.
