

2013 4Runner

SR5 4x4 shown in Salsa Red Pearl with available accessory roof rail cross bars.

Limited 4x4 interior shown in Sand Beige with available voice-activated touch-screen DVD navigation system! 2012 model shown.

For some, the path to self-discovery is an unpaved road. It's for these intrepid souls that the 2013 Toyota 4Runner was designed. With its reinforced body-on-frame construction, 4Runner is always ready for rugged adventure. And now, J.D. Power and Associates has named 4Runner the "Most Dependable Midsize Crossover/SUV."² It's no wonder that over 80% of 4Runners sold in the last ten years are still on the road.³ So the only question is: You in? **2013 Toyota 4Runner.**

TOP STANDARD AND AVAILABLE FEATURES⁴

Reinforced body on frame Available sliding rear cargo deck 5000-lb. towing capacity⁵ Available 9.6 in. of ground clearance 270-hp V6 Dual Independent VVT-i engine

1. See footnote 11 in Disclosures section. **2.** The Toyota 4Runner received the lowest number of problems per 100 vehicles among midsize crossovers/SUVs in the proprietary J.D. Power and Associates 2011 Vehicle Dependability Study.SM Study based on 43,779 consumer responses measuring problems consumers experienced in the past 12 months with three-year-old vehicles (2008 model year cars and trucks). Proprietary study results are based on experiences and perceptions of consumers surveyed October-December 2010. Your experiences may vary. Visit jdpower.com. **3.** Based on Polk U.S. Vehicles In Operation registration statistics MY 2001-2010 as of July 2010. **4.** Features listed not available on all model grades. **5.** See footnote 4 in Disclosures section.

Owning a 4Runner says a lot about you — even in places where it seems only the trees are listening. And to help you make the right statement, Genuine Toyota Accessories offers a full line of quality products. From cross bars and cargo covers, to exhaust tips and running boards, Genuine Toyota Accessories has just what you need to express yourself.

Make a statement where no one can hear it.

ACCESSORIES

Ashtray
Cargo divider
Cargo mat
Cargo net – envelope
Cargo net – spider
Cargo tote
Cargo tray
Carpet floor mats¹
Door edge guards
Emergency assistance kit
First aid kit
Hood protector
Paint protection film

Rear-seat entertainment system
Remote Engine Starter
Roof rail cross bars
Running boards
7-pin to 4-pin adapter
TRD air filter
TRD oil cap
TRD oil filter
TRD performance brake pads
TRD radiator cap

REMOTE ENGINE STARTER

In cold or hot weather, make sure your 4Runner is comfortable before you get in. Start the engine from the comfort of your house, and the air conditioner, heater, defroster and defogger begin operating at their last settings. It's integrated into your factory keyless entry system, so no additional remote is necessary.

Running boards

Remote Engine Starter²

CARGO TRAY

Protect your cargo from dirt, water and other debris. Custom-fitted to 4Runner's cargo area, this tough tray is molded from a flexible polymer blend with a skid-resistant surface to help keep things in place. The tray also features a perimeter "lip" to help contain spills.

Cargo tray

1. This floor mat was designed specifically for use in your model and model year vehicle and **SHOULD NOT** be used in any other vehicle. To avoid potential interference with pedal operation, each mat must be secured with retention hooks/clips. Do not install a floor mat on top of an existing floor mat. **2.** Key fob design varies by model. Available for vehicles with keyless entry only.

TOYOTA FINANCIAL SERVICES

Toyota Rewards Visa®

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love.

Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)[†] is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

[†]Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

DISCLOSURES

1. Torsen® is a registered trademark of Zexel Torsen, Inc. **2.** The Toyota 4Runner is designed to meet most off-road driving requirements, but off-roading is inherently dangerous. Abusive use may result in bodily harm or vehicle damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. **3.** Cargo and load capacity limited by weight and distribution. **4.** Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with new SAE J2807 method. **5.** 2013 EPA-estimated mileage. Actual mileage will vary. **6.** Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. **7.** XM services require a subscription after trial period, and are sold separately or as a package. **Subscriptions governed by SiriusXM Customer Agreement; see www.siriusxm.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. **8.** May not be compatible with all mobile phones, MP3/WMA players and like models. **9.** iPod® is a registered trademark of Apple Inc. All rights reserved. **10.** The *Bluetooth®* word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The *Bluetooth®* wireless technology phones listed on toyota.com have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. **11.** Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. **12.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. Select Entune® apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier. Apps identified by "TM" or "®" are trademarks or registered trademarks of their respective companies and cannot be used without permission. See toyota.com/entune for the latest information regarding apps and services. **13.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. **14.** HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **15.** iTunes® Tagging is a registered trademark of Apple Inc. All rights reserved. **16.** The Smart Key System may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **17.** The backup camera uses navigation system display on vehicles so equipped. **18.** HomeLink® is a registered trademark of Johnson Controls, Inc. **19.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **20.** Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. **21.** Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. **22.** All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. **23.** Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. **24.** The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. **25.** Available on select Toyota models. Contact with the Safety Connect® response center is dependent upon the telematics device being in operative condition, cellular connection availability, navigation map data and GPS satellite signal reception, which can limit the ability to reach the response center or receive emergency service support. Enrollment and Telematics Subscription Service Agreement required. One-year trial subscription available only with new vehicle purchase of Safety Connect®-equipped vehicles. Additional subscription terms available; charges vary by subscription term selected. **26.** DAC is designed to help the driver maintain vehicle control and speed on steep downhill descents. HAC is designed to help minimize backward rolling on steep ascents. Neither system is a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC and HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. **27.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a Smart Key fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key or Smart Key fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key or Smart Key fob, it can be costly to replace. If you lose a key or Smart Key fob, your Toyota dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local Yellow Pages or by contacting www.aloa.org **28.** Requires Premium Package.

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that's not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle's in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty.

For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it's necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota's warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

Toyota 4Runner is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitches/ball mount kits are not intended to provide crash protection.

For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
