

TACOMA

2013

4x4 Access Cab V6 shown in Silver Streak Mica with available TRD Off-Road Package, accessory front skid plate and black tube steps.

4x4 Double Cab interior shown in Graphite with available TRD Sport Package and Display Audio with Navigation,¹ Entune^{®2} and JBL[®] Entune[®] launch version shown.

Its aggressive front end should tell you that the 2013 Toyota Tacoma is looking to start something. Like an epic off-roading adventure. Tacoma is built on massive one-piece frame rails, and comes standard with a Sheet-Molded Composite (SMC) bed that provides better impact strength than steel. Add the available 236-horsepower V6, Hill Start Assist Control (HAC),³ Downhill Assist Control (DAC)⁴ and electronically controlled locking rear differential, and you'll find that Tacoma is practically unstoppable. So, stay on its good side. Get behind the wheel. **2013 Toyota Tacoma.**

TOP STANDARD FEATURES⁵

- Fiber-reinforced Sheet-Molded Composite (SMC) inner bed with steel outer panels, storage compartments, rail caps and removable tailgate, and Deck Rail System with four adjustable tie-down cleats
- Automatic Limited-Slip Differential (Auto LSD)
- Star Safety System[™] — includes Vehicle Stability Control (VSC),⁶ Traction Control (TRAC), Anti-lock Brake System (ABS), Electronic Brake-force Distribution (EBD), Brake Assist (BA)⁷ and Smart Stop Technology (SST)⁸
- A total of six airbags⁹ including: driver and front passenger Advanced Airbag System, driver and front passenger seat-mounted side airbags, and front and rear side curtain airbags
- Available Display Audio with Navigation, Entune[®] and JBL[®]
- Available Trailer-Sway Control (TSC)¹⁰
- Available maximum tow capacity of 6500 lb.¹¹; maximum payload of 1510 lb.¹²
- Available 236 hp/266 lb.-ft. V6 engine

RE050A tires³
(Available as part of package⁴
on V6 automatic transmission
Double Cab PreRunner/
4x4 models only)

¹Requires TRD Off-Road Package. ²Requires TRD Sport Package. ³Performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 24,000 miles, depending upon driving conditions. ⁴Requires Limited Package.

PACKAGES

V6 Tow Package:¹ Class-IV towing receiver hitch, transmission and supplemental oil coolers (transmission cooler not available on manual transmission models), 130-amp alternator, heavy-duty battery, 7-pin connector with converter and Trailer-Sway Control (TSC)²

Convenience Package: Power mirrors, sliding rear window with privacy glass, cruise control, steering wheel audio controls and remote keyless entry system

SR5 Package: Fog lights (V6 models only), chrome grille surround and rear bumper, color-keyed front bumper and overfenders, auto-dimming rearview mirror with integrated backup camera³ display, outside temperature gauge, variable intermittent windshield wipers, power outside mirrors (Access Cab models only), sliding rear window with privacy glass, bucket seats with 4-way adjustable driver's seat with lumbar support, SR5 fabric-trimmed seating surfaces, cruise control, leather-trimmed steering wheel with audio controls, leather-trimmed shift lever, metallic-toned instrument panel trim, dual sun visors with sliding extensions and vanity mirrors, compass and remote keyless entry system

TRD Off-Road Package: Off-road-tuned suspension with Bilstein® shocks, electronically controlled locking rear differential, 16-in. alloy wheels with P265/70R16 BFGoodrich® tires, Active Traction Control (A-TRAC) (4x4 models only), Hill Start Assist Control (HAC)⁴ and Downhill Assist Control (DAC)⁵ (4x4 automatic transmission models only), fog lights, chrome grille surround and rear bumper, color-keyed front bumper and overfenders, TRD Off-Road graphics, auto-dimming rearview mirror with integrated backup camera display, outside temperature gauge, variable intermittent windshield wipers, power outside mirrors (Access Cab models only), sliding rear window with privacy glass, engine skid plate, front tow hook, Sport fabric-trimmed front seats with driver's lumbar support (passenger-side fold-flat feature delete), cruise control, leather-trimmed steering wheel with audio controls, leather-trimmed shift lever, metallic-toned instrument panel trim, dual sun visors with sliding extensions and vanity mirrors, overhead console with maplights and sunglasses storage, 115V/400W deck-mounted AC power outlet, compass and remote keyless entry system

TRD Sport Package: Fog lights, Sport suspension with Bilstein® shocks, 17-in. alloy wheels with P265/65R17 tires, hood scoop, color-keyed grille surround, bumpers, power outside mirrors (Access Cab models only), door handles, overfenders, TRD Sport graphics, auto-dimming rearview mirror with integrated backup camera display, outside temperature gauge, variable intermittent windshield wipers, sliding rear window with privacy glass, Sport fabric-trimmed front seats with driver's lumbar support (passenger-side fold-flat feature delete), cruise control, leather-trimmed steering wheel with audio controls, leather-trimmed shift lever, metallic-toned instrument panel trim, dual sun visors with sliding extensions and vanity mirrors, overhead console with maplights and sunglasses storage, 115V/400W deck-mounted AC power outlet, compass and remote keyless entry system

Limited Package: SofTex®-trimmed heated front sport seats with 4-way adjustable driver's seat, 18-in. chrome-clad alloy wheels with P265/60R18 tires, chrome grille surround and rear bumper, color-keyed front bumper and overfenders, chrome fog light housing, chrome door handles, chrome power outside mirrors with turn signal indicator, fog lights, 115V/400W deck powerpoint, variable-speed wipers, metallic-toned instrument panel trim, leather-trimmed steering wheel with audio controls and shifter, dual sun visors with mirrors and extenders, auto-dimming mirror with monitor and outside temperature gauge and HomeLink®⁶ universal transceiver; Limited badge, includes remote keyless entry system, cruise control, sliding rear window with privacy glass and Display Audio with Navigation⁷, Entune®⁸ and JBL®

 SUPER WHITE	 NAUTICAL BLUE METALLIC (available with Graphite interior only)

WARRANTIES

Every Toyota Car, Truck and SUV is built to exceptional standards. And that’s not idle boasting. We back it up with these Limited Warranty Coverages:

Basic: 36 months/36,000 miles (all components other than normal wear and maintenance items).

Powertrain: 60 months/60,000 miles (engine, transmission/transaxle, drive system, seatbelts and airbags).

Rust-Through: 60 months/unlimited miles (corrosion perforation of sheet metal).

Emissions: Coverages vary under Federal and California regulations. Refer to applicable *Warranty and Maintenance Guide* for details.

Accessories: For Genuine Toyota Accessories purchased at the time of the new vehicle purchase, the Toyota Accessory Warranty coverage is in effect for 36 months/36,000 miles from the vehicle’s in-service date, which is the same coverage as the Toyota New Vehicle Limited Warranty. For Genuine Toyota Accessories purchased after the new vehicle purchase the coverage is 12 months, regardless of mileage, from the date the accessory was installed on the vehicle, or the remainder of any applicable new vehicle warranty, whichever provides greater coverage, with the exception of car covers. Car covers are warranted for 12 months from the date of purchase and do not assume any coverage under the Toyota New Vehicle Limited Warranty.

You may be eligible for transportation assistance if it’s necessary that your vehicle be kept overnight for repairs covered under warranty. Please see your authorized Toyota dealership for further details.

For complete details about Toyota’s warranties, please visit www.toyota.com, refer to the applicable *Warranty and Maintenance Guide* or see your Toyota dealer.

DISCLOSURES

1. Toyota strives to build vehicles to match customer interest and thus they typically are built with popular options and option packages. Not all options/packages are available separately and some may not be available in all regions of the country. See toyota.com for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. 2. V6 only. 3. May not be compatible with all mobile phones, MP3/WMA players and like models. 4. iPod® is a registered trademark of Apple Inc. All rights reserved. 5. The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Toyota is under license. Other trademarks and trade names are those of their respective owners. The Bluetooth® wireless technology phones listed on toyota.com have been tested for compatibility with Toyota vehicles. Performance will vary based on phone software version, coverage and your wireless carrier. Phones are warranted by their manufacturer, not Toyota. 6. Availability and accuracy of the information provided by the navigation system or any XM services mentioned (if installed) are dependent upon many factors. Use common sense when relying on information provided. Services not available in every city or roadway. Periodic navigation updates available at additional cost. See your *Navigation System Owner's Manual* or contact XM for details. 7. Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. Select Entune® apps use a large amount of data and you are responsible for all data charges. Apps and services vary by phone and carrier. Apps identified by "TM" or "®" are trademarks or registered trademarks of their respective companies and cannot be used without permission. See toyota.com/entune for the latest information regarding apps and services. 8. XM services require a subscription after trial period, and are sold separately or as a package. **Subscriptions governed by SiriusXM Customer Agreement; see www.siriusxm.com. If you decide to continue your XM service at the end of your complimentary trial, the plan you choose will automatically renew and bill at then-current rates until you call 1-866-635-2349 to cancel.** Fees and programming subject to change. Available only to those at least 18 years of age in the 48 contiguous United States and D.C. 9. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. 10. iTunes® Tagging is a registered trademark of Apple Inc. All rights reserved. 11. HomeLink® is a registered trademark of Johnson Controls, Inc. 12. The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather will limit effectiveness and view may become cloudy. 13. Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 14. Brake Assist is designed to help the driver take full advantage of the benefits of ABS. It is not a substitute for safe driving practices. Braking effectiveness also depends on proper brake-system maintenance and tire and road conditions. 15. Smart Stop Technology operates only in the event of certain simultaneous brake and gas pedal applications. When engaged, the system will reduce engine power to help the brakes bring the vehicle to a stop. Factors including speed, road conditions and driver input can all impact stopping distance. Smart Stop Technology is not a substitute for safe and attentive driving and does not guarantee instant stopping. Please see your *Owner's Manual* for further details. 16. All the airbag (AB) systems are Supplemental Restraint Systems. All ABs (if installed) are designed to inflate only under certain conditions and in certain types of severe collisions: frontal and knee ABs typically inflate in frontal collisions; side and side curtain ABs in side collisions; Roll-Sensing Curtain ABs at a severe tilt degree, roll or lateral G-force. In all other accidents, the ABs will not inflate. To decrease the risk of injury from an inflating AB, always wear seatbelts, sit upright in the middle of the seat as far back as possible and do not lean against the door. Do not put objects in front of an AB or around the seatback. Do not use a rearward-facing child seat in any front passenger seat. The force of an inflating AB may cause serious injury or death. See your *Owner's Manual* for further information/warnings. 17. Do not use rearward-facing child seats in any front passenger seat without switching off the passenger-side airbag. Please see your *Owner's Manual* for details. 18. Active front headrests can help reduce the extent of whiplash in certain types of rear-end collisions. 19. The Toyota Tire Pressure Monitor alerts the driver when tire pressure is critically low. For optimal tire wear and performance, tire pressure should be checked regularly with a gauge; do not rely solely on the monitor system. See your *Owner's Manual* for details. 20. Hill Start Assist Control (HAC) is designed to help minimize backward rolling on steep ascents. It is not a substitute for safe driving judgment and practices. Factors including grade, surface conditions and driver input can all affect whether HAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 21. Downhill Assist Control (DAC) is designed to help the driver maintain vehicle control and speed on steep, downhill descents. It is not a substitute for safe driving judgment and practices. Factors including speed, grade, surface conditions and driver input can all affect whether DAC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 22. The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key, it can be costly to replace. If you lose a key, your Toyota dealer can help, or you can find a qualified independent locksmith to replace your key or perform high-security key services at www.aloa.org. 23. Before towing, confirm your vehicle and trailer are compatible, hooked up and loaded properly and that you have any necessary additional equipment. Do not exceed any Weight Ratings and follow all instructions in your *Owner's Manual*. The maximum you can tow depends on the total weight of any cargo, occupants and available equipment. Calculated with new SAE J2807 method. 24. Payload Capacity is the calculation of GVWR minus curb weight and should be used for comparison purposes only. The maximum amount of passenger and cargo weight your vehicle can carry is the Load Carrying Capacity indicated on the label(s) on the driver's doorjamb. 25. With automatic transmission. 26. Trailer-Sway Control (TSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether TSC will be effective in preventing a loss of control. Please see your *Owner's Manual* for further details. 27. 2013 EPA-estimated mileage. Actual mileage will vary. 28. The TRD supercharger is to be sold only as a dealer-installed or over-the-counter option after retail sale of the vehicle. The supercharger may not be sold to the customer at the same time as the new vehicle and may not be financed together with the new vehicle. Please see the TRD catalog, visit www.trdusa.com or call 800-688-5912 for a complete list of TRD products and warranty information. Emission-legal for aftermarket sale via C.A.R.B. Executive Order.

TOYOTA FINANCIAL SERVICES

Toyota Rewards Visa®

Toyota helps you get more out of every dollar you spend. By rewarding you for every purchase you make, the Toyota Rewards Visa® adds even more value to doing the things you love. Turn everything you buy into points to redeem toward parts, accessories or an eligible vehicle purchase or lease at your Toyota dealer. Earn 5 points for every \$1 spent at participating Toyota dealers and 1 point for every \$1 spent everywhere else Visa is accepted.*

Visit www.toyotarewardsvisa.com for complete details.

Toyota Financial Services (TFS)† is a leading provider of automotive financial services, offering an extensive line of financing plans along with a variety of vehicle and payment protection products to Toyota customers and dealers in the U.S. For more information on TFS products and services, visit www.toyotafinancial.com

*On approved credit. You must have a valid permanent home address in the 50 United States or the District of Columbia. Terms, conditions and restrictions apply and are fully described in the Toyota Rewards Visa Cardmember Agreement and the Toyota Rewards Program Terms and Conditions received with your card. Points earned are based on net purchases. Points-earning maximums apply and points will expire as described in the Rewards Terms and Conditions. Redemption only available at participating Toyota dealerships in the continental U.S. and Alaska. Points cannot be redeemed for cash. Please contact your participating Toyota dealer for information regarding restrictions your dealer may impose on the use of credit cards related to vehicle purchases or leases. The creditor and issuer of the Toyota Rewards Visa is Toyota Financial Savings Bank. Toyota Financial Services is a service mark used by Toyota Financial Savings Bank.

†Toyota Financial Services is a service mark for Toyota Motor Credit Corporation and Toyota Motor Insurance Services, Inc.

Toyota Tacoma is designed to meet most off-road driving requirements. Abusive use may result in bodily harm or damage. Toyota encourages responsible operation to protect you, your vehicle and the environment. Seatbelts should be worn at all times. Please do not allow passengers to ride in the cargo area. Towing receiver hitch/ball mount kits are not intended to provide crash protection. For details on vehicle specifications, standard features and available equipment in your area, contact your Toyota dealer. A vehicle with particular equipment may not be available at the dealership. Ask your Toyota dealer to help locate a specifically equipped vehicle.

All information presented herein is based on data available at the time of posting, is subject to change without notice and pertains specifically to mainland U.S.A. vehicles only. Prototypes shown. Actual production vehicles may vary.
