Specifications  
common  
to all four models

### "SPACE TO SPARE" FOR SIX...

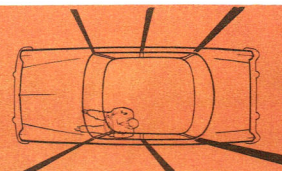

With the spacious comfort for six, you and your passengers will enjoy even the longest trips, and arrive as fresh as when you started out.

### SMOOTH, EASY HANDLING

Finger touch gear-shift, light, accurate steering, and extremely small turning radius, make driving the VEDETTE — under all traffic and road conditions — a relaxing pleasure.

### 301° OF CLEAR VISIBILITY

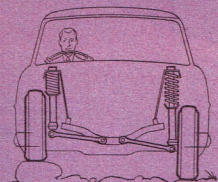

The extraordinary range of panoramic visibility gives driver and passengers alike the sensation of being in the open, rolling along in the very heart of the country-side... and what a guarantee for your safety!

### "FAMILY-TRIP" LUGGAGE COMPARTMENT

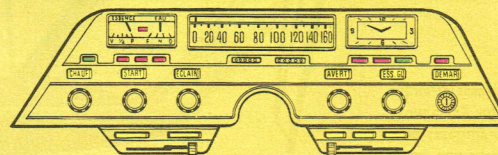

The extra-large luggage compartment of the Vedette resembles the roomy interior of the car itself, with plenty of space for the luggage of its six passengers. Depth: 1.07 m. (42 in.); Width: 1.60 m. (63 in.); Height: 0.56 m. (22 in.).

### "STABIMATIC" SUSPENSION

Whatever the road conditions, no bumps, no jars, no shocks. The VEDETTE glides along with level smoothness, and hugs down on the road at all speeds, even in the sharpest curves.

### AUTOMATIC CONTROLS FOR COMFORT AND SAFETY

The "Full-View" instrument panel with rational distribution of controls and accessories, permanent vigilance of the "Luminous Sentinel" system, is a masterpiece of efficient convenience, designed for your comfort and your safety.
