*Valiant V.I.P.*

LUXURIOUS 195 H.P. V8 WITH DISC BRAKES AND POWER STEERING

# Highlights of Valiant VIP

**NEW LUXURY:** Individual, comfort contoured seats for driver and front passenger. Both front seats are fully reclining and have adjustable headrests for added comfort and safety. Rear seat has a folding centre armrest. Upholstery is in luxury sponge vinyl; Floors fully carpeted; Doors trimmed to full height and have a subtle touch of distinction with a wood grained panel feature. Equipment is practical and complete:— New, quiet in operation Heater/Demister; Power-operated windscreen washers with control from instrument panel; Shatterproof Prismatic interior rear view mirror; Exterior rear view mirror standard; Ashtrays in rear door armrests; Wheel-trim rings; Courtesy lights all doors; Big luggage boot carpeted and with trunk light; Reversing lights standard.

**DISTINCTIVE NEW LOOK OF LEADERSHIP:** Valiant's elegant, long look is enhanced in the V.I.P. by a vinyl covered roof and distinctive body mouldings. The use of gently curved side glass adds extra seating width inside, but still keeps a sleek look outside. New, big concave rear window and bigger side windows add to all-round visibility. New design windscreen pillar gives easier entry to front compartment. With a 2" increase in wheelbase (now 108") and 5.5" in overall length (193.7"), the car not only looks more impressive, but also provides additional rear seat leg room.

**"POWER-SAFE" DRIVING:** The Valiant V8 engine now develops 195 HP. The dynamic performance is safety-matched with power-assisted, front disc brakes; Dual braking system with warning light; Power steering; 125 mph nylon cord tyres; An even wider front track (increased 1.5" to 57.4"); Torsion bar suspension; Safety interiors. Detailed refinements have been made to the suspension to provide an even smoother, softer ride. For added convenience, an underhood engine lamp is provided.

**3-SPEED TORQUEFLITE AND POWER STEERING:** In the V.I.P. sedan, gear selection is made through a short, sports-type lever mounted in a fully trimmed floor console. Co-axial power steering provides finger-tip parking and effortless steering control.
