

**2022
SILVERADO
3500 HD
CHASSIS CAB**

A STRONG FOUNDATION.

Silverado 3500 HD Chassis Cab is built to handle any job on your worksite. Both Chassis Cab and Box Delete models feature a stiff frame with high-strength steel cross members, robust U-joints and large axles, providing a solid platform for upfits! Power and payload capacity are supplied by either a 6.6L V8 gas engine or a Duramax® 6.6L Turbo-Diesel V8 engine, the latter paired with an Allison® 10-speed automatic transmission. It all adds up to a full-time worker that stands strong for your business.

Silverado 3500 HD Regular Cab Chassis Cab WT 4x4 in Silver Ice Metallic, shown with an upfit from an independent supplier.¹

¹ Shown with upfit from an independent supplier. Equipment from independent suppliers is not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

INTRODUCING 3500 HD CHASSIS CAB

3500 HD CHASSIS CAB AT A GLANCE.

- 6.6L V8 gas engine with 401 horsepower and 464 lb.-ft. of torque and 6-speed automatic transmission
- Available Duramax 6.6L Turbo-Diesel V8 engine with 910 lb.-ft. of torque with standard exhaust brake and Allison® 10-speed automatic transmission
- Integrated Power Take-Off capability available with the Duramax 6.6L Turbo-Diesel V8 and Allison 10-speed transmission
- Both transmissions include cruise grade braking, powertrain grade braking and Tap-Up/Tap-Down Driver Shift Control
- Available in Regular Cab or Crew Cab models, with a choice of two wheelbases for Regular Cab models
- Robust frame with high-strength steel cross members
- Large rear axle with a 12" ring gear on Turbo-Diesel models
- Automatic locking rear differential
- GVWR of 14,000 lbs¹
- Maximum GCWR of 40,000 lbs²
- Three fuel tank options – front, rear or combined – for an available total fuel capacity of 63.5 gallons

Silverado 3500 HD Crew Cab Chassis Cab LT shown with a service body upfit from an independent supplier.³

Silverado interior provides plenty of storage compartments and comfort amenities.

¹ Maximum Gross Vehicle Weight Rating (GVWR). When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ² Requires available Duramax 6.6L Turbo-Diesel V8 engine. Maximum Gross Combination Weight Rating (GCWR). When properly equipped; includes weight of the vehicle and trailer combination, including the weight of driver, passengers, fuel, optional equipment and cargo in the vehicle and trailer. ³ Shown with upfit from an independent supplier. Equipment from independent suppliers is not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

When properly equipped; includes weight of vehicle, passengers, cargo and equipment. ³ These maximum payload ratings are intended for comparison purposes only. Before you buy a vehicle or use it to haul people or cargo, carefully review the Vehicle Loading section of the Owner's Manual and check the carrying capacity of your specific vehicle on the label on the inside of the driver door jamb.

ENGINE SPECIFICATIONS

6.6L V8 GAS Standard on all models.

Heavy-duty 6-speed automatic transmission

401 hp @ 5200 rpm

464 lb.-ft. of torque @ 4000 rpm

Displacement: 6564 cc (400 cu. in.)

Bore and stroke: 103.25 mm x 98 mm (4.06 in. x 3.86 in.)

Compression ratio: 10.75:1

Block: Cast-iron with nodular iron main caps

Cylinder head: Cast-aluminum

Valvetrain: Overhead valve with Variable Valve Timing (VVT)

Fuel delivery: Direct Injection

Recommended fuel: Regular unleaded or E85

DURAMAX 6.6L TURBO-DIESEL V8 Available on all models.

Allison® 10-speed automatic transmission

445 hp @ 2800 rpm

910 lb.-ft. of torque @ 1600 rpm

Displacement: 6619 cc (403 cu. in.)

Bore and stroke: 103 mm x 99 mm (4.05 in. x 3.89 in.)

Compression ratio: 16.0:1

Block: Cast-iron

Cylinder head: Cast-aluminum

Valvetrain: Overhead valve with 4 valves per cylinder

Fuel delivery: Direct Injection with high-pressure common rail

Recommended fuel: Ultra-low-sulfur diesel

STANDARD EQUIPMENT

Standard on every Silverado 3500 HD Chassis Cab:

MECHANICAL

Air filter – heavy-duty with air filtration monitoring

Battery – heavy-duty

Brakes – 4-wheel antilock disc with Duralife® brake rotors and brake lining wear indicator

Cooling – external engine and transmission oil coolers

Differential – automatic locking rear

Engine – 6.6L V8 gas with Variable Valve Timing (VVT) and Direct Injection

Frame – fully boxed, hydroformed front section and open C-channel rear section

StabiliTrak® – Electronic Stability Control System and Traction Control; includes Electronic Trailer Sway Control and Hill Start Assist

Steering – recirculating ball with smart flow power steering system

Transmission – heavy-duty 6-speed automatic

Wheels – dual rear (DRW)

EXTERIOR

Daytime running lamps – automatic on/off with automatic delay

Headlamps – halogen

Recovery hooks¹

Roof marker lamps – Smoked Amber LED

Tires – LT235/80R17E all-season highway

Wheels – 17" painted-steel

INTERIOR

Air conditioning – single-zone

Air vents – rear, heating/cooling (Crew Cab)

Airbags² – dual-stage frontal airbags for driver and front outboard passenger; seat-mounted side-impact airbags for driver and front outboard passenger; head-curtain airbags for front and rear outboard seating positions; includes front outboard Passenger Sensing System for frontal outboard passenger airbag

Assist handles – driver and front passenger, A-pillar (Regular Cab and Crew Cab); rear passenger, B-pillar (Crew Cab)

Connectivity – Bluetooth® phone connectivity and wireless audio streaming³

Door locks – manual (Regular Cab); power programmable with lockout protection and manual rear door child security (Crew Cab)

Instrument cluster – 6-gauge with speedometer, fuel level, engine temperature, tachometer, voltage and oil pressure

Media – two USB ports⁴ on instrument panel

Power outlet – 12-volt auxiliary, front

Rear Seat Reminder⁵ (Crew Cab)

Steering column – manual tilt-wheel

Teen Driver technology⁶

Temperature display – outside

Tire Pressure Monitoring System – with Tire Fill Alert (does not monitor spare tire)

¹ To avoid the risk of injury, never use recovery hooks to tow a vehicle. For more information, see the Recovery Hooks section of your Owner's Manual. ² A NOTE ON CHILD SAFETY: Always use seat belts and the correct child restraint for your child's age and size, even with airbags. Even in vehicles equipped with the Passenger Sensing System, children are safer when properly secured in a rear seat in the appropriate infant, child or booster seat. Never place a rear-facing infant restraint in the front seat of any vehicle equipped with an active frontal airbag. See your vehicle Owner's Manual and the child safety seat instructions for more safety information. ³ Go to my.chevrolet.com/learnAbout/bluetooth to find out which phones are compatible with the vehicle. Full Bluetooth feature functionality varies by device, model and software version. ⁴ Not compatible with all devices. ⁵ Does not detect people or items. Always check rear seat before exiting. ⁶ Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

2 Safety or driver assistance features are no substitute for the driver's responsibility to operate the vehicle in a safe manner. Read the vehicle Owner's Manual for important feature limitations and information.

3 When you select a monthly plan within 30 days of activating your 1-month trial, you'll receive the next 2 months of the plan you select at no additional charge when you associate an approved payment method on file to your account and authorize recurring payments for your service plan. The amount and frequency of each recurring payment is based upon the service(s) and payment interval(s) you select from the options provided. After the trial expires, OnStar will automatically bill your payment method monthly at then-current standard monthly rates. Plans containing 4G LTE data will be billed every 30 days by AT&T. You may cancel at any time by pushing your blue OnStar button or calling 1-888-466-7827. May not be combined with other offers or retroactively applied. Offer subject to change.

4 If you decide to continue service after your trial, your selected subscription plan will automatically renew thereafter. You will be charged at then-current rates. Fees and taxes apply. To cancel you must call SiriusXM at 1-866-635-2349. See SiriusXM Customer Agreement for complete terms at siriusxm.com. All fees and programming subject to change.

ALWAYS READY FOR OVERTIME.

You know what Chevrolet Commercial Vehicles call 9 to 5? A decent start. Our lineup is ready to make light work of a long week, led by the powerful and dependable Silverado 1500 and Silverado HD, plus Silverado 3500 HD Chassis Cab. And let's not forget the strength of medium-duty Silverado 4500 HD/5500 HD/6500 HD Chassis Cabs, the maneuverability of the Low Cab Forward series and the utility of Express Vans. It all adds up to an unbeatable crew that never stops working.

COMMERCIAL PROGRAMS

ONSTAR BUSINESS SOLUTIONS

OnStar Business Solutions is a family of products that offers insight to find efficiencies, foresight to make better decisions, and confidence in knowing your people and your assets are protected and connected. Learn more at onstar.com/BusinessSolutions.

Manage the way your business moves with OnStar Vehicle Insights™¹ by OnStar Business Solutions. You can see your fleet in real time and receive actionable information to make more informed decisions. Learn more at onstarvehicleinsights.com.

BUSINESS CHOICE

This program² can give you the best value on the vehicles you count on. Business Choice includes a cash allowance on either GM Accessories or Upfits³, and you can even add the most current retail offers to your deal. Learn more at chevrolet.com/business-choice-offers.

BUSINESS ELITE DEALERS

These specialized dealers provide the know-how to help you select the right vehicles for the job. Plus, every Business Elite service department has the facilities, tools and technicians for your needs. Learn more at chevrolet.com/commercial/business-elite.

¹ Terms apply. Available on select properly equipped 2015 model year and newer GM vehicles (excludes Volt, Low Cab Forward Trucks and GM vehicles built without OnStar Hardware, which includes but is not limited to select base Chevrolet and GMC trucks). Requires an active connected vehicle services plan. Fees, services, and availability subject to change without notice. Applicable taxes not included. Does not include emergency or security services. Diagnostics capabilities vary by vehicle model. Not all issues will deliver alerts. See onstarvehicleinsights.com for details and limitations. ² The 2022 Business Choice Program is valid from September 10, 2021, to January 2, 2023. Customer must purchase or lease their vehicle during the program period and be prepared to provide proof of business ownership. Vehicle must be used in the day-to-day operations of the business and not solely for transportation purposes. This program may not be compatible with other offers or incentive programs. Consult with your GM dealer for program compatibility and other restrictions. For complete program requirements, including information regarding offers, vehicles, equipment, options, warranties, and ordering, consult your GM dealer. To qualify, vehicle must be used in the day-to-day operations of your business and not solely for personal/non-business-related transportation purposes. Proof of business ownership may be required. Not available with some other offers. For complete program requirements, including information regarding offers, vehicles, equipment, options, warranties, and ordering, consult your GM dealer. Take delivery by January 2, 2023. See dealer for details. ³ Equipment from independent suppliers is not covered by the GM New Vehicle Limited Warranty. GM is not responsible for the safety or quality of independent supplier alterations.

IMPORTANT INFORMATION

You may also want to consider Silverado 4500 HD, 5500 HD or 6500 HD.
