EXPAND YOUR **AESTHETICS** IN LIMITED

MASTERFULLY CRAFTED FROM ALL ANGLES, Jeep® Grand Cherokee WK Limited welcomes you into a world of luxury that leaves little to be desired. The leather-wrapped, heated steering wheel and heated front seats, with available heated second-row seats, are warm and welcoming in cold weather. The standard memory settings for the driver's seat, radio and mirrors can accommodate two different sets of choices, and the power 12-way front-passenger seat with four-way lumbar adjustment provides precise comfort.

The available premium Alpine® Premium Sound System with nine speakers and Active Noise Cancellation delivers top-quality sound, entertainment and communication features. Peace of mind arrives on every 2022 Grand Cherokee WK with standard Blind-Spot Monitoring^{1*} and Rear Cross-Path Detection¹ Systems, Park-Sense® Rear Park Assist System¹ and ParkView® Rear Back-Up Camera.¹

* A note about this brochure: all disclosures can be found on the last page.

YOUR FREEDOM TO FIND TRUE ADVENTURE BEGINS HERE

OPEN THE DOOR TO THE WORLD OF AUTHENTIC Jeep® Grand Cherokee WK refinement that's brimming with all of the features that give you permission to travel to those places others only dream of reaching. The exterior is immediately recognizable with its iconic seven-slot, bright-trimmed grille, and the interior brims with a full list of available features intended to pamper all passengers. This stunning SUV is powered by the standard and proven 3.6L Pentastar™ V6 engine with efficient Engine Stop/Start technology and matched to the standard 8-speed automatic transmission.

SIRIUSXM⁴

Tune in and travel well. SiriusXM⁴ connects you with the ultimate entertainment experience, including over 150 channels of ad-free music, plus sports, news, talk and comedy. One-year trial included. Standard.

PHONE / TEXT

Pair up to eight phones, make calls, use voice commands to hear and respond to texts,⁵ select media stations and access navigation. Includes Apple CarPlay⁶ support with your connected iPhone and Android Auto^{TM6} compatibility. Standard.

CONNECTIONS

With Siri Eyes Free⁷ and your connected iPhone, use voice commands to make calls, create and send texts, and more. GPS Navigation⁸ helps you travel the best routes. A Wi-Fi Hotspot⁹ connects with up to eight devices within 15 metres (50 feet) of your vehicle. Standard.

SIRIUSXM TRAFFIC PLUS³

Avoid tie-ups, road closures and construction with continuous traffic updates. First five years of service included. Standard.

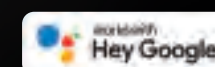

SIRIUSXM GUARDIAN²

Enjoy a suite of safety and convenience features, including SOS Call,¹³ lock/unlock or start your car¹⁶ from almost anywhere, and much more. One-year trial included. Standard.

START YOUR CAR FROM AFAR

Start the engine, lock the doors, check fuel status and more using the available Jeep[®] Skill¹⁷ for Amazon Alexa¹⁰ or the available Jeep Action on Google on your voice-assistant-enabled devices.

SIRIUSXM TRAVEL LINK³

Get weather maps, forecasts and alerts, plus sports scores and schedules, fuel prices and more. First five years of service included. Standard.

A LOT TO CONNECT WITH

The Uconnect[®] system is your customizable, connected vehicle platform dedicated to safe and seamless communication, navigation and entertainment — all from one easy-to-use touchscreen. You're always connected with Uconnect, whether in your vehicle or via the Uconnect App² on your device, which allows you to lock and unlock your vehicle remotely.

UCONNECT AND
RELATED SERVICES
AT DRIVEUCONNECT.CA

DISCOVER WHAT **DRIVES YOU**

Access the 7-inch reconfigurable Multi-View Display Cluster while keeping your eyes safely on the road via controls on the steering wheel. You'll instantly scroll through a selection of vehicle data displayed on your instrument panel, including available navigation, performance stats, alerts and estimated fuel consumption. Standard.

AWE-INSPIRING FREEDOM

BORN WITH THE CAPABILITY TO CARRY YOU to places others only dream of reaching, Jeep® Grand Cherokee WK also takes you there in ultimate comfort. An exceptional interior offers a long list of standard and available features, and authentic Four-Wheel-Drive (4WD) systems keep you going when road conditions turn challenging. The scene is set. Enjoy the view.

ALL-AROUND COMFORT

HEATED SEATS Enjoy heated front seats, with the option to add this comforting feature for the second row. Standard.

DUAL-ZONE AUTOMATIC TEMPERATURE CONTROL

Constantly adjusts air temperature inside the cabin to create separate, customized environments for the driver and front passenger. Standard.

ACOUSTIC GLASS Acoustic windshield and laminated front-door glass help remove the distractions of traffic and wind noise to deliver a noticeably hushed and peaceful ride. Standard.

ACTIVE NOISE CANCELLATION This sound-absorbing technology enhances the effect of the acoustic glass in place on the windshield and side windows. Available.

MADE TO MAKE THE SCENE

JEEP® GRAND CHEROKEE WK LIMITED PRESENTS A PROFILE THAT CAPTURES ATTENTION with a brightly trimmed exterior that accents singular style. With Limited, upscale comfort is matched with downtown style, delivering an impressive amount of sparkling chrome and a perfect blend of standard premium amenities. Authentic Jeep® Brand Four-Wheel Drive (4WD) is standard with the Quadra-Trac II® 4x4 system with Hill Descent Control, augmented by the masterful Selec-Terrain® Traction Management System. Together, these features help to ensure safe travel on routes covered with snow, mud, sand or rock.

SEASONS OF MASTERY

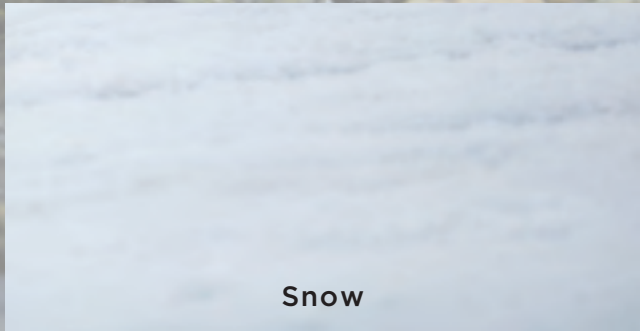

Head out with confidence. You're equipped to go anywhere, knowing just about everything regarding the performance of your Jeep® Grand Cherokee WK.

Rock

SELEC-TERRAIN® TRACTION MANAGEMENT SYSTEM Five selectable settings let you dial in to the type of Four-Wheel-Drive (4WD) traction control your Jeep Grand Cherokee WK needs at any particular moment. Selec-Terrain® pairs with the 4x4 system, giving you the ability to tailor your capability to the road and driving conditions. Selec-Terrain helps to adapt traction performance with a selectable dial that features Snow, Sand, Auto, Mud and Rock settings. This intelligent system gives you ultimate driving confidence by coordinating 12 vehicle systems, including throttle control. Standard on Limited and Limited X and available on Laredo and Altitude.

OFF-ROAD PAGES Access real-time performance data so you know just how far your suspension is travelling, and see how you're faring on the trail with the tilt-and-pitch gauge. In-depth vehicle diagnostics, including wheel turn, articulation and transmission temperature, all help to provide an optimized experience. Standard.

Auto

AUTHENTIC 4x4 AUTHORITY

JEEP® BRAND FOUR-WHEEL-DRIVE (4WD) SYSTEMS

QUADRA-TRAC II® Automatically distributes power to the wheels with the most traction. The two-speed transfer case acts quickly to keep you moving wherever challenging road conditions are found. Standard on Limited and Limited X and available on Laredo and Altitude.

QUADRA-TRAC I® Let this fully automatic 4WD system do the thinking for you. It can adjust traction without the need for driver input, so you can keep moving forward with an optimal balance of torque distribution. Standard on Laredo and Altitude.

HARNESS THE POWER

HILL DESCENT CONTROL (HDC) Helps provide a smooth and controlled hill descent on rough or slippery terrain without any driver intervention. The system will automatically apply the brakes to each wheel individually as needed, working to control forward motion when negotiating down steep grades. Available.

HILL START ASSIST (HSA) Works to help safely begin forward motion from a stop when climbing a hill. Brake pressure is automatically maintained for a short period of time after the driver's foot is removed from the brake pedal. When the gas pedal is pressed, the vehicle can safely begin its climb. Standard.

STRONG FOR THE LONG HAUL

Take to the road with the power to bring the toys and equipment you need for both work and for fun. Jeep® Grand Cherokee WK moves forward with authentic strength, capability and the fortitude you need to tackle challenging road conditions and tow big loads.

THE EFFICIENT AND POWERFUL 3.6L PENTASTAR™ V6 ENGINE

Meet Grand Cherokee WK's proven performer. Its strength can pull up to 2,812 kg (6,200 lb) when properly equipped. Engine Stop / Start (ESS) technology seamlessly and automatically shuts off the engine at full stops, then re-engages for takeoffs, helping to reduce emissions and increase fuel efficiency. Standard.

STANDARD 8-SPEED AUTOMATIC TRANSMISSION Smooth and efficient, this automatic transmission consistently uses energy to its best advantage. You'll feel the acceleration and appreciate the reduced fuel consumption.

ECO MODE maximizes fuel efficiency. It automatically modifies the shift schedule and torque converter. When you activate Eco Mode, idle speed is gently lowered, allowing gains in fuel economy.

IT'S WHAT YOU BRING TO THE PARTY

Tow up to 2,812 kg (6,200 lb) with the Trailer Tow Group IV. It includes heavy-duty engine cooling, a Class IV hitch receiver, a four- and seven-pin wiring harness, rear load-leveling suspension and a full-size spare tire. Available.

Limited in Bright White
Properly secure all cargo. Always tow within the vehicle's capacity.

ON GUARD AT ALL TIMES

PEACE OF MIND RIDES WITH YOU When you're carrying precious cargo, you want to do all you can to keep your passengers safe and secure. With a robust list of standard and available safety and security features, including Adaptive Cruise Control with Stop,[†] Lane Departure Warning with Lane Keep Assist,[†] and Parallel and Perpendicular Park Assist,[†] Jeep® Grand Cherokee WK helps you remain confident driving in all weather conditions, over any terrain. The strength of a reinforced structure adds a welcome layer between you and the outside world, with both passive and active systems working together to give you well-earned confidence wherever you go.

SAFETY & SECURITY

STANDARD

- ParkView® Rear Back-Up Camera¹ with Dynamic Grid Lines and Trailer View
- Blind-Spot Monitoring¹ and Rear Cross-Path Detection¹ Systems
- Park-Sense® Rear Park Assist with Active Braking¹

ProTech Group AVAILABLE

- Adaptive Cruise Control with Stop¹ (Limited/Limited X)
- Parallel and Perpendicular Park Assist¹ (Limited/Limited X)
- Forward Collision Warning with Active Braking¹
- Lane Departure Warning with Lane Keep Assist¹
- Advanced Brake Assist
- Auto High-Beam Headlamp Control (Laredo/Altitude)

PARKVIEW® REAR BACK-UP CAMERA¹ WITH DYNAMIC GRID LINES AND TRAILER VIEW

Back out safely with grace. This system helps bring previously hidden rear objects to your attention, either on-screen or with an audible warning, in good time to react. You can also keep an eye on anything in tow while in motion. Standard.

BLIND-SPOT MONITORING¹ AND REAR CROSS-PATH DETECTION¹ SYSTEMS

These systems monitor the space between you and other drivers. When a side or rear blind spot is encroached, you're notified via helpful icons illuminated on sideview mirrors and an audible chime. Standard.

PARK-SENSE® REAR PARK ASSIST SYSTEM¹ Works in tandem with ParkView® Rear Back-Up Camera¹ and provides an audible chime that increases in intensity while reversing. If an impact is imminent, the system can actively apply the brakes to help bring the vehicle to a stop at low speeds. Standard.

ELECTRONIC STABILITY CONTROL (ESC)¹¹ A vehicle-wide network of safety sensors helps maintain vehicle control, providing instant aid should it detect you're veering off your intended path. ESC¹¹ coordinates Electronic Roll Mitigation (ERM), Antilock Brake System (ABS) and Brake Assist, All-Speed Traction Control and Trailer Sway Control (TSC), sending them into action when needed. Standard.

ADAPTIVE CRUISE CONTROL WITH STOP¹ Take the guesswork out of keeping a safe following distance from the car ahead while cruising on the highway. The system automatically adjusts cruising speed to maintain a preset distance between you and the vehicle ahead and can bring Jeep® Grand Cherokee WK to a complete stop, without driver intervention, to help avoid a collision. Available.

FORWARD COLLISION WARNING WITH ACTIVE BRAKING¹ Sensors detect when Grand Cherokee WK may be approaching another vehicle too rapidly, sending an audible and visual alert to the driver and providing active brake assistance if the driver does not react in time. Available.

PEACE OF MIND RIDES WITH YOU

Limited in Diamond Black Crystal Pearl

PARALLEL AND PERPENDICULAR PARK ASSIST¹ This active guidance system controls steering automatically by using ultrasonic sensors that help you ease into parking spots. Includes Park-Sense[®] Front Park Assist¹ sensors. Available.

LANE DEPARTURE WARNING WITH LANE KEEP ASSIST (LDW+)¹ Provides a visual and audible warning should the system detect the vehicle is drifting outside of lane boundaries or if the driver's hands are off the wheel. It also leverages the Electric Power Steering (EPS) system to deliver subtle steering-wheel input when the system detects a need for course correction. Available.

RAIN-SENSING WINDSHIELD WIPERS AND RAIN BRAKE SUPPORT Rain showers should never be a showstopper. Front wipers activate when raindrops are detected. The smart brake system helps dry the brake rotors on wet roads. Standard.

INTEGRATED VOICE COMMAND WITH BLUETOOTH[®] Helps drivers safely send, reply or listen to a text⁵ (not compatible with iPhone), take or make phone calls, and request detailed information, like fuel prices, while keeping both hands on the wheel. Standard.

TRAILER SWAY CONTROL (TSC) Crosswinds and traffic hold no sway over you and your payload. As part of Electronic Stability Control (ESC),¹¹ TSC helps keep you and the toys you tow safely on course. Standard.

SENTRY KEY[®] ENGINE IMMOBILIZER A unique, embedded key code matched only to your vehicle helps keep your Grand Cherokee WK safely where you parked it. Standard.

A SECURE AIR BAG¹² SYSTEM Your need for security is fully respected with the Grand Cherokee WK all-around air bag¹² system. Full-length side-curtain, seat-mounted side thorax, and advanced multistage front and driver inflatable knee bolster air bags all work together to help provide protection. Standard.

CHASSIS STRENGTH Maintain peace of mind with this strong safety cage constructed with 65 percent high-strength steel. Standard.

A red Jeep Grand Cherokee is driving on a cable-stayed bridge at dusk. The car is in the foreground, moving towards the viewer. The bridge has a distinctive white A-frame pylon and numerous stay cables. In the background, there are city buildings, including one with a 'CONVERSE' sign, and construction cranes. The sky is a mix of blue and orange from the setting sun.

AUTHENTIC JEEP® BRAND VEHICLE ACCESSORIES

When it comes to Jeep® Grand Cherokee WK, not all parts and accessories are created equal. As the official service, parts and customer care provider for the Jeep Brand, only Mopar® Parts and Accessories can ensure the proper fit, finish and functionality. That's because they're original equipment, engineered by the same people who designed your vehicle, which means you can personalize your ride with complete confidence.

Mopar is also more than parts and accessories. We're here to help you properly maintain and care for your vehicle. Our certified technicians are trained to know your vehicle best, and our Mopar Express Lane service departments are set up to get you in, out and back on the road. From parts and accessories to expert service and more, always be sure to choose Mopar. Learn more at mopar.ca

MOPAR VEHICLE PROTECTION: FCA Canada Inc. has a vested interest in your satisfaction and owner experience with your new vehicle. Mopar Vehicle Protection offers extended service and maintenance plans to help ensure you'll enjoy your vehicle for many years down the road — for just pennies a day. For more information on comprehensive vehicle coverage, see your local Chrysler, Jeep, Dodge and Ram retailer or call (800) 465-2001.

WARRANTIES: 2022 Chrysler, Jeep, Dodge and Ram vehicles are backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance†. SRT vehicles are backed by a 3-year or 60,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance. Basic Warranty coverage is for 3 years or 60,000 kilometres‡. Rust-through coverage on all body sheet metal is for 3 years. The Cummins Turbo Diesel engine is protected by a separate Limited Warranty, covering the engine for 5 years or 160,000 kilometres*. The EcoDiesel engine is backed by a 5-year or 100,000-kilometre fully transferable Powertrain Limited Warranty* with \$0 deductible plus 24-hour roadside assistance†.

*Whichever comes first. Some conditions may apply. †The 5-Year / 100,000-Kilometre Powertrain Limited Warranty does not apply to vehicles sold for certain commercial uses. See your retailer for full details.

1) This is a driver convenience system, not a substitute for active driver involvement. The driver must remain aware of his or her surroundings and be prepared to take corrective action to avoid collisions. 2) All SiriusXM Guardian equipped vehicles come with a 12-month complimentary trial effective on the date of purchase or lease of a new vehicle. Enrolment in the trial is required to receive service. Upon expiration of the trial period, purchase of a subscription is required to continue SiriusXM Guardian. SiriusXM Guardian is available only on equipped vehicles purchased within the United States and Canada. Services can only be used where cellular coverage is available. See Uconnect and SiriusXM Guardian Terms of Service for complete service limitations. 3) SiriusXM Traffic Plus and SiriusXM Travel Link require subscriptions, sold separately or as a package, by SiriusXM Radio Inc. If you decide to continue service after your trial period included with the new vehicle purchase, the subscription plan you choose will automatically renew thereafter and you will be charged according to your chosen payment method at then-current rates. Trial service is not transferable. Fees and taxes apply. Please see the Customer Agreement at www.siriusxm.ca for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change. Not all vehicles or devices are capable of receiving all services offered by SiriusXM. Data displays and individual product availability vary by vehicle hardware. Current information and features may not be available in all locations, or on all receivers. Weather Forecast, Current Conditions may not be available in all locations. 4) If you decide to continue service after your trial, the subscription plan you choose will continue and you will be charged according to your chosen payment method at then-current rates unless you cancel your services. Fees and taxes apply. Some services and features are subject to device capabilities and location availability. Please see the SiriusXM Customer Agreement at www.siriusxm.ca/terms for complete terms and how to cancel, which includes calling SiriusXM at 1-888-539-7474. All fees and programming are subject to change, provided that we will notify you in advance of any price change. We use personal information in accordance with our Privacy Policy, available at siriusxm.ca/privacy. 5) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so. Voice commands of phone require a Bluetooth compatible phone. 6) Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice controls, when it is safe to do so. Requires compatible iPhone. See retailer for phone compatibility. Data plan rates apply. To use Android Auto on your phone screen, you'll need an Android phone running 6.0 or higher and the Android Auto App. 7) Siri Eyes Free requires an iPhone equipped with Siri. Certain features not available while the vehicle is in motion. iPhone must be within active cellular range. Customer's existing iPhone data rates apply to Internet-supported features. 8) Never program while driving. GPS mapping and 3D navigation may not be detailed or available in all areas or reflect current road regulations. 9) Three-month / 1GB trial included with the purchase or lease of a new vehicle. Upon expiration of the trial period, purchase of a subscription is required. Wi-Fi Hotspot available through third-party subscription. Requires Internet-enabled mobile device. See retailer for details. This feature is not intended for use by the driver while the vehicle is in motion. Always drive carefully. 10) Available on properly equipped vehicles with a Uconnect 4C / 4C NAV system. Requires a Wi-Fi Hotspot plan and linked Amazon account to run Alexa in the vehicle. 11) No system can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the warning lamp flashes, the driver needs to use less throttle and adapt speed and driving behaviour to prevailing road conditions. 12) Always sit properly in designated seating positions with seat belts securely fastened at all times. 13) In the event of a medical or other emergency, press the SOS button to be connected to a Customer Care agent who can direct emergency assistance to your vehicle's GPS location. 14) Roadside Assistance Call connects you with an agent who will provide Roadside Assistance Service. Vehicle must be within the United States, Puerto Rico or Canada and have network coverage. Additional roadside assistance charges may apply. Check warranty for details. 15) Not compatible with all garage door openers. 16) Remote Vehicle Start not available on all vehicles. You are responsible for using remote features in accordance with any laws, rules or ordinances in effect in your vehicle's location. You must have an active subscription to SiriusXM Guardian in order to use remote services. See Terms of Service for service limitations. 17) Compatible with properly equipped Uconnect systems on eligible vehicles. Requires registration of vehicle to SiriusXM Guardian connected services and fulfillment of minimum subscription requirements. 18) Do not attempt water fording unless depth is known to be less than 50 cm (20 inches). Traversing water can cause damage that may not be covered by the new vehicle warranty. Always off-road responsibly in approved areas.
