

Barina Spark

HOLDEN

Barina Spark in Bluebell Blue

notice something?

How could you not? A shift from the boring sameness of other small cars, the Holden Barina Spark stands out for all the right reasons – sporty stance, edgy looks inside and out, a high level of standard safety features, and included luxuries that many small cars offer only as added extras.

5 doors. seriously.

Clever styling gives Barina Spark the sleek, sporty shape of a three door, and the convenient space and practicality of a five door. But while its integrated rear door handles may be hidden from view, the rest of the car's exterior design is most definitely not. For the Barina Spark, it's full-on sports styling all the way, including a sports body kit, alloy wheels, rear spoiler, alloy exhaust tip and front fog lamps – all standard.

details, details.

Standard features? The Barina Spark comes with a carload. That means must-haves like a CD/MP3 sound system that lets you DJ your favourite beats via steering wheel controls as well as offering a USB input with iPod® compatibility. It means luxuries like front windows that go up or down at the touch of a button, heated side mirrors that don't fog up in winter, and rear seats that fold down for your shopping, fold up for your friends, or split the difference 60:40. It means bonuses like a trip computer that tells you how many kms are left in the tank or even how hot it is outside.

**very
you.**

Expecting a bland interior? Try another brochure. The Barina Spark interior is about being different... standing out from the crowd. That means colour, quality, design with an edge in form and function. Like the car's unique motorcycle-inspired instrument cluster, which looks fabulous and tells you everything at a glance. Same goes for the crisp ice blue LED illuminated centre console with its easy read displays and intuitive controls. Like the idea of colour coordinated seat and door trim? You get that as well.

Barina Spark automatic transmission in Cocktail Green with Green cloth trim accents

safety

Safety matters. It may be as fun to drive as it looks, but the Barina Spark is all business when it comes to safety. In fact, it offers a high level of standard safety features like Electronic Stability Control (ESC) and Anti-lock Braking System (ABS), designed to help prevent a collision from occurring. And features like six airbags, a passenger safety cell, seatbelt pretensioners and a collapsible pedal release system, to help protect you from injury if you are in a collision.

This is how ESC helps you avoid accidents Imagine you have to avoid an unexpected obstacle in the road. You end up with two wheels on the gravel verge and need to brake suddenly...

Barina Spark in Chilli Red

Electronic Stability Control (ESC)
If the vehicle is about to skid, ESC will apply brake pressure to individual wheels as appropriate, and trim engine power if required. This dramatically increases turning and cornering safety, particularly in evasive action situations where it helps stop the vehicle skidding out of the control.

Front airbags
For maximum protection in certain frontal collisions, the vehicle will deploy front airbags for the driver and front passenger.

Collapsible pedal release system
To help prevent driver leg injury in a severe frontal impact, the vehicle's brake pedal will collapse.

Seatbelt pretensioners
A sufficiently forceful impact will trigger pyrotechnic charges that force the front seatbelts to tighten, holding front occupants firmly in their seats.

Side curtain airbags
Side curtain airbags provide head and upper body protection for front seat occupants and left and right rear passengers.

Brake Assist (BA)
BA is designed to sense how fast you press the brake. If it detects an emergency stopping situation, it will maximise braking pressure to optimise braking performance.

Anti-lock Braking System (ABS)
ABS prevents wheel 'lock up' during forceful braking. This helps keep your car steerable and directionally stable, and reduces stopping distances on most surfaces.

Side impact airbags
Side impact airbags provide chest and thorax protection for the driver and front passenger.

Electronic Brakeforce Distribution (EBD)
EBD regulates the braking force applied to each wheel. This ensures optimal balance between front and rear brakes, which helps minimise stopping distances.

Crumple zones and passenger safety cell
In the event of a collision, occupants are protected by both energy management crumple zones – which are designed to crush efficiently and maintain the vehicle integrity – and the passenger safety cell providing a rigid structure, made from nearly 60% high strength steel.

Traction Control System (TCS)
Designed to maximise the vehicle's stability on wet and icy roads, TCS detects if either front wheel has insufficient grip, and adjusts drive force and brake force accordingly.

The image shows a red Barina Spark car from a rear three-quarter perspective. The car's body is transparent, revealing the internal structure, including the chassis, suspension, and interior components. Several safety features are highlighted with callouts: front airbags for the driver and front passenger, side curtain airbags along the sides of the front and rear seats, side impact airbags for the driver and front passenger, and seatbelt pretensioners. The car is shown on a white background.

Barina Spark

The Barina Spark redefines the small car with a compelling list of included must-haves, a high level of standard safety features and a bold, sports style unlike anything else on the road. Easy to own, fun to drive, its breakthrough fusion of fashion, function and five-door practicality makes other cars in its class blush.

Barina Spark in Cocktail Green

* Green interior trim standard with Cocktail Green and Carbon Flash Black exterior colours. Light Titanium interior trim standard with all other colour options.

Genuine Holden Accessories

From stylish exterior must haves to interior enhancements, the great range of Genuine Holden Accessories includes everything you need to create a vehicle as individual as you are.

Using Genuine Holden Accessories to add that personal touch also means a whole range of extra advantages for you and your vehicle...

Integration

Genuine Holden Accessories are designed and manufactured in conjunction with the vehicle, which means materials, finishes and colours all match seamlessly.

Quality

Each and every item in the Genuine Holden Accessories range is comprehensively tested by Holden Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs).

Genuine Holden Accessories Warranty Every new Genuine Holden Accessory fitted at the time of purchase of a new Holden vehicle comes under the New Vehicle Warranty. Subsequent purchases of Genuine Holden Accessories are covered with generous manufacturer warranties. Refer to the owner's handbook or see your Holden Dealer for full terms, conditions and exclusions.

Warranty

You automatically receive a manufacturers* warranty on every Genuine Holden Accessory fitted by your Holden Dealer prior to taking delivery of your new vehicle.

Convenience

Only Genuine Holden Accessories are sold and supported by the Australia-wide Holden Dealer Network. No matter where you are, or where you're headed, you'll never be far from help or advice should you need it.

Put simply, nothing will go better with your new Holden than Genuine Holden Accessories. So start thinking now.

01 15" 'Provoke' alloy wheels
Bold and eye-catching, these 10-spoke machine-faced alloy wheels add an even sportier edge to Spark's dynamic exterior.

02 Weathershields – slimline size
For driver and all passenger windows .

03 Mudflaps (rear only)
Reduce the risk of damaging your paint work from dirt, stones and other objects kicked up by the wheels.

04 Bonnet protector
Protect your vehicle's superb paint finish from stone chips and scratches.

05 Chrome mirror caps
These chrome plated mirror caps provide a stylish individual appearance to further enhance the look of your vehicle.

06 Decal kits
Choice of 3 designs:
Splash – Available in Black or White.
Tribal – Available in Black or White.
Sports Stripes – Available in Black or White.

07 Seat covers (front only)
Spark branded seat inserts protect seats and are compatible with side impact airbags. Choice of silver or red Spark logo.

08 Floor mats (front and rear)
Spark branded.

09 Boot lip protector
Whilst loading and unloading from the boot, this protector folds over to protect the paint from scratches and scraping.

10 Cargo organiser

11 Locking wheel nuts
Provides additional security and can be removed only with the lock nut key supplied as part of the kit.

12 Licence plate frames
Slimline or standard size to suit all Australian number plates.

13 Safety triangle kit
Set of 3

14 Anti-zap jumper leads
A must have for all drivers, in the event of a flat battery.

15 Cargo Net
An ideal solution for containing small items in the cargo compartment. The net can be fitted flat on the cargo area floor or at the rear of the load area.

HoldenWise

More choices. More benefits. More reasons to drive a Holden.

For more than 60 years, Holden has been giving Australians the confidence of knowing they're behind the wheel of a quality vehicle, backed by a nationwide network of dealers. With HoldenWise, we're now giving you even more reasons to feel good about driving home in a Holden. You can pick and choose from the solutions you want, giving you complete peace of mind long after you've left the showroom.

For more information visit www.holden.com.au/holdenwise

Customer Care

With more than 240 dealerships Australia-wide, a Holden Dealer is never far away. Our Holden Customer Assistance Centre is also available to answer any questions over the phone.
Call 1800 033 349 (8am – 7pm Mon – Fri, 9am – 1pm on Sat (EST)).

New Vehicle Warranty

Every new Holden comes with a New Vehicle Warranty, covering your Holden for 3 years (from date of first registration) or 100,000km, whichever comes first. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Genuine Service

Holden has one of Australia's largest service networks. Servicing your Holden at an authorised Holden Service Centre gives you complete confidence, knowing that only Holden Dealership Technicians have access to regular Holden factory training and equipment.

Genuine Parts

Holden Genuine Parts are designed and built to our exacting standards, ensuring your Holden continues to perform to its full potential. Holden Genuine Parts are made to meet our rigorous specifications and every single one is covered by a manufacturer warranty.

Genuine Accessories

Add an individual touch to your Holden with our extensive range of Genuine Holden Accessories. Each one is tested by Holden or GM Engineers in accordance with Holden's own demanding standards and Australian Design Rules (ADRs)*. Refer to the enclosed 'Holden Voluntary Warranty' flyer for full terms, conditions and exclusions.

Roadside Assistance

Every new Holden comes with Holden Roadside Assistance. It's one of Australia's most comprehensive assistance packages, with more than 3,000 Roadside Assistance patrols nationwide. Or, for even more benefits, membership can be upgraded to Holden Ultra Roadside Assistance.

Extended Warranty

The Holden Extended Factory Warranty covers all parts and workmanship originally covered by the New Vehicle Warranty, which is not already covered under the statutory Australian consumer laws. Holden Extended Factory Warranty is issued, fully supported & endorsed by Holden and its Dealer network. Refer to holden.com.au or contact your Holden Dealer for details.

Capped Price Servicing

With Capped Price Servicing, you'll know exactly what your standard service costs will be in advance. You'll pay no more than a low capped price for the first four standard scheduled log book services* for the first three years or 60,000km, whichever comes first.

Holden Leasing

Holden Leasing looks after fleet management and vehicle leasing for commercial, SME and public sector businesses. We source the right vehicles at a competitive price and arrange finance, delivery, maintenance and repairs.

Holden Insurance

Holden Insurance arranges a number of competitively priced insurance products, providing tailor-made protection. With a unique mix of standard features and policy options, you can customise your policy to find the right level of protection.
For more information, call the Holden Insurance hotline on 1300 784 026.

Holden Rental

If you want an extra vehicle, Holden Rental can keep you on the road. There are no minimum or maximum rental periods. And with no limit on the kilometres you can drive. All Holden Rental vehicles we offer are less than six months old and have low kilometres.

Service Express

Holden's Service Express is a fast, convenient way to have your car serviced. No more leaving your car at a dealership all day – you can get it done in around an hour.

Pitstop Tyre Service

Pitstop Tyre Service is a competitive, convenient way to maintain the safety of your vehicle. Trained Holden Technicians will inspect or replace your tyres using state-of-the-art precision equipment and check other components like brakes, giving you complete confidence.

* Where ADRs apply for the product
^ Subject to the Capped Price Servicing terms and conditions, this will be a maximum capped amount for each service, up to four standard scheduled services (as specified in the Service Warranty Booklet).

A word about this catalogue. We have tried to make this catalogue as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this catalogue may have been changed and / or is available at extra cost. Further, GM Holden Ltd ABN 64 006 893 232, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by GM Holden Ltd in its published sales literature, and GM Holden Ltd does not accept any liability for any such unauthorised action. GM Holden Ltd has authorised Dealers in many parts of Australia for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but GM Holden Ltd doesn't make any promise other than that contained in the New Vehicle Warranty given by GM Holden Ltd that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from GM Holden Ltd on request. Copyright GM Holden Ltd.
