» ClubSport R8 Tourer shown in Alto Grey

ClubSport R8 Tourer shown with optional roof racks (above and cover).

A scenic view of a coastline. In the foreground, there is a dark asphalt road with a wooden railing. A signpost with a blue and white sign is visible on the left. The middle ground shows a sandy beach curving along the coast, with waves breaking on the shore. The background features a hazy, overcast sky and distant hills or mountains.

WE BELIEVE IN ROAD TRIPS AND GOOD TIMES.

ClubSport R8 Tourer shown with optional roof racks.

» The journey is just as important as the destination on any trip, and now that it boasts a 325kW 6.2 litre LS3 Generation 4 alloy V8, the ClubSport R8 Tourer makes every single minute of that journey exhilarating. And, with HSV Performance body design, 20" SV Performance Forged wheels in Blade Silver, Hi-Flow Intermediate with Bi-Modal mufflers and Performance engine hood with dual scoops, you'll be sure to turn heads while you're out and about on the open road.

PARKO needs a bit of room. A stack of surfboards take up their fair share of space, but that's nothing compared to the swag of awards he's racked up while riding them to ten elite ASP tour victories. Parko spends most of his time paddling out on the best breaks the globe has to offer. But when he's on dry land, he's in an HSV ClubSport R8 Tourer.

Four-way electric adjustment on the driver's seat, dual zone electronic climate control, Extended Cruise Control, Satellite Navigation and rear park assist with reverse camera ensure the ClubSport R8 Tourer makes the long hard road easy, while the Onyx leather trim, HSV Appliqués and console cover make the interior just as easy on the eye.

» The 60/40 split fold rear seats offer a whopping 2,000 litres of cargo capacity when folded, while Sport touring suspension provides the ideal balance between road comfort and road handling.
