

INSIGNIA

HOLDEN

MAKE A STATEMENT.

Brembo® front brakes

German design and engineering. The very latest state-of-the-art technology. Insignia perfectly balances brains and brawn. Handling and performance has been honed at the Nürburgring, and backed by race-bred Brembo® front brakes and leather appointed Recaro® front sports seats. Make a statement with Insignia VXR sedan.

Holden's MyLink infotainment system features Phone Projection which offers compatibility with Apple® CarPlay™. It is one of the most exciting in-vehicle technologies and is a simple and smart way to access phone apps, stay connected and keep focus on the road.

This technology takes basic pairing to a new level by allowing compatible smartphones to share certain content and apps with the Holden MyLink infotainment system when USB tethered. This allows you to get directions, check traffic, make calls, send and receive texts and listen to music — all via the phone's voice commands, vehicle speakers and steering wheel controls.

LEAD WITH INSIGNIA.

Driver Information Centre

FlexRide with VXR mode

With a full suite of advanced electronic aides, Insignia VXR sedan leads from the front when it comes to technology.

Instead of a traditional instrument cluster on the dashboard, Insignia features a state-of-the-art 8-inch full-colour Driver Information Centre, central to the driver's vision. This high-resolution screen can be personally tailored to a variety of display modes, including VXR mode for performance information or Sport mode for more detailed media information.

Radar-guided Adaptive Cruise Control* (ACC) maintains your desired speed and a pre-selected gap between you and the traffic ahead. ACC is even able to bring your Insignia to a complete stop, before resuming the desired speed once the accelerator is applied again.

Adaptive Forward Lighting Plus (AFL+) utilises a front-facing camera to automatically adjust the Bi-Xenon headlight beams to suit driving conditions across 9 different modes, including activating and dipping high beam automatically.

With enhanced features and user-customisation options across both the central 8-inch touch-screen and the 8-inch Driver Information Centre in the instrument cluster, Insignia's MyLink# keeps you connected, informed, and entertained.

Lead by example. Lead with Insignia.

Certain devices may not be compatible with your vehicle's MyLink system. See holden.co.nz for details

^ The ACC feature should only be used in appropriate traffic conditions, such as highway driving. The driver is always responsible for taking care and attention while manoeuvring the vehicle. The ACC feature is only an aid and is neither intended to, nor able to take over any responsibility. Please refer to your owner's manual for further information.

Adaptive Forward Lighting Plus

Scintillating power. Measured control. Insignia's inspired performance comes courtesy of a twin-scroll turbo-charged V6 petrol engine producing 239kW / 435Nm*. But power is nothing without the control delivered by Insignia's performance-tuned drivetrain.

A 6-speed automatic transmission with steering-wheel mounted paddle-shifters channels power to an adaptive All-Wheel Drive (AWD) drivetrain. A Torque Transfer Device (TTD) channels torque to the rear axle and an electronic Limited Slip Differential (eLSD) across the rear axle is then able to distribute torque left-to-right across the rear axle to maximise driving performance and grip.

FlexRide, a continuously variable damper system that adjusts to the road conditions, further enhances driving performance, offering three distinct driving modes:

- The default touring mode provides ride and handling characteristics balanced for comfort.
- The Sport mode configures the characteristics to a sporty balance of performance and comfort.
- The VXR mode configures the drive characteristics to high performance settings, with more aggressive damper responses for superior control.
- In VXR and Sport modes, steering and throttle response is also modified to match the more dynamic driving characteristics

For the ultimate in control, Automatic Emergency Braking[^] (AEB) combines Insignia's vast array of sensors to detect imminent collisions and apply the brakes to reduce the severity of an accident, or even avoid it entirely.

*Maximum figures as per ECE regulations ^The AEB feature is only an aid and is neither intended to, nor able to take over any driver responsibility. Performance of the AEB system can be affected by adverse road and weather conditions. The AEB system will not prevent an accident in all situations. The driver is always responsible for taking care and attention while manoeuvring the vehicle. Please refer to your owner's manual for further information.

INSIGNIA VXR

Insignia in Carbon Flash Black

With Nürburgring-honed performance and leading technology all standard, Insignia sets a new mid-sized benchmark.

- Standard features include:**

 - Signature LED daytime running lamps
 - Adaptive Bi-Xenon AFL+ headlamps
 - 20" forged alloy wheels (4)
 - Brembo® front brakes
 - Cross-drilled brake rotors front and rear
 - Adaptive AWD drivetrain featuring TTD and eLSD
 - FlexRide continuously adaptive dampers
 - 8" centrally mounted colour touch-screen with MyLink#
 - Recaro® front sports seats
 - Leather appointed seats, front heated
 - Dual-zone electronic climate control
- Adaptive Cruise Control (ACC)
 - Automatic Emergency Braking (AEB)
 - Forward Collision Alert
 - Lane Departure Warning
 - Lane Change Alert
 - Blind Spot Alert
 - Reverse Traffic Alert
 - Passive Entry and Push-button Start with Sensor Key
 - Front and rear park assist
 - Rain-sensing wipers
 - Rear view camera
 - 7-speaker premium audio system
 - LED tail lamps
 - Phone projection

Certain devices may not be compatible with your vehicle's MyLink system. See holden.co.nz for details

ACCESSORIES

Holden spends years in Research and Development to ensure every single car we build delivers what every driver demands. Although individually styled in its own special way, the Insignia is also designed to be seamlessly fitted with Genuine Holden Accessories.

The choice is yours. Enjoy.

FEATURES

Engine & Transmission	
2.8L DOHC 24-valve V6 turbo petrol engine	•
6-speed automatic transmission with ActiveSelect	•
Rear electronic limited slip differential (eLSD)	•
Adaptive All-Wheel Drive	•
Paddle-shift gear selection	•

Safety & Handling	
4-wheel disc brakes	•
Brembo® front brakes	•
Cross-drilled brake discs	•
Electronic Stability Control (ESC) incorporating:	•
Anti-lock Braking System (ABS)	
Brake Assist	
Electronic Brakeforce Distribution (EBD)	
Traction Control System (TCS)	
Hill Start Assist	
Front airbags for driver and front passenger	•
Side impact airbags for driver and front passenger	•
Full length side curtain airbags	•
Front seatbelt pre-tensioners with load limiters	•
3-point centre rear seat belt	•
ISOFIX Child Seat Anchorage System	•
Electro-Hydraulic Power Steering	•
Sports chassis, performance	•
Automatic release electric park brake	•
Automatic headlamps	•
Automatic Emergency Braking (AEB)	•
Lane departure warning	•
Following distance indicator	•
Forward collision alert	•
Reverse traffic alert	•
Blind spot alert	•

Security	
2x flip keys	•
Remote power door locks	•
Anti-theft interior sensors	•
Passive entry and push-button start with sensor key	•

Wheels	
20" x 8.5" alloy wheels 255/35ZR20-97Y (4)	•
Tyre inflator kit	•
Tyre pressure monitoring (displays pressure by tyre)	•

Exterior	
Chrome exhaust - Dual Integrated into rear fascia	•
Rear fog lamp	•
Body coloured exterior door handles with chrome strip insert	•
LED tail lamps	•
Halogen projector headlamps	•
LED daytime running lamps (DRLs)	•
Rear spoiler	•

Infotainment	
Holden MyLink infotainment system* with 8" colour touch-screen	•
Phone Projection with Apple® CarPlay™^	•
7-speaker premium audio system	•
Diversity and sharkfin antennas	•
Satellite Navigation	•
Bluetooth® for compatible devices	•
AUX input jack	•
Digital Audio Broadcast (DAB+) multimedia	•
CD and MP3 player	•
Enhanced voice control	•
USB input	•

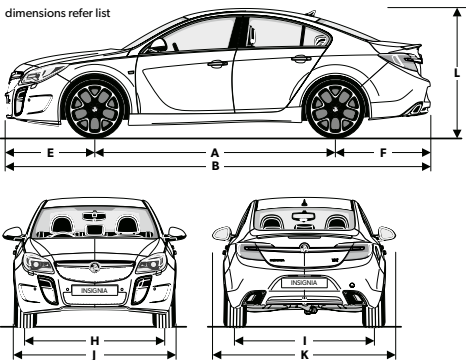

* Certain devices may not be compatible with your vehicle's MyLink system. See holden.co.nz for details.
^ Vehicle user interface is a product of Apple® and their terms and privacy statements apply.
Requires compatible smartphone and data plan rates apply.

Driver & Cabin Comfort	
Recaro® front sports seats	•
8-way power adjustable driver & front passenger seat	•
Driver's seat with 2-position memory	•
Power lumbar adjustment for driver & front passenger	•
Manual cushion extender for driver & front passenger	•
Heated, auto-dimming & power adjustable side mirrors (Passenger side tilt when reverse selected)	•
Carpet floor mats front & rear	•
Perforated Siena leather appointed seat trim	•
Alloy sport pedals	•
Leather wrap sports profile steering wheel	•
Leather wrap gear selector	•
Steering wheel height and reach adjust	•
Steering wheel mounted controls for radio and adaptive cruise control	•
LED ambient cabin lighting	•
Dual-zone electronic climate control	•
8" Driver Information Centre	•
Trip computer	•
Adaptive cruise control with stop/go and speed limiter (ACC)	•
Electrochromatic rear view mirror	•
Automatic headlamp levelling	•
Heatable front seats	•
Rain sensing wipers	•
Variable intermittent wipers	•
Front and rear park assist	•
Bi-Xenon Adaptive Forward Lighting (AFL+) with automatic high beam	•
Automatic light switch with tunnel detection	•
Rear view camera	•
Front and rear power windows (express up/down, anti-pinch feature)	•
Illuminated sunshades with mirror	•
High-pressure headlamp washer	•
Map lamps front & rear	•
Boot release, electric remote control	•
Second row air vents	•
Rear seat centre armrest with pass-through to rear luggage compartment	•

Storage & Cargo	
60/40 Split fold rear seats	•
Power socket in front console	•
Power socket in rear of centre console	•
Glove box lamp	•
Chrome sill plates	•
Luggage compartment cover	•
Load tie-down Hooks x 4 inside rear load compartment	•
Grab handles x 4	•
Towing hook- front and rear	•

There's nothing more exciting than buying a new car. Holden provides a complete After Sales program to make sure you not only feel good about your new Holden now, but also in the years to come.

So if you are looking to add that personal touch with HoldenWise Genuine Parts & Accessories, you can rest assured that you are being looked after

by Holden trained experts that operate in one of New Zealand's largest service networks.

With 54 Authorised Holden Service Centres including 32 Holden Dealerships strategically located New Zealand-wide, Holden strives for a standard of excellence with the aim of exceeding the expectations of Holden drivers.

NO SURPRISES, NO UNCERTAINTY, NO WORRIES.
JUST WHAT YOU WOULD EXPECT FROM HOLDEN.

GENUINE SERVICE
Authorised Holden Service Centres give you complete confidence, knowing that only Holden Dealership Technicians have access to regular factory training and equipment.

ACCESSORIES & PARTS
Give your Holden a personal touch by choosing from our range of Genuine Holden Parts and Accessories, exclusively at Holden Dealers.

WARRANTY
Holden's New Vehicle Warranty* applies from the day your vehicle is first registered. Holden approved and Genuine Accessories and parts are also covered.

24 HOUR ROADSIDE ASSISTANCE
To ensure your Holden delivers you an uninterrupted driving experience, your vehicle comes with one year of Standard Roadside Assistance. Call 0800 HOLDEN (0800 465 336).

CUSTOMER CARE
Holden Customer Care is available to answer any questions. Call 0800 HOLDEN (0800 465 336). 10am – 9pm Mon-Fri, 11am – 3pm Sat. holdencustomercare@gm.com

HOLDEN FINANCE
Offers vehicle finance and leasing with flexible terms, competitive interest rates and structured payment options. Call 0800 55 30 30

A word about this brochure. We have tried to make this brochure as comprehensive and factual as possible. However, since the time of printing some of the information you'll find here may have been updated. Also, some of the equipment shown or described through this brochure may have been changed and/or is available at extra cost. Further, Holden New Zealand Ltd, reserves the right to make changes at any time without notice, in prices, colours, materials, equipment and models. Your Holden Dealer has details, and before ordering, you should ask them to bring you up to date. No Holden Dealer or other person is authorised or permitted to give or make any statement, assertion or undertaking in relation to the quality, performance characteristics, descriptions or fitness for any purpose of any Holden product which is at variance with any written statement, assertion or undertaking on any of these subjects given or made by Holden in its published sales literature, and Holden does not accept any liability for any such unauthorised action. Holden has authorised Dealers in many parts of New Zealand for the sale of service parts and the provision of service to owners of Holden's products. Every endeavour is made to ensure that such Dealers carry adequate stocks of service parts, but Holden doesn't make any promise other than that contained in the New Vehicle Warranty given by Holden that such parts or service facilities will be available at any specific location or at any particular time. Express warranties offered for Holden products are subject to the conditions set out in all vehicle handbooks. Details also available from Holden on request. Copyright Holden. December 2015. V2307
