Get your ride up to **MAZDASPEED.**

At Mazda, performance is more than our heritage. It's our DNA. Since 1960, we've been pushing the performance envelope in the world's most famous auto racing events. From our legendary victory at Le Mans to our most recent sponsorship of the demanding Mazda Raceway Laguna Seca, Mazda has driven the world of motor sports in some of its most prestigious venues. You'll find this same competitive spirit in every production vehicle we build. And you make it even stronger with MAZDASPEED Performance Accessories.

From sport-tuned suspensions to sleek aero-kits to head-turning wheels to aggressive exhausts, these racebred accessories aren't merely an afterthought. They're serious performance enhancers. Not to mention eye-candy for your car. What's more, they're designed and tested by Mazda engineers, ensuring quality and a seamless fit with your Mazda3, Mazda6, MAZDASPEED6, RX-8, 2006 MX-5, or MX-5 Miata. So what are you waiting for? Have the vehicle of your dreams customized for you, by you, with MAZDASPEED Performance Accessories. Track-tested and Mazda-engineered, your ride, and your world, will never be the same.

● **MAZDASPEED "Blue" Performance Accessories**

MAZDASPEED "Blue" Performance Accessories must be installed by a MAZDASPEED Dealer on a Canada specification vehicle and be specifically approved by Mazda for the particular application. These parts are covered under the Mazda Replacement Parts and Accessories Limited Warranty and are warranted for the first 12 months/20,000 km from the date of installation or the duration of the New Vehicle Limited Warranty, whichever is longer. Should the parts be purchased but not installed by a MAZDASPEED Dealer, they will be covered for the first 12 months/20,000 km from the date of purchase, excluding labour charges. Parts or accessories replaced/installed under warranty, are covered for the time remaining in the New Vehicle Limited Warranty.

■ **MAZDASPEED "Green" Performance Accessories**

MAZDASPEED "Green" Performance Accessories must be specifically approved by Mazda for their particular application. These parts are warranted for the first 12 months/20,000 km from the date of purchase, excluding labour.

▲ **MAZDASPEED "Orange" Performance Accessories**

MAZDASPEED "Orange" Performance Accessories are sold "as is" without any warranty of any kind. All implied warranties, including

all warranties of merchantability of fitness for a particular purpose, are excluded. Purchaser acknowledges that no representations have been made regarding these parts, including but not limited to any representations as to their quality of performance, and purchaser shall be responsible for and bear all costs of repair or replacement due to any defect in or failure of these parts or any damage to other components. Purchaser acknowledges that vehicles equipped with MAZDASPEED "Orange" Performance Accessories shall not be operated on public highways. MAZDASPEED "Orange" Performance Accessories are intended solely for use on vehicles participating in race/off-road competition events. Purchaser acknowledges that all Mazda vehicle/parts/accessory warranties are voided if the vehicle is used in a competitive event. Purchaser also acknowledges that there will be no warranty coverage for any part or accessory that fails as a result of the installation of a MAZDASPEED "Orange" performance part. Purchaser accepts all responsibility for all vehicle modifications and all potential risks. MAZDASPEED "Orange" Performance Accessories have been designed and are intended for race/off-road applications only. Federal and many provincial laws prohibit the removal, modification of, or rendering inoperative any part or vehicle system affecting emissions or safety.

You bought it, now own it.

▲ Sport Clutch
Designed to deliver a sportier feel while providing a 30% increase in clamp load. Package yields faster shifting with a smooth streetable actuation.
Sport Clutch RAMS-8M-L01

■ Rear Camber Link
Required to correct rear camber on lowered Mazda3 vehicles. 2 rear links.
Rear Camber Link GRMS-8M-L07

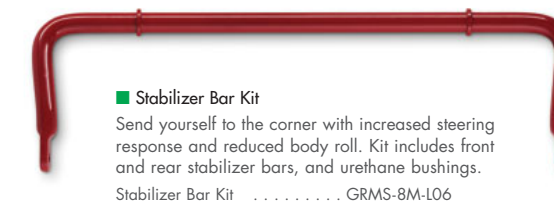

■ Sport Dampers
These sport dampers feature increased damping rates.
Front Right QBKA-34-700
Front Left QBKA-34-900
Rear (2 required) QBKA-28-700

▲ Coil Over Suspension
Adjust your ride-height to between 25mm – 40mm lower than stock, depending on vehicle model. Spring rate increases up to 50% over stock depending on vehicle model. Kit contains extra rear bumpers. It is recommended that rear camber links, GRMS-8M-L07 be installed with this kit.
Coil Over Suspension RAMS-8M-L05

■ Sport Springs
Reduce your ride height by 25 – 33mm depending on body style. Spring rate is increased by 30% over OE resulting in enhanced steering and improved cornering. Kit contains 4 springs and 2 Rear Camber Links.
Sport Springs GRMS-8M-L05

■ Stabilizer Bar Kit
Send yourself to the corner with increased steering response and reduced body roll. Kit includes front and rear stabilizer bars, and urethane bushings.
Stabilizer Bar Kit GRMS-8M-L06

■ Front Grille
Ride with pride. The aero front grille adds a unique look and a larger air opening while maintaining the Mazda 5-point design. Unpainted urethane construction. Required when using the front bumper face, QBKA-50-020. Mazda3 Sport only.
Front Grille QBKA-50-710

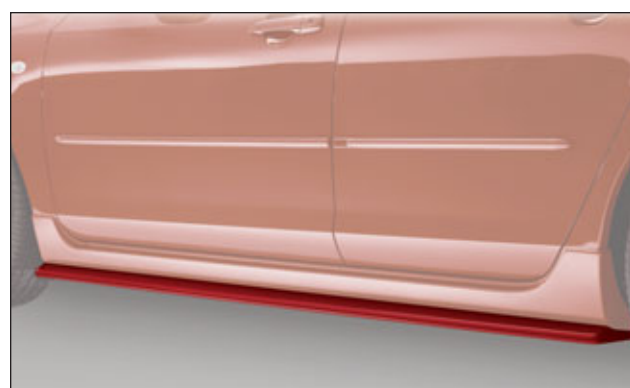

■ Roof Spoiler Add-on
Creates a larger looking, more aggressive rear spoiler. Unpainted urethane. Mazda3 Sport only.
Roof Spoiler Add-on QBKA-51-960

■ Rear Under Skirt
Aero. Dynamic. Adds a unified aero look to the Mazda3 Sport. Unpainted FRP can be painted in monotone or two-tone MAZDASPEED fashion.
Rear Under Skirt QBKA-51-980

■ Front Bumper Face
Make the road tremble with an aggressive new look at the front of your Mazda3 Sport. Unique aero design features larger air openings. Unpainted FRP can be painted in monotone or two-tone MAZDASPEED fashion. Requires MAZDASPEED front grille, QBKA-50-710. Mazda3 Sport only.
Front Bumper Face QBKA-50-020

■ Side Skirt Add-on
Complete the aero look with the side skirt add-on. Unpainted FRP.
Side Skirt Add-on QBKA-70-900

● Rear View Mirror Cover
Admire the carbon fibre look every time you check the rear view mirror.
Rear View Mirror Cover . . . QBKA-V1-450 -20

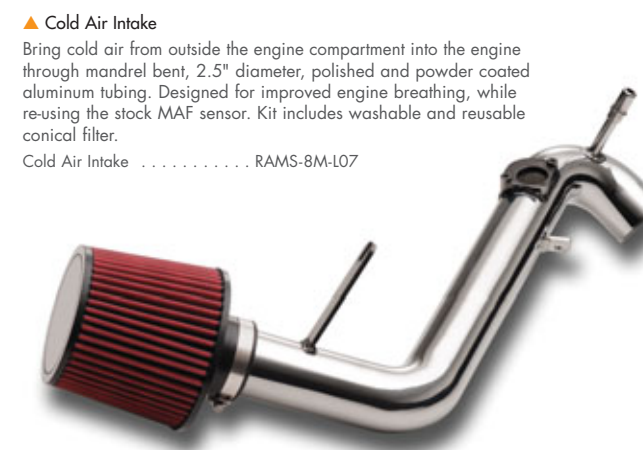

■ Sport Shifter
This slick-shifting design provides faster and more positive shifts. Reduces shifter throw by 20%.
Sport Shifter GRMS-8M-L11

▲ Lightweight Flywheel
Weighing in at 6.3kg, this flywheel significantly reduces rotation inertia, which improves engine response for better acceleration.
Lightweight Flywheel RAMS-8M-L03

■ Sport Exhaust
Nice sound system. The cat-back sport exhaust is designed to provide an aggressive exhaust note. Stainless steel construction with polished tip that includes the MAZDASPEED logo.
Sedan Only GRMS-8M-L01
Sport Only GRMS-8M-L02

▲ Cold Air Intake
Bring cold air from outside the engine compartment into the engine through mandrel bent, 2.5" diameter, polished and powder coated aluminum tubing. Designed for improved engine breathing, while re-using the stock MAF sensor. Kit includes washable and reusable conical filter.
Cold Air Intake RAMS-8M-L07

● Licence Plate Frame
With its carbon fibre appearance and MAZDASPEED logo, this stainless steel licence plate frame leaves an impression.
Licence Plate Frame BLMS-8M-C04

Bring back Show and Tell.

▲ **Lightweight Flywheel**
The lightweight flywheel reduces rotation inertia, which improves engine response for better acceleration.
2.3L I4 (non-Turbo) RAMS-8M-H03
3.0L V6 RAMS-8M-H04

▲ **Cold Air Intake**
Bring cold air from outside the engine compartment into the engine through mandrel bent, 2.5" diameter, polished and powder coated aluminum tubing. Designed for improved engine breathing, while re-using the stock MAF sensor. Kit includes washable and reusable conical filter.
2.3L I4 (non-Turbo) RAMS-8M-H07
3.0L V6 RAMS-8M-H08
MAZDASPEED6 RAMS-8M-H09

● **MS-T II Aluminum Wheel**
Turn heads with this aluminum 18x7.5J wheel. Requires centre cap and installation kit. Recommended tire size is 215/45R18.
MS-T II Aluminum Wheel QWWB-3K-F50 -02

● **Centre Cap**
A look all your own. The centre cap has a diamond cut finish with carbon fibre insert and MAZDASPEED logo.
Centre Cap QWWS-37-19C -02

Installation Kit for MS-T II
1 installation kit required per vehicle (not shown).
Installation Kit for MS-T II QMST-LA-000

● **Licence Plate Frame**
With its carbon fibre appearance, this stainless steel frame with MAZDASPEED logo sets off your licence plate.
Licence Plate Frame BLMS-8M-C04

■ **Sport Exhaust - I4 (Axle Back)**
2.3L I4 Axle Back system. Polished mufflers and exhaust tips with MAZDASPEED logo.
Sport Exhaust I4 (non-Turbo) GRMS-8M-H08

▲ **Sport Clutch**
Heighten your performance driving experience with a sport clutch that provides a higher clamp load. Package allows for faster shifting with a smooth streetable actuation.
2.3L I4 (non-Turbo) RAMS-8M-H01
3.0L V6 RAMS-8M-H02

Yours. Truly.

■ Sport Exhaust – V6 (Cat-Back)
Growl before you spring. Enjoy the aggressive sound of the sport exhaust with mid-pipe polished mufflers plus exhaust tips with the MAZDASPEED logo.
3.0L V6 Cat-Back GRMS-8M-H09

▲ Coil Over Suspension
Make ride height adjustable between 20mm – 55mm lower than stock, depending on vehicle model. Increase spring rate by 50% – 65% over stock, depending on vehicle model. Kit contains extra rear bumpers.
Coil Over Suspension RAMS-8M-H05

■ Sport Springs
Reduce ride height by 22mm – 39mm depending on vehicle. Increases spring rates 30% over OE, resulting in enhanced steering and improved cornering.
I4 Sedan Only (non-Turbo) . . . GRMS-8M-H13
V6 Sedan Only GRMS-8M-H14
Sport and Wagon GRMS-8M-H15

■ Sport Shifter
For 35% reduction in shift throw, plus improved feel and enhanced shift accuracy.
Sport Shifter GRMS-8R-H12

■ Stabilizer Bar Kit
Well-handled. Increases steering response and reduces body roll. Kit includes front and rear stabilizer bars and urethane bushings.
Stabilizer Bar Kit GRMS-8M-H05

● Floor Mats
These plush black carpet mats sport the MAZDASPEED 6 logo.
Floor Mats BLMS-8M-H02

● Forged Aluminum Wheel
Lightweight and strong, this forged aluminum 18x7.5J wheel is a one-piece design and weighs in at only 7.7kg. Includes centre cap and lug nuts. Recommended tire size is 215/45R18.
Forged Aluminum Wheel BLMS-8M-Z01

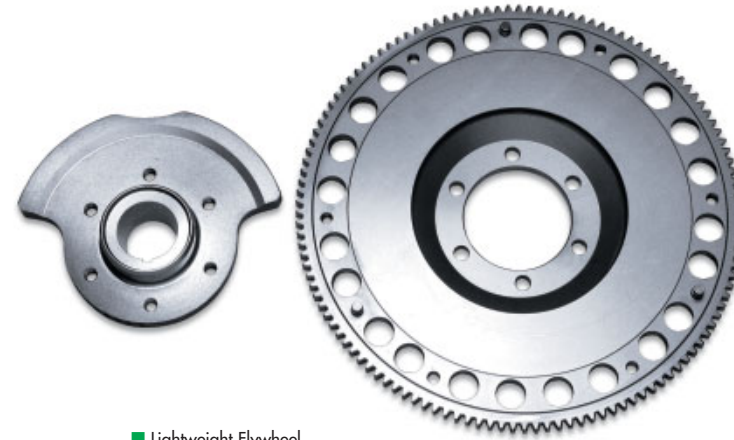

● Car Cover
Provides all-weather protection in a lightweight and easily stored cover.
Car Cover BLMS-8M-H03

● Front Mask
Keep your nose clean with a front mask custom tailored to fit the MAZDASPEED 6.
Front Mask BLMS-8M-H05

MAZDASPEED
PERFORMANCE ACCESSORIES

Track tested. Track approved.

■ **Lightweight Flywheel**
Allows the engine to rev quicker. Manual transmission only.
Weight: 6.92kg.
Lightweight Flywheel QSEA-11-500

▲ **Cold Air Intake**
Bring cold air from outside the engine compartment into the engine through mandrel bent, 2.5" diameter, polished and powder coated aluminum tubing. Designed for improved engine breathing, while re-using the stock MAF sensor. Kit includes washable and reusable conical filter.
Cold Air Intake RAMS-8M-K07

● **Sport Springs**
For the enthusiast. Reduce ride height by 20mm. Increased spring rate results in enhanced steering and improved cornering.
Sport Springs (Set of 4) QSEA-34-01Z

● **Sport Dampers (not shown)**
These sport dampers have increased damping rates to match the MAZDASPEED sport springs – QSEA-34-01Z
Front (2 required) QSEA-34-700
Rear (2 required) QSEA-28-700

▲ **Coil Over Suspension**
Set your ride height between 20mm – 50mm lower than stock. Spring rate increases up to 90% over stock, depending on vehicle model. Dampers have single knob adjustment for rebound and compression.
Coil Over Suspension RAMS-8M-K01

● **Licence Plate Frame**
Stainless steel frame with carbon fibre appearance includes the MAZDASPEED logo.
Licence Plate Frame BLMS-8M-C04

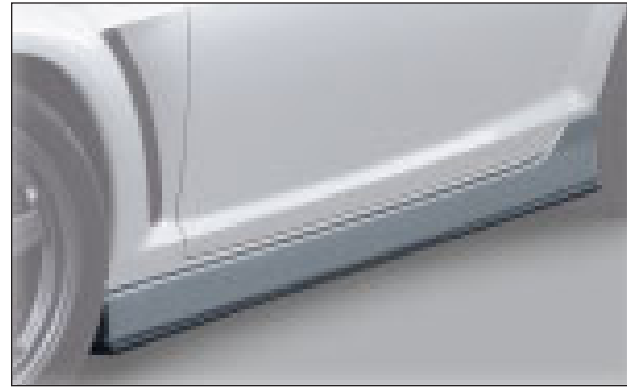

Sport Exhaust
Designed to reduce back pressure and increase flow. The single muffler OE style maintains OE sound, while the dual muffler style makes a more aggressive sound.
■ Lightweight Dual Muffler Style GRMS-8M-K06
● Single Muffler OE Style QSEA-40-100

■ **Sport Brake Pads**
Start with performance stopping. These pads increase your braking performance during harsh start-and-stop conditions.
Front QSEA-49-280
Rear QSEA-49-480

● Rear Wing Spoiler
 Made from ABS and aluminum, this body-coloured, dual-level spoiler boasts an adjustable upper wing.
 Rear Wing Spoiler QSEA-51-96Z -XX*

● Side Skirt
 Take your ride to the next level. These body-coloured skirts are adorned with Gun Metallic accents, and made from METTON® liquid moulding resin for increased durability. Also available in primer finish with Gun Metal Metallic accents already painted and masked.
 Side Skirt QSEA-70-900A-XX*

● Front Bumper Face
 Boldly go. This front bumper face is made from METTON® liquid moulding material, painted body-colour with Gun Metal Metallic lower accents, and features 20% larger air openings for increased cooling capacity. Use of OE fog lamps requires fog lamp bracket. Requires Mazda emblem F151-51-731A.
 Front Bumper Face QSEA-50-020 -XX*†
 Fog Lamp Bracket QSEA-51-68Z

● Rear Under Spoiler
 Precision crafted from METTON® liquid moulding material, and painted body-colour with Gun Metal Metallic lower accents. Improves airflow around the back of the vehicle, and also incorporates larger cut-outs for larger exhaust tips (not included).
 Rear Under Spoiler QSEA-50-360 -XX*

● Console Kit
 Complement the high-tech persona of your RX-8 with the look of carbon fibre on the console.
 Console Kit QSEA-64-32Z

● Door Switch Panel
 The carbon fibre appearance makes an interior stand out.
 Door Switch Panel QSEA-V1-200

● Inner Door Handle Bezel
 Carbon fibre appearance adds a high-tech accent to the interior.
 Inner Door Handle Bezel . . . QSEA-V1-440

■ B-Pillar Appliqué
 Satisfy your need for MAZDASPEED, inside and out.
 B-Pillar Appliqué GRMS-88-K09

▲ MS-01S 18" Forged Aluminum Wheel
 This attention-grabbing wheel (18x8JJ) is a strong one-piece design, and lightweight at only 8.0kg. Requires centre cap and installation kit (QMST-LA-000) or long adapter (QMS1-37-007) and OE lug nuts. Recommended tire size is 225/45R18.
 Gold Finish QWWS-3K-G40 -01
 Gun Metal Metallic Finish QWWS-3K-G40 -12

● Centre Cap for MS-01S
 Centre of attention. Carbon fibre with diamond cut finish – 1 required per wheel.
 MAZDASPEED logo insert QWWS-37-19C -02
 Gold Finish QWWS-37-19C -01
 Gun Metal Metallic Finish QWWS-37-19C -12
 Long Adapter – (not shown)
 1 required per vehicle QMS1-37-007

▲ MS-01 18" Forged Magnesium Wheel
 Magnesium makes this wheel (18x8JJ) ultra lightweight at only 7.3kg. Strong one-piece design. Requires centre cap and installation kit. Recommended tire size is 225/45R18.
 Gold Finish QWWM-3K-G40-01
 Gun Metal Metallic Finish QWWM-3K-G40 -12

● Centre Cap for MS-01 MAG
 A stunning focal point, with diamond cut, carbon fibre finish – 1 required per wheel.
 MAZDASPEED logo insert QWWM-37-19C -02
 Gold Finish QWWM-37-19C -01
 Gun Metal Metallic Finish QWWM-37-19C -12
 Installation Kit For MS-01 MAG – (not shown)
 1 required per vehicle QMS1-MA-GOP

● Strut Tower Bars
 Increase the structural rigidity of your RX-8. The front bar has a carbon fibre appearance, while the rear bar has the look of polished aluminum.
 Front QSEB-56-48Z
 Rear QSEA-56-38Y

● MT Shift Knob
 This durable urethane shift knob sports the MAZDASPEED logo.
 Shift Knob QSEA-46-030

● Stabilizer Bars
 With their hollow construction, these stabilizer bars increase steering response and reduce body roll. Front bar is 27.2mm in diameter with 4.0mm wall thickness. Rear bar is 17.3mm in diameter with 2.6mm wall thickness.
 Front – Hollow QSEA-34-151
 Rear – Hollow QSEA-25-151

Outrun the attention.

● Licence Plate Frame
Stainless steel, with the sleek look of carbon fibre and prominent MAZDASPEED logo.
Licence Plate Frame BLMS-8M-C04

▲ Cold Air Intake
Bring cold air from outside the engine compartment into the engine through mandrel bent, 2.5" diameter, polished and powder coated aluminum tubing. Designed for improved engine breathing, while re-using the stock MAF sensor. Kit includes washable and reusable conical filter.
Cold Air Intake RAMS-8M-D07

■ Sport Springs
This innovation reduces ride height by 34mm and increases spring rate by 26% over OE, resulting in enhanced steering and improved cornering.
Sport Springs (set of 4) GRMS-8M-D17

■ Sport Exhaust
Designed to provide an aggressive exhaust note, the sport exhaust boasts a polished, stainless steel muffler and tips with the MAZDASPEED logo.
Sport Exhaust GRMS-8M-D14

● Sport Dampers
Sport Dampers have increased damping rates.
Front (2 required) QNCA-34-700
Rear (2 required) QNCA-28-700

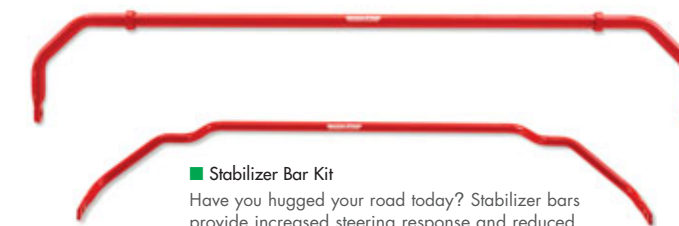

▲ Coil Over Suspension
Allows ride height to be adjusted between 20mm – 50mm lower than stock. Spring rate increases up to 80% over stock, depending on vehicle. Dampers have single knob adjustment for rebound and compression.
Coil Over Suspension RAMS-8M-D09

▲ Limited Slip Differential
Limited Slip Differential QNCA-27-200

▲ Lightweight Flywheel
Improves engine response with reduced rotation inertia.
Lightweight Flywheel RAMS-8M-D11

■ Stabilizer Bar Kit
Have you hugged your road today? Stabilizer bars provide increased steering response and reduced body roll. Kit includes front and rear stabilizer bars and urethane bushings.
Stabilizer Bar Kit GRMS-8M-D16

● **Decoration Panel**
Extend the cool carbon fibre look to where you'll always see it – the instrument panel.
Decoration Panel QNCB-V1-190 -C1

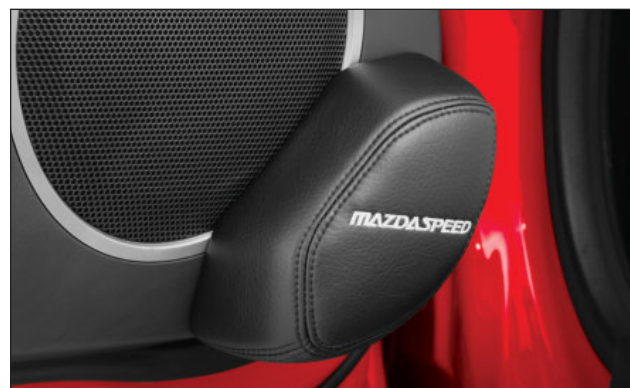

● **Rear View Mirror Cover**
Make the rear view mirror a reflection of you with this stylish detail.
Rear View Mirror Cover QYYC-V1-450 -C1

● **Rear Bumper**
Aggressive Rear Bumper design features larger exhaust openings that improve air flow management. Body-colour painted with Dark Grey Metallic lower accents.
Rear Bumper QNCB-50-220 -XX*

● **Rear Lip Spoiler**
Treat those behind you to the sleek styling of this body-coloured performance enhancement.
Rear Lip Spoiler QNCA-51-960 -XX*

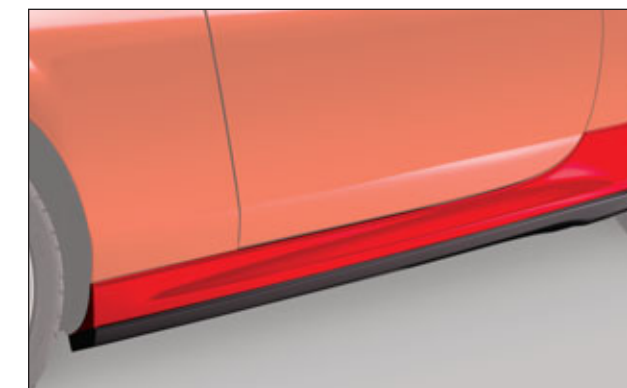

● **Knee Pad Set**
Door panel and transmission tunnel pads provide an enthusiast-pleasing accent to the interior.
Knee Pad Set QNCB-64-22Z

● **Door Switch Panel**
Every detail counts. Add the carbon fibre look to the door panel.
With Power Door Locks QNCC-V1-200 -C1
Without Power Door Locks QNCB-V1-200 -C1

● **Front Bumper**
Features larger air openings to make a bold statement. Body-colour painted with Dark Grey Metallic lower accents.
Front Bumper QNCB-50-020 -XX*

● **Side Skirt Set**
Accent the front and rear bumper designs with these aggressive side skirts. Body-colour painted with Dark Grey Metallic lower accents.
Side Skirt Set QNCA-70-900 -XX*

● **Shift Knob**
Add a sporty centrepiece with the carbon fibre shift knob.
Manual Transmission (5-speed and 6-speed) QNCA-46-030
Automatic Transmission QNCB-46-030

● **Shift Gate Panel**
Pair advanced engineering with the high-tech, carbon fibre look of the automatic transmission shift gate panel (not shown).
Shift Gate Panel QNCB-V8-187 -C1

● **Parking Brake Lever Grip**
This aluminum and carbon fibre accent is a smart addition to the driver-centric cabin.
Parking Brake Lever Grip QNCB-44-034

▲ **Sport Clutch**
Provides street smart operation with increased clamping force for faster and smoother shifting.
Sport Clutch RAMS-8M-D10

● **Strut Tower Bar**
Adds to the structural integrity of the vehicle. Made of lightweight aluminum.
Strut Tower Bar QNCA-56-490

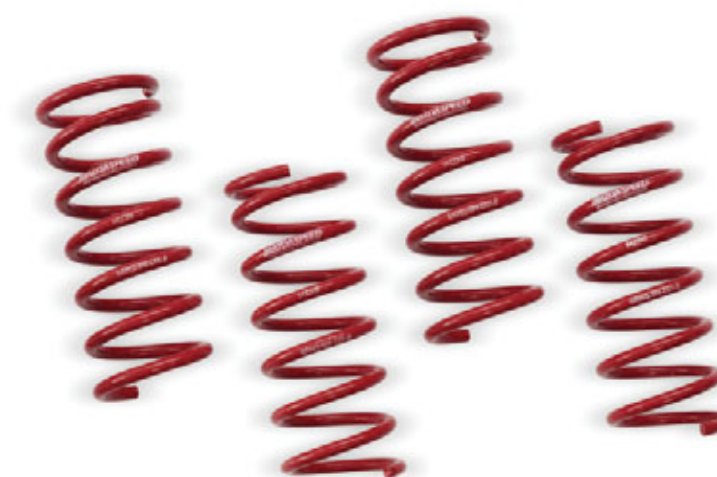

Roadstirrer.

■ Sport Muffler
The cat-back sport exhaust is designed to provide an aggressive exhaust note. Stainless steel construction with polished tip that includes the MAZDASPEED logo.
Sport Muffler GRMS-8M-D07

■ Sport Dampers
With 4-position adjustment, you can custom tune your car's ride and handling.
Front (2 required) QEPG-34-700
Rear (2 required) QEPG-28-700

■ Sport Springs
Created to reduce ride height by 33mm, and increase spring rate by 30% over OE, resulting in enhanced steering and improved cornering.
Sport Springs (set of 4) GRMS-8M-D01

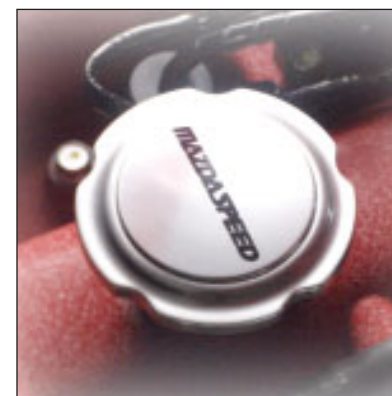

■ Stabilizer Bar Kit
Excitement? Precisely. Stabilizer bars provide increased steering response and reduced body roll. Kit includes front and rear stabilizer bars and urethane bushings.
Stabilizer Bar Kit GRMS-8M-D03

■ Sport Brake Pads
Stop everything. Improved pad material allows enhanced high temperature performance and fade resistance.
Front QNBA-49-280
Rear QNBA-49-480

● 2005 Aluminum Wheel
Stylish all-aluminum wheel (17x7JJ). Recommended tire size is 205/40R17.
2005 MAZDASPEED MX-5 9965-26-7070

● Oil Filler Cap
Very sporting. Billet aluminum oil filler cap with the MAZDASPEED logo.
Oil Filler Cap 0000-8R-D09

▲ Sport Clutch
Featuring faster and smoother shifting, this enthusiast-worthy clutch provides street capable operation with increased clamping force.
Cover QEPE-16-410
Disc QEPE-16-460

● 2004 Aluminum Wheel
Eye-catching aluminum wheel (17x7JJ), recommended for tire size 205/40R17.
2004 MAZDASPEED MX-5 9965-19-7070

● Aluminum Pedal Set
Aluminum pedals provide a positive feel and look. Includes accelerator, brake, clutch, and foot rest. Manual transmission only.
Aluminum Pedal Set 0000-8R-D11

▲ Lightweight Flywheel
This innovation reduces rotation inertia for improved engine response.
Lightweight Flywheel QEPE-11-500

● Licence Plate Frame
Details, details. This stainless steel frame with carbon fibre appearance includes the MAZDASPEED logo.
Licence Plate Frame BLMS-8M-C04
