• – Included P – Available within package noted O – Optional

⁽¹⁾Not compatible with all garage door openers. See your retailer for details. ⁽²⁾Always use seat belts. Children 12 and under should always be in a back seat correctly using an infant or child restraint system, or the seat belt properly positioned, dependent on the child's age and weight. ⁽³⁾No system, no matter how sophisticated, can repeal the laws of physics or overcome careless driving actions. Performance is limited by available traction, which snow, ice and other conditions can affect. When the ESP warning lamp in the instrument cluster flashes, the driver needs to use less throttle and adapt speed and driving behavior to prevailing road conditions. Always drive carefully, consistent with conditions. Please always wear your seat belt. ⁽⁴⁾Must use Bluetooth™ compatible mobile phone.

INTERIOR

Standard on SE and SXT: A) Cloth seats in Medium Slate Grey or B) Cloth seats in Dark Slate Grey

Optional on SXT and Standard on R/T: C) Leather-faced seats in Light Slate Grey or D) Leather-faced seats in Light Greystone
