

DEPEND ON HYUNDAI QUALITY.

At Hyundai Auto Canada Corp., we believe our customers' needs come first. That's why we've invested billions of dollars worldwide in research, design, safety, testing and manufacturing. And with numerous third-party awards for quality, reliability and value, we can't help but be proud. But in the end, it's still about you, our customer. Simply put, we're committed to over-delivering on all your expectations so we can bring you the vehicle you need, as well as the vehicle you want. To learn why Hyundai is quickly gaining a reputation for outstanding quality, visit hyundaiquality.ca.

2007 SANTA FE

WHO SAYS YOU NEVER DRIVE OFF-ROAD?

Sure, you may not spend every weekend in the bush on some muddy trail.

But for at least three months of the year a simple trip to your grocery store

could be considered a winter sport. Then construction season hits and you

spend your summer navigating around potholes, down gravel roads and

over speed bumps. So while it's true you may never drive cross-country,

chances are you will need to go across town.

That's when you'll count on your all-new 2007 Santa Fe. It's been stunningly

redesigned with just the right mix of style, versatility and performance to

help you conquer the roads of everyday life. And when your day throws

something a little more adventurous your way, you'll be ready for that too.

THE **CROSS-TOWN** SUV.

It's tough to avoid making a lasting impression in the stunningly redesigned 2007 Santa Fe. Gentle curves elegantly flow from its striking front grille to its dual chrome-tipped exhaust, accentuating its bold, wide stance along the way. Tinted windows and available 18-inch alloy wheels only add to Santa Fe's commanding style.

Jewelled projection headlights offer brighter illumination for safer night driving and extend to the side so approaching drivers can easily see you.

All models come equipped with roof racks. The 3.3L GL Premium with Leather Package and 3.3L GLS also come with a power sunroof.

EXTERIOR

Tinted windows, included on all models, help shade your passengers from the sun and add to the confidence of Santa Fe's bold new design.

Enjoy a clear view of what's behind you with the convenience of a rear window wiper and an electric rear window defroster.

ELEGANCE THAT BREEDS **CONFIDENCE.**

When you set out to design an SUV that's as comfortable on the city streets as it is off, you need an engine that can handle virtually anything. Santa Fe has the choice of two – a spirited 2.7L V6 with 185 hp or a commanding 3.3L V6 with 242 hp. And thanks to its fully independent multi-link suspension, Santa Fe handles any road with car-like agility.

Take command of the road with the 2.7L, 185 hp engine standard on the Santa Fe GL, or choose the available 3.3L, 242 hp engine.

Optional all-wheel drive (AWD) on 3.3L models helps you tackle tough terrain by delivering power to all four wheels.

Dual-mode 5-speed automatic transmission with SHIFTRONIC™ is standard on all 3.3L models. You can choose fully automatic or sport shifting.

PERFORMANCE

Dual chrome-tipped exhausts included on all models boost performance and add to Santa Fe's sporty look.

POWERED FOR ENDLESS POSSIBILITIES.

Versatility is the mantra of the 2007 Santa Fe.

With more space than ever before, 60/40 split fold-down/reclining second-row seats and available seating for seven, Santa Fe adapts easily to the demands of your life. And to ensure your comfort along the way, it also comes with an anatomically contoured driver's seat with adjustable lumbar support.

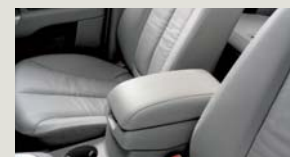

There's ample room for passengers and cargo in the spacious interior. In the 7-passenger models, the rear seat folds completely flat for extra storage room.

INTERIOR

Bright gauges deliver information clearly while the centre dash stylishly houses the 6-speaker AM/FM/CD/MP3 audio system and climate controls on every Santa Fe.

Leather seats welcome you in the 3.3L Premium Leather and 3.3L GLS models.

The intuitive controls on the GLS Premium and GLS's 8-way power adjustable driver's seat make it easy to settle in for a comfortable drive.

HANDLES YOUR ROUTINE WITH **EASE.**

COMFORT EVERYONE CAN **ENJOY.**

At Hyundai, we believe the most important feature we can put in a vehicle is the ability to protect your family. Santa Fe's long list of standard safety features starts with an Anti-lock Braking System (ABS) with Electronic Brake Force Distribution (EBD) to help you avoid dangerous situations in the first place. And in the event of a collision, six airbags¹ will help keep you and your passengers safe.

Standard Electronic Stability Control (ESC) with Traction Control[®] helps keep your vehicle on its intended path by applying the brake to individual wheels and adjusting the throttle as required.

Front seat active head restraints on all models help prevent whiplash in the event of a rear collision.

Santa Fe's safety cage construction, side-impact door beams and built-in front and rear crumple zones absorb collision energy from any direction.

No matter what model you choose, you and your passengers will always be surrounded in the safety of six airbags¹, including dual front, two front seat-mounted side-impact and two roof-mounted side-curtain airbags.

Small children ride safely every time thanks to the LATCH child-seat tether anchors found on both second-row outboard seats.

SAFETY FOR THE ROAD AHEAD.

Top Crash Rating for Frontal Offset Impacts

SAFETY

GENUINE HYUNDAI
ACCESSORIES

CARGO NET

Custom-fit cargo nets ensure everything you're transporting remains organized and in place by preventing items from sliding around.

SKI/SNOWBOARD CARRIER

Take advantage of the space overhead with Hyundai's full line of convenient carriers, which includes a ski/snowboard carrier, narrow ski box, cargo box, watersport carrier and an upright bike carrier.

FRONT BUMPER GUARD

Protect your front bumper from dents and scratches with a stylish bumper guard.

PLASTIC HOOD PROTECTOR

Prevent dents and scratches caused by road and vehicle debris with an attractive plastic hood protector.

TRAILER HITCH

Designed to meet your towing needs, Hyundai hitches can accommodate a wide variety of hitch-mounted accessories.

SIDE STEPS

Add a touch of sophistication to your Hyundai with a set of functional side steps.

COLOURS

Our vivid palette of exterior colours is the perfect way to complete your Santa Fe. Explore the options and choose the one that best reflects your personal style.

All Hyundai warranties have no deductible.
¹⁰ Hyundai's Comprehensive Limited Warranty coverage covers most vehicle components against defects in workmanship under normal use and maintenance conditions.
¹¹ Includes fuel delivery service, flat tire changing, lock-out service, towing service and more. Just one toll-free call away, 24 hours a day.
¹ The Supplemental Restraint (airbag) System (SRS) is designed to work with the 3-point seatbelt system. The SRS deploys in certain frontal and/or side-impact conditions where significant injury is likely. The SRS is not a substitute for seatbelts which should be worn at all times. Children under the age of 13 should be restrained securely in the rear seat. NEVER place a rear-facing child seat in the front seat of a vehicle with a passenger-side airbag.
² Electronic Stability Control (ESC) and Traction Control System (TCS) are meant to enhance conscientious driving habits and are not a substitute for safe driving practices.
