

# FUSION 2009

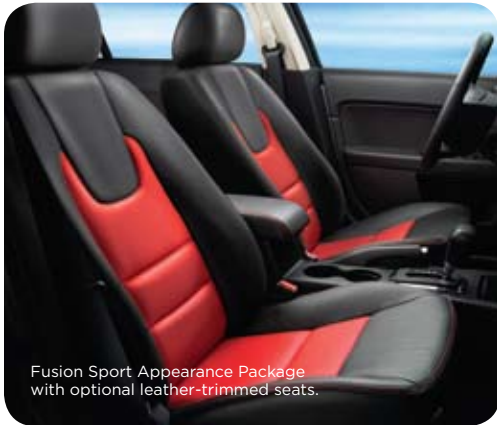

powered by you

# Provokes a Response

Always a memorable drive.

Fusion's sleek body and sport sedan proportions say one thing: Dynamic. It's the driver's car that stands apart from the crowd and demands their attention. A choice of powerful engines, available All-Wheel Drive (AWD), and a tuned suspension combine to deliver a driving experience that will always impress.

Fusion Sport Appearance Package with optional leather-trimmed seats.

## Attitude Inside

Fusion offers an optional Sport Appearance Package that features a brushed-aluminum stereo surround and Charcoal Black seats with red or grey cloth inserts. Contrasting stitching further enhances the seat appearance and accents the steering wheel and centre console. Exterior components include a black-chrome grille and 18-in. aluminum wheels with painted pockets.

Fusion SEL in Tuxedo Black Metallic with optional Sport Appearance Package.

# A Stunning Performer

The power to keep up with you.

Fusion SEL in Redfire Metallic.

## Efficient Power

Fusion engines use sophisticated technology, including intake variable cam timing (iVCT), to optimize fuel efficiency and maximize torque across a broad rpm range. In fact, a Fusion equipped with the Duratec I-4 and 5-speed manual transmission can take you 752 km (467 miles) on one tank of fuel.<sup>1</sup>

<sup>1</sup>Based on highway fuel consumption for Duratec I-4 engine with 5-speed manual transmission and full fuel tank.

## Power Trip

Fusion offers you the choice of a 160-hp Duratec I-4 engine mated to a 5-speed manual or optional 5-speed automatic, or you can move up to the 221-hp Duratec V6 with a 6-speed automatic. Either way, you get a great balance of power and fuel economy.

## Athletically Agile

Fusion's standard 4-wheel independent suspension provides crisp response while delivering a smooth ride and sharp handling.

# Get Going With All-Wheel Drive

Gets you through almost anything.

Fusion is available with All-Wheel Drive (AWD) for confident driving in poor weather conditions and a more exciting drive on dry roads. Available on SEL V6, AWD continuously monitors and compares wheel speeds, steering angle and throttle position. If wheel slip is detected, engine torque is reduced from that wheel and transferred to those with the most grip. The result is confident, sure-footed traction on almost any surface. No matter what the conditions are, Fusion with AWD can help get you there.

Fusion SEL in Brilliant Silver Metallic.

# The Latest Hardware

Updates to meet your needs.

## Fully Wired

Fusion is packed with technology and capabilities designed to expand with your needs. The standard auxiliary audio input jack allows you to play as many megs of music as you can download on your MP3 player. An optional voice-activated Navigation System helps you find your way or takes you to a road less travelled.

## On Your Command

The available Ford SYNC™ voice-activated, hands-free communications and entertainment system integrates your Bluetooth®-enabled mobile phone and nearly any portable media player. Visit [SyncMyRide.ca](http://SyncMyRide.ca) for full connectivity details.

Driving while distracted can result in loss of vehicle control. Only use mobile phones and other devices, even with voice commands, when it is safe to do so.

Microsoft is a registered trademark of Microsoft Corporation.

The Bluetooth word mark is a registered trademark owned by the Bluetooth SIG, Inc.

## Satellite-Linked Entertainment

Standard SIRIUS Satellite Radio<sup>1</sup> allows you to lock onto your favourite channel all across Canada. Choose from sports, news, personalities and commercial-free music. You can also listen to SIRIUS online with a 6-month prepaid subscription.

<sup>1</sup>See your Ford of Canada Dealer or contact SIRIUS at 1-888-539-7474 for more information.

Fusion centre stack with available Navigation System.

Fusion SEL interior with optional Blue Suede Package and available equipment.

# Ready for Anything

No matter what you have to get done.

Fusion SEL in Charcoal Black interior with optional leather-trimmed seats and Ambient Lighting.

## Adapts to Your Changing Needs

Fusion is the sedan that can do just about anything. Choose among 7 colours of optional Ambient Lighting to illuminate the footwells and cupholders. With ample room for 5, a large trunk, fold-flat seating — including the front-passenger seat — cupholders, and more storage than you know what to do with, your Fusion will often be chosen for group road trips. A large, two-tiered centre console has plenty of room for personal items. Trunk pass-through and fold-flat seating help accommodate long items. The voluminous trunk with low liftover offers 447 litres (15.8 cu. ft.) of capacity.

# All-Encompassing Safety

It's not an option.

Dual-stage front airbags and energy-absorbing safety belts help minimize impact forces

Safety belt pretensioners and airbag activation are automatically adjusted depending on the crash severity

Front-seat side and side-curtain airbags enhance protection for all outboard occupants

Unibody construction with side-intrusion door beams helps provide side-impact protection

Seat sensors detect the presence of a front passenger and safety belt use and activate or deactivate the front airbag accordingly

Flex Limited in Dark Ink Blue Metallic with available equipment.

While features like ABS and electronic stability control help prevent accidents, sometimes they are unavoidable. Fusion's Personal Safety System® (PSS) utilizes a network of sensors to deploy the driver and front-passenger front airbags in just the right manner at just the right time. The Front-Passenger Sensing System incorporates sensors that detect the presence of a front passenger and activates or deactivates the front airbag as necessary. Occupants are further protected by front and rear crumple zones designed to absorb impact, and an advanced safety cell made of high-strength steel to divert forces around the cabin. Front-seat side and side-curtain airbags also enhance occupant protection.

## A Guiding Hand

Fusion's sophisticated AdvanceTrac® ESC (electronic stability control) helps automatically correct to the driver's intended direction if a potential loss of control is detected. This advanced safety feature is standard on all Fusion models.

Remember that even advanced technology cannot overcome the laws of physics. It's always possible to lose control of a vehicle due to inappropriate driver input for the conditions.

## Intelligent Security

Fusion's all-in-one key integrates keyless-remote functions and a panic button. It's also encrypted with billions of security codes to help prevent theft by disabling the ignition unless the correct key is used.

# Customize

To fit your personality.

Genuine Ford Accessories offers a line of parts that both reflects your own style and enhances Fusion's practicality. Go to [ford.ca](http://ford.ca) to personalize your Fusion.

## Integrated Entertainment

Treat your rear-seat passengers to the luxury of individual Dual INVISSION® DVD Headrests<sup>1</sup> that include wireless headphones and inputs for electronic game systems.

<sup>1</sup>Ford Licensed Accessories.

## Custom Wheels

Dress up your Fusion a little more with great-looking wheels. The 17-in. x 8-in. 5-spoke GT style is available in polished-aluminum or Painted Black and includes a centre cap with the Ford logo.

Fusion SEL in Tuxedo Black Metallic with optional Sport Appearance Package and available Ford Licensed Accessories.

# Specifications

## Standard Equipment

### Mechanical

Anti-lock Brake System (ABS)
Front-wheel drive (FWD)
One-Touch Intelligent Start
Power 4-wheel disc brakes
Power rack-and-pinion steering
Stabilizer bars — 24-mm front and 16-mm rear (17-mm rear on V6)
Suspension — Front: independent Short- and Long-Arm
Suspension — Rear: multilink independent

### Safety & Security

Personal Safety System® for driver and front passenger — Includes dual-stage front airbags¹, safety belt pretensioners, safety belt energy-management retractors, safety belt usage sensors, driver-seat position sensor, crash severity sensor, restraint control module and Front-Passenger Sensing System
AdvanceTrac® ESC (electronic stability control)
Anti-theft perimeter alarm
Front-seat side airbags¹
Side-curtain airbags¹
Side-intrusion door beams
Battery saver
Belt-Minder® front safety belt reminder
Child-safety rear door locks
Emergency in-trunk release handle
Illuminated entry
Lower anchors and tether anchors for child-safety seats (LATCH)
Integrated key transmitter remotes (2)
Safety belts — 3-point for all seating positions
SecuriLock® passive anti-theft engine immobilizer system
Tire Pressure Monitoring System (excludes spare)

### Seating

5-passenger seating
6-way power driver seat with manual lumbar
60/40 split-folding spring-assisted rear seat
Fold-flat front-passenger seat
Front bucket seats
Map pockets — Driver and front-passenger seatbacks

### Interior

Accessory delay for power features
Air conditioning
Auxiliary audio input jack — Centre console
Beverage holders — 6
In-dash storage compartment
Floor mats — Front and rear carpeted
Full centre console with armrest and two-tiered storage
Grocery bag hooks — Trunk-mounted
Message centre with trip computer
Overhead console with dome and map lights
Power door locks
Power points (2)

### Interior (continued)

Power trunk release
Power windows with one-touch-down driver-window feature
Rear-seat fold-down centre armrest with beverage holders
SIRIUS Satellite Radio with 6-month prepaid subscription
Steering wheel-mounted cruise and audio controls
Tilt/telescoping steering wheel
Visors with illuminated mirrors

### Exterior

Body-colour, power, heated sideview mirrors
Fog lamps
Grille — Chrome
Headlamps — Quad-beam halogen
Rear-window defroster
Solar-tinted glass
Windshield wipers — Speed-sensitive

¹Always wear your safety belt and secure children in the rear seat.

Sport Appearance Package interior with cloth seat inserts

Blue Suede Package interior

Please note: The electronic version of the Ford of Canada vehicle brochure is a condensed version of the original printed version.

Competitive comparisons are based on 2008 competitive models, publicly available information and Ford data at the time of printing of the 2009 original printed version. Some features discussed may be optional. Vehicles shown may contain optional equipment. Features shown may be offered only in combination with other options or subject to additional ordering requirements or limitations. Dimensions shown may vary due to optional features and/or production variability. Following publication of the 2009 original printed brochure, certain changes in standard equipment, options and the like, or product delays may have occurred which would not be included in these pages. Your Ford of Canada Dealer is your best source for up-to-date information. Ford Motor Company of Canada, Limited, reserves the right to change product specifications at any time without incurring obligations. Colours may not be exactly as illustrated. Please see your sales consultant for specific colour and model availability. Please visit your local dealer or [ford.ca](http://ford.ca) for complete vehicle details.

**FORD EXTENDED SERVICE PLAN**

For a purchase or lease, the Ford Extended Service Plan (ESP) gives you "Peace-of-Mind" protection designed to cover key vehicle components and help protect you from the cost of unexpected repairs. To add to your peace of mind and help protect your investment beyond your New Vehicle Basic Warranty, complement your ESP with a prepaid maintenance plan that covers all required scheduled maintenance items for your vehicle and 8 wear items. Ask your Dealer for a Ford ESP, the only service contract backed exclusively by Ford Motor Company of Canada, Limited, and honoured at all Ford and Ford Lincoln Dealerships across North America. Certain limitations and exclusions apply, see your Dealer for details.

**FORD CREDIT**

Get the ride you want. Whether you plan to lease or finance, you'll find the choices that are right for you at Ford Credit. Ask your local Ford of Canada Dealer for details or check us out at [fordcredit.ca](http://fordcredit.ca).
